Dedication

All the photographs of half naked males to Darren Simpson for his invaluable assistance in the preparation of this report.

President's Report

Congratulations to all Club Members for an outstanding season. There were a number of rescues and every Member performed well in the circumstances.

The beach attendance has increased again this season, probably due to the fine weather for most of the summer. I'm sure all the patrolling members were pleased to have some fine weather as well.

Mudjimba Beach suffered extensive erosion again this season which forced the patrol area to be located further north than usual. Hopefully the sand will return in the off-season and cover the exposed coffee rock which presents a danger to swimmers and boardriders alike.

It is pleasing to see more Members competing at carnivals for the Club. The exposure and recognition that Mudjimba SLSC receives from this is tremendous and all Members should be encouraged to have a go. The competitors who attended the various carnivals this year gained enormous experience and will be well prepared for next year's competition round.

Thanks to the Management Committee and Officers of the Club for a superb effort this season. The contribution you have made to the Club is most appreciated.

Statistics show that Mudjimba Beach is becoming more popular each year. The development around the North Shore area will increase beach visitations and, I hope, increase our number of patrolling members. The need

to recruit new members is vital and all members are encouraged to seek new members to join our Club.

Next season will see the introduction of Nippers to Mudjimba SLSC. I look forward to this project progressing as this is the future of our Club. Marty Kennedy and the JA Steering Committee have done a marvellous job in getting it up and going. Good luck and be assured the Club supports this venture.

On a final note, the Club achieved 2nd place in the Buhk-Wilkes Trophy presented by Sunshine Coast Branch each year. This achievement is an illustration of the dedication and proficiency of all the Members of Mudjimba SLSC and everyone can feel proud of the work they have done this season. I look forward to seeing all next season in about 12 weeks time!

Sunshine Coast Branch Championships

Secretary's Report

They say there are no prizes for 2nd best but I tend to disagree and certainly the award for second place in the Buhk-Wilkes Trophy (now sitting next to our 3rd place award in the Buhk-Wilkes obtained some years ago) is testimony to that. It is also testimony to the time and dedication put into the Club by it's Members. Having said that, and with the Club now pushing through to its 6th year of operations, perhaps its time for all members to reflect on why they are here and why they are involved in surf lifesaving. The Club has seen much conflict this season between members with different views on certain aspects of the organisation. Whilst this probably will not change in the future - and neither it should, as we operate in a constantly changing environment - members need to closely examine the reasons they wish to make changes.

First and foremost should be the welfare of the Club and not the furthering of a individual's private agenda.

Most members will be aware that I resigned in March as Secretary. The preparation of this, the 5th Annual Report for Mudjumba SLSC, is my final commitment to 'duties secretarial' for the Club. With the possible exception of the final four months, I have enjoyed my involvement with the Club immensely. I intend to continue with the Club as an Award member and will provide assistance whenever possible, however for the moment, I'm looking forward to a telephone that now rings very rarely, some tertiary studies and a few good books.

*Jane Langford
Ex-Secretary*

Right - A reminder for all Members.*

OUR CODE

In Surf Life Saving Queensland, we are a diverse and talented team of people, committed to a common purpose, performance goals and set of guiding principles for which we hold ourselves mutually accountable.

OUR PURPOSE AND GOAL

"Zero preventable deaths on Queensland beaches."

OUR PRINCIPLES

- We always do what we say we will do.
- We will always acknowledge performance excellence and support the people who strive to achieve it.
- We will positively embrace change.
- We will share responsibility for open, honest communication.
- We will be accountable to our customers for the delivery of outstanding service.
- We will always positively protect and promote our brand and its values.

Treasurer's Report

A full financial report of the Club's activities for the year is detailed in this Annual Report. The report has been audited by the Club's Accountant, AJ Cassel & Company.

Over the past year we have met our financial commitments, not without some caution. Many thanks go to those involved in the Fundraising side of things (they know who they are). Great fun was had by those who attended the Golf Day and a bargain was found at the Garage Sale. More collectors were needed at the local and Brisbane Doorknocks. Fundraising plays a very necessary part in our continued financial strength.

The Gaming Commission Grant has allowed us to finalise the toilets and showers and the grant from the Clive Hammond Fund has allowed for the fitout of the Radio Tower and a new IRB trailer.

I look forward to another great summer on Mudjimba Beach and welcome the commencement of Nippers which will be very challenging and rewarding for all those involved.

In the coming year I'm sure there is also going to be some financial challenges and it will be necessary to caution our expenses as we continue our financial growth.

*Andrea Fesselet
Treasurer*

Auditor's Report

A.J. CASSEL & COMPANY
ACCOUNTANTS & BUSINESS ADVISERS

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB INCORPORATED**

SCOPE

We have audited the financial statements, being a special purpose financial report of Mudjimba Surf Life Saving Club Incorporated for the year ended 30 April 2001. The Committee are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report.

The audit opinion expressed in this report has been formed on the above basis.

AUDIT OPINION

In our opinion, the financial accounts present fairly the position of Mudjimba Surf Life Saving Club Incorporated as at 30 April 2001 and the results of its operations for the year then ended in accordance with the Associations Incorporation Act (Qld) and the basis of accounting described in Note 1 to the financial statements.

Notes to & Forming Part of the Accounts

MUDJIMBA SURF LIFE SAVING CLUB INCORPORATED
NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 APRIL 2001

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

- (a) These financial statements are prepared in order to provide accounts which satisfy the requirements of the Associations Incorporation Act (Qld) to prepare accounts. The financial statements are prepared on the basis of the corporation being a "non-reporting entity" and therefore take the form of special purpose Financial Statements as defined in Statement of Accounting Concepts 1 'Definition of the Reporting Entity'.

The Statements have been prepared in accordance with the requirements of the Associations Incorporation Act (Qld). The statements are prepared on an accruals basis, from the records of the association. They are based on historic costs and do not take into account changing money values or except where specifically stated, the current values of non-current assets.

(b) **Property Plant and Equipment**

All assets, including Buildings are depreciated over their useful lives. Items of Plant and Equipment costing less than \$300 are not added to the asset register but are expensed.

(c) **Inventories**

Inventories are measured at market value.

(d) **Income Tax**

The Association is exempt from Income Tax in accordance with Section 23(g) of the Australian Income Tax Assessment Act.

Club Captain's Report

Another season has again crept by. Taking on the position of Club Captain has been demanding and a huge responsibility for me this season, but at the same time it has been very rewarding. We've had a few ups and downs but have managed to come through running.

The level of dedication and commitment from most members is very pleasing to see. Hopefully, your dedication will encourage others when it comes to patrols. We have had a few week-ends with our beach closed due to big seas and rough weather, however most of the season was pleasant. Patrols showed outstanding performance and vigilance with rescues and assists and preventative actions while keeping swimmers between the flags.

Monthly inspections this season were very encouraging with all members showing high standards in all aspects of these inspections. I had the great honour of accepting 2nd place in the Buhk-Wilkes Trophy on behalf of the Club. This is a huge highlight for our Club and illustrates that even though we are small, we are extremely proficient in our performance as lifesavers. Congratulations and well done to all.

Congratulations to all our new Bronze Medallion members and Radio Operators and welcome to Mudjimba SLSC. Well done to members who achieved more Awards - this is great to see.

A big pat on the back to all competitors who proudly wore our cap at Carnivals. We had a fantastic day for our Club Championships

and Dogs Day. It's good to see the Old Dogs can still outdo the Young Pups. Maybe next year, Pups.

A very special thank you to our President, Steven Smith for his loyalty, dedication, encouragement and support. Steven wears many different caps throughout the season and I certainly take my hat off to him. He is undoubtedly the backbone of our Club.

I'm looking forward to next year with Nippers starting and a year of new challenges.

The end of this season proved to be a challenge for me with my accident, but I'll be back for another round on the beach in September. Till the flags fly again, have a safe winter.

*Gloria Ellis
Club Captain*

Chief Training Officer's Report

Well done to everyone for another season of patrols with NO DROWNINGS on our beach. We have had quite a lot of new faces join our Club this year - welcome all. Again this year training has been done by only a few Instructors with my sincere thanks. I invite any of you who would like to participate in the area of instructing to contact myself or the Club Captain for more information on what has to be done. Remember - we need new people to come through to take on these jobs so our Club can grow and expand.

Courses in Surf Rescue Certificate, Bronze Medallion, Radio Operator's Certificate, Advanced Resuscitation Certificate and IRB Driver's Certificate were held with a good number of candidates in each. Congratulations to you all in gaining these Awards. A First Aid Course was not run this season and this will be made a priority next season to boost the number of Award holders in this area.

Courses at the Sunshine Coast Branch were run this year with some of our Members gaining Silver Medallion Life Support and Silver Medallion Patrol Captain Awards. Well done to those people.

Quite a lot of comment has come to my attention that although new Bronze Medallion holders have passed their examination, they are lacking in the day to day knowledge of a patrolling member's responsibilities, i.e. the setting up and closing down of patrols, getting a replacement if you can't make a patrol, and some other things

that those of us who have done a few years of patrol take for granted. Although this will be addressed in future training courses. I would ask that all Patrol Captains and Senior Members of the Club take the time to make the newer Members feel welcome and share some of their knowledge with them so they can learn what is expected of a patrolling member.

To help with the running of courses next year I will have the dates of the courses to be run posted on the Noticeboard at the start of season so you can put your name down and plan ahead to ensure you are available for training. A reminder letter will be sent out a week prior to the course you have nominated for and hopefully this will assist in more people turning up for training.

I hope everyone enjoys their break this off-season and I will see you all in September.

*Dave Johnston
Chief Training Officer*

Right - First Bronze Squad of the season, from left Damien North (behind), Guillaume Fesselet, Carmel Pobar, Graham Matthews (behind).

Far Right - Second Bronze Squad of the season, from left Ross Chester-Master, Jasper Lammers, Tony McDermott, David Girvan, Marty Dillon, Andrew Barlow, Toni Young.

Awards Achieved

Surf Rescue Certificate *Jasper Lammers*

Bronze Medallion *Andrew Barlow, Ross Chester-Master, Martin Dillon, Guillaume Fesselet, David Girvan, Tony McDermott, Graham Matthews, Damien North, Carmel Pobar, Toni Young*

Advanced Resuscitation Certificate *Graham Matthews, Damien North, Diana Power*

Silver Medallion IRB Driver *Karl Dittmer, Darrin Edwards, Bernice McLaren, Peter McLaren*

Silver Medallion Life Support *Michael Coleman*

Silver Medallion Patrol Captain *Michael Coleman, Gloria Ellis, Derek Kenyon*

Radio Operator's Certificate *Andrew Barlow, Ross Chester-Master, Noela Gibbins, John Gidney, David Girvan, Gary Glass, Jasper Lammers, Josh Macphie, Tony McDermott, Graham Matthews, Damien North, Carmel Pobar, Kathy Preiner, Oliver Smith, Luke Stanley, Toni Young*

JRB Crewman Certificate *Gloria Ellis*

First Aid Officer's Report

It was great to start the season with our First Aid Room operational and stocked ready to go. A big thank you to Jane Langford for all her help in making it happen. The storage cupboards for stock are a dream, while the clean up area can be a nightmare with sand from the beach over bench tops.

Lifescavers treated a few First Aid cases this season but nothing major. Hair Jellies and Bluebottles were back with us again causing havoc for a while and keeping us on our toes. Well done to members involved in First Aid cases during the season.

Thanks to members for taking care of our First Aid equipment both on and off the beach. Maintenance of this equipment is very important. Thanks to everyone for an enjoyable season.

*Gloria Ellis
First Aid Officer*

Right - Gloria gives some encouragement to Diana and Kathy at the Australian Surf Lifesaving Championships.

IRB Captain's Report

What a year! This is my first year as IRB Captain and boy have I learnt a lot. We started this year off with 2 Mercury motors and one Toshiba motor which was sponsored by BP. At the beginning of the season we traded the 2 Mercury motors for brand new ones. This is something I would like to see happen again next season. The 2 Mercury motors performed well all season, especially the Number 1 motor. The Toshiba motor was not used as much as we were bit hesitant due to the new rules with the prop guard.

Servicing of the motors was done by Caloundra Marine which was kept to a minimum due to only 1 roll-over all season - thanks Marty, but this also kept the fridge bare! We were able to buy a new 240 volt pump for the boats and we also replaced the hand pump. The boats can now be washed down and released of pressure every weekend. This will make maintenance much easier.

Thank you to the Clive Hammond Fund for the grant we received late in the season which enabled us to buy a new IRB trailer. With a couple of minor adjustments to the new equipment, a bit of maintenance on the boat and a new tool kit, we will be ready for next season.

Special thanks to Caloundra Marine for their excellent servicing and the 20 litres of 2 stroke fuel, Dave Johnston for fitting the prop guards onto the motors for me, Rowan Stanley and John Prenner for helping me out with duties over the season and Coolum Engineering for welding the prop guards.

*Mick Taeye
IRB Captain*

Gear Steward's Report

The season has seen some big changes to our beach presentation with new flags and equipment sponsored by 'Golden Circle'. This has certainly brightened up the Patrol Arena from a public perspective. The down side is, of course, the extra setting up and cartage of gear. It also remains to be seen what maintenance will be required to maintain this modern image when the weather starts to take it's toll. Club gear in general stood up well to a busy season with Patrol Members taking due care with the wash down and storage.

Next season, the introduction of Nippers to the Club will see a need for extra rescue tubes and water safety gear to cater for the anticipated new membership.

The Gear Trailer will need some off-season maintenance - wheel bearings, etc., will have to be checked.

In closing this 2001 Season Report, I extend thanks to all Members for their dedication to our cause and to the Club Management for a successful and progressive season.

*Sid Hillier
Gear Steward*

Left - The Gear Trailer purchased with a donation from Alexandra Headland SLSC has been invaluable this season.

Below - The new flags sponsored by Golden Circle are much more visible from the water.

For Left - Mick Taege congratulates Mick Coleman on the Old Dogs winning against the Young Pups once again!

Left - Gloria Ellis receives her IRB Drivers Certificate from Chief Training Officer, Dave Johnston.

Radio Officer's Report

It has been a good season for the Radio Operators in the comfort of the Tower with most equipment behaving as it should and the few problems of only a minor nature. We now have three F4 hand-held units as Sunshine Coast Branch kindly donated one during the season, so our beach patrols and IRB are now well catered for. The erratic behaviour of the primitive 27meg HF sets of our first couple of years are now a part of history only dimly remembered by those operators who were there at the card table under the tarp on the beach.

As the season came to a close we received a grant from the Clive Hammond Fund which will allow us to completely fit out the Tower during the off-season. Equipment will consist of two new Icom base radio sets and a 120 watt PA system with two speakers to harangue the crowd on the beach. Jane's loaned timber bench will be returned and a new desk with console will take its place. We will continue to use 12 volt twin battery power with 240 volt mains backup so the Tower will be self-

sufficient, no matter what the weather.

As Bronze Squads were trained during the year we acquired more operators when the Radio Operator's Certificate Courses were held and we welcome them to our ranks. There are 15 Radio Operators currently available but changing circumstances and jobs mean that people come and go so there is always a need for more volunteers. Please spread the word about the excellent pay and conditions, moments of wild excitement and constant entertainment that the job entails if you come across anyone who may be interested in doing their bit for our local Club. I am very grateful for the help and cooperation of all the Operators during the season and also that of the Patrols on the beach. I hope you look forward to doing it all again, only better with the new equipment, next September.

*Rowan Stanley
Radio Officer*

Mudjimba SLSC Golf Day

Top & Left - Peter McLaren and Gilles Fesselet provide on-course entertainment travelling around the 18 holes.

Below - The President's Team from left Alexander Smith, Steven Smith, Michael Perry and Ian from Mick's office.

Cadet Officer's Report

Once again the Cadets and Juniors' voluntary service on and off the beach has been exemplary. Quite a few Juniors and Cadets did very well at this season's Doorknock to raise funds for the Club.

Mudjimba SLSC is still finding it very hard to attract and retain lifesavers in this age group but as discussed and the Board of Youth Development Meetings this season, it seems to be a State-wide problem.

We welcomed 3 new Juniors and 2 new Cadets this season. This brings a total of 8 Juniors and 3 Cadets for the 2000-2001 season.

No-one in the Cadets or Juniors competed at any Carnivals this season, but maybe next season we will have some-one interested in competing for the Club.

In the future I would like to see the Cadets and Juniors attend some Surf Life Saving camps. These camps are a very integral part of junior lifesaving as they teach youngsters the correct leadership skills.

Once again Mudjimba SLSC would like to congratulate the Juniors and Cadets for their constant support on and off the beach, and hopefully the number of Juniors and Cadets will continue to increase next season.

Great season Guys!!

Michele Hopwood
Cadet Officer

Left - Michele worked hard this year as the Club's only Accredited Official as well as Cadet Officer.

Below - Cadets and Juniors received their Awards at the Annual Dinner & Presentation Night last year, from left Toby Muspratt, Courtney Suall, Elijah Gardener, Luke Stanley, Oliver Smith and Alexander Smith.

Clubhouse Director's Report

Firstly, I would like to thank all the Members for making my job an easy one.

The Clubhouse has been looked after by Members who have given their time unselfishly and to all those people, a big THANK YOU.

Thanks also go to Austral Plumbing Supplies at Mudjimba for their help and assistance. Brett Innon of Northshore Plumbing, John Prenner and Scott Harris for the tiling, Mick Taege for fitting the doors.

Thanks also go to Phil Burke and Bovis Lend Lease for the concreting out the back, the downpipes and the front entrance decking and garden as well as the many others who have put their time into the fitout and maintenance of the Clubhouse. If I named them all it would probably take up the whole report.

*Les McAndrew
Clubhouse Director*

Left - The Marcoola Masters Competition Team with supporters. We could do with a new tent next year!

Right - Some thoughtful hosts at one of the carnivals left this tent on the beach - so we used it.

Team Manager's Report

Watching the growing interest in the competition area amongst the Members of the Club this season gave me a lot of pleasure. The training that these Members participate in improves their fitness and can only reflect positively when they are on patrol.

The results gained at the Marcoola Masters, the Sunshine Coast Branch Championships, the Queensland Championships and the Australian Championships were very encouraging and the experience gained was invaluable.

Di Power was the big surprise this season. Since gaining her Bronze Medallion, her confidence has grown enormously, culminating in a Gold medal at the Branch Championships in the Tube Race and two Bronze medals at the Queensland Championships in the Sprint and the Tube Race.

The trip to the Queensland Championships in Mackay was brilliant and the 3 competitors, Di, Gloria and Ben, performed very well on the beach. The lesser known performance was in the Irish Bar later on - just ask Di about the 'Oil Baron'!

Many thanks to Michele Hopwood for travelling to Mackay, arranging the accommodation and doing a great job in Officialdom.

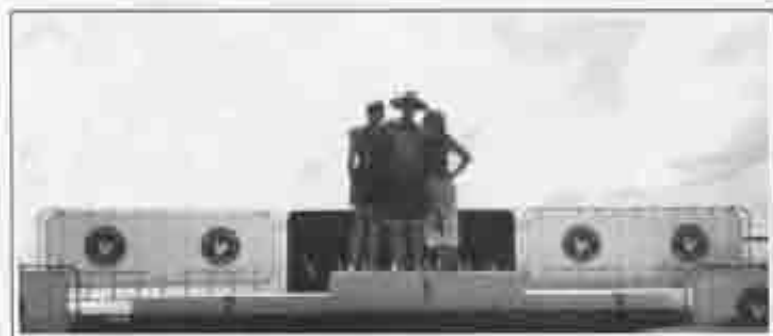

The Australian Championships at Kurrawa was another highlight this season. Di, Gloria and Kathy performed very well. Hearing Mudjimba's name being called over the PA and seeing our cap on the beach made me a very proud Team Manager.

There was to be a greater number of members nominated to compete at Kurrawa but injuries to 4 Members prevented them from attending. Di loves competing and she has so much energy to burn. I will be entering Di in more events next season to burn up more energy as I believe there was a lot more partying after the Australian Championships.

My aim next season is to encourage more of our younger members to enter Carnivals.

Steven Smith
Team Manager

Craft Officer's Report

There has been a few highlights in the Craft department this year. These include an increase in board training, the purchase of a second-hand single ski and initial preparations for next year's Nippers.

The Master's Competition stimulated interest in fitness and board training, and consequently, Sunday morning's run extended to a board paddle to Old Woman Island and to Mike Coleman (the Master himself) beginning competitive training for rescue boards. While Bernie McLaren's efforts and achievements are notorious (ask Steve Smith - board repairman!), an improvement in trainees is already obvious.

In an effort to encourage interest in competition, the Club purchased a second-hand single ski for a good price locally. A few adventurous souls have already 'tested the waters'! We intend to implement a 'Pay as You Go' system of our own for those interested in spending time on the ski in order to pay for it's upkeep.

With the introduction of Junior Activities in September, much has been done to prepare for the 'craft' demands of Nippers. There is still much to do, including the cleaning up of some boards dug out of Steve's backyard. Approaches have been made to other Clubs for donations, with little response. The Junior Activities Committee is investigating grants in order to help fund this major step forward for our Club.

Special thanks must go to Tony Dempsey (the Guru) for instructing Steve Smith and John Prenner in the subtleties of board repair and to these three noble souls for keeping our boards up to scratch.

See you next year ...

*Kathy Prenner
Craft Captain*

Below - The girls line up for the Board Race at the Club Championships, from left Diana Power, Andrea Fesselet and Bernice McLaren.

Junior Activities Report

Without Liz and Vicki to supervise Marty and Jarrod stayed up way past their bedtime at the last Annual Dinner.

It won't be long before we hear the pitter patter of tiny little feet at Mudjimba SLSC.

The Mudjimba Junior Activities Steering Committee has been formed and we are currently sorting through the many tasks required in forming and running Mudjimba Nippers. The 2001-2002 season will be the inaugural season for Mudjimba Nippers.

The Steering Committee has already met a number of times with the focus being on fundraising, the election of Office Bearers and the selection of Coaches, Age Managers and Officials. The Senior Management of the Club, the Sunshine Coast Branch and several long serving members of our Club have all expressed an overwhelming willingness to support and facilitate the successful formation of the Junior Club.

This venture represents an exciting phase for the future expansion of Mudjimba SLSC. With Juniors training, competing and representing Mudjimba, this will assist in the growth and further ensure the future life of Mudjimba SLSC.

This is an exciting time and I am personally looking forward to playing my part in the formation of MUDJIMBA NIPPERS.

Stay safe in the off season and I look forward to seeing you all on the beach.

*Martin Kennedy
Chairman
Junior Activities Committee*

Training

Bottom Left - Ross Chester-Master & Toni Young.
Top Right - David Girvan & Tony McDermott get close.
Bottom Right - Marty Dillon & Andrew Barlow.*

Fundraising Report

We are still working on ideas for raising money for the Club and have come up with some very good ones. A big thanks to Jan Stanley who is a great helper and to the rest of the team who have made it easy for me to do this job. The Garage Sale turned out to be a better fundraiser than we thought it would be, raising a substantial amount.

The end-of-month BBQs have also been good. We are not making a fortune out of them but we are covering costs and making a few dollars. Everybody who attends them seems to have a good time.

Thanks to Mick Coleman and Gloria Ellis for a great Golf Day and to all the volunteers on the day. This was another good fundraiser. Thanks to you all and keep up the good work.

*Les McAndrew
Fundraising Co-ordinator*

*Top - Santa arrived by truck for the Christmas Party.
