President's Report

Mudjimba SLSC experienced unprecedented growth this season. Membership has soared and it would appear that numbers will be similar next season. Congratulations to Dave Johnston for the effort he has put in to train all of those new members. Dave worked very hard this season, not only training new members, but also training our existing members in gaining more Awards and improving their skills. Dave's hard work was rewarded at the Sunshine Coast Branch Annual Dinner by receiving the Branch Instructor of the Year trophy. Congratulations!

The introduction of Nippers this season has been the main reason behind the Club's growth and the success of the Nipper programme is credited to Martin Kennedy, the man at the helm, the Coaches, Age Managers and participating parents, many of whom were Active patrolling members. It was heartening to see the visions of the Nipper Steering Committee become reality. Just to be on the beach on Sunday mornings amongst the children and the various activities was extremely rewarding.

I thank all members who participated in our fundraising efforts this season. The financial reports show that Mudjimba is sound with thanks going to Andrea Fessiolet for keeping everyone on track. We were fortunate to receive sponsorship this season which is vital to our ongoing success. Thank you to Edgewater Village Social Club, Mudjimba Caravan Park Social Club, Quota International of Coolum Beach, Energex, Mooloolaba SLSC, Clive Hammond Fund, Surf Life Saving Australia, Surf Life Saving Qld, Maroochy Shire Council, Department of Emergency Services, Rotary Club of Coolum Beach and Le Print Screen printing.

The introduction of the AIV this season has enabled us to do more frequent patrols north to the Discovery Beach (Surfer) area and south to the river mouth. Thanks to Surf Life Saving Queensland, the Pelerman Group and Maroochy Shire Council for their assistance in providing this welcome addition to our patrolling equipment.

Patrols have performed well and Gloria Ellis has worked hard to keep patrols to a high standard. We were fortunate to have good weather for most of the season which makes patrolling much more enjoyable. Well done to the Active members for keeping Mudjimba Beach Safe.

I thank the Management Committee for their efforts during the past 12 months. It becomes difficult at times to juggle volunteering with work commitments and the home environment and it takes dedication to achieve harmony in all areas.

I look forward to the start of next season - 21 September 2007 - see you on the beach.

Steven Smith
President

Below - Lifesaver of the Month Gloria Ellis (Presenter), John Preiner, Diana Power, Darrin Edwards, Bernice McLaren, Elijah Gardner, Carmel Polak.

Secretary's Report

This year has been very busy and exciting. There have been so many highlights in retrospect, that it's difficult to know where to begin. Even the volunteerism of our "white people" in the positions of our Cadets, of the Egan and Cameron's efforts in the "Rational Development Camp". One need only look at the growth and depth of talent that has swarmed our patrol tanks to be suitably impressed.

And I have learned a few things too...

I've been continuously amazed at the extent of generosity that is evident in the extended community that is Mugueta Surf Life Saving Club. So many of you just keep on giving your time, energy, and enthusiasm. So many of you, for the love of the sport, each bring out a good set of your wetsuits, others wetsuits, and other gear. I would's only attend something by accident if I forget to mention names, so I won't, but congrats all around and thank you all!

I would like however to mention the huge effort that Bernice McLaren has made this season. From Bernice I have learned much... (How to view a trial, how to play for starters). She has staged so many of our events, but I can hope to emulate her achievements. As swim wear designer, computer expert, Nipper organizer, diplomat, board queen... and she has a certain way with the IR5. Thanks Bernice for making this year truly special!

Also, I have learned what it is to be a Mesher. From one among us, who did his damndest to save two others. He did this in the knowledge that there was no support crew on the beach or in the air. To Greg Carson, thank you for the free example you have set for us all. Look forward to higher and better displays next year. Cheers.

Kathy Prenner
Secretary

Nippers Everywhere

Left - Choosing the right equipment for the best results.

Below - Lillies (too young yet for Nippers) line up for their own flags event.

Below Centre Left - Ben indulges in a very common Nipper pastime.

Below Centre Right - Drew Brown and Ben Hines take a run up the beach.

Bottom Right - Kate & Viv Smith's barbecues kept everyone's energy levels up on Sunday mornings.

Bottom Left - Ben & Andrea Fesselet

Treasurer's Report

What a busy season! A full financial report is detailed in the Annual Report. The Report has been audited by the Club's appointed accountant, F&K Block of Narraville.

We have ended our season on a positive note with funds in the 'black' and seeing our funding (as measured) at a steady pace.

Several donations have been gratefully accepted throughout the season and the funds were put towards equipment that was very much needed and running costs. Donations came from Edgewater Village Social Club, Quorra International of Cavan, Roski and the Cleve Hammond Fund.

Sponsorship was gained from a very generous community and included 'Magnum shares' as well as from businesses who sponsored our Golf Day.

We once again thank the Farming Machine Community Benefit Fund for the grant which enabled our Nipper Club to purchase barriers, tools and a great style tent.

Mudjumbal SC held its first carnival this season and a major profit was made.

Fundraising is so important to the never ending running costs now being incurred by the Club. More members need to support the major fundraisers that are held regularly throughout the season.

The Annual Brisbane Opennock and the Sponsors Challenge (Golf Day) are currently our major fundraisers and your support of these two events alone will be of enormous benefit to the Club.

I have managed to survive another season, at times wondering how and I know that without the ever valued time of my Assistant, Jane, I could not have managed. Thank you! Also to the Management Committee for their support.

Financial challenges will be ever more demanding as the new season approaches and caution is imperative needed as we continue our financial growth.

Andrea Fesselet
Treasurer

International Year of the Volunteer Recipients 2001 - Steven Smith & Andrea Fesselet

It's been a significant year for Mudgee's Surf Life Saving Club. The formation of a Nipper Club was a big step forward and the top photograph illustrates only a portion of the new members in our Nipper Club.

D. Byster (below) continues to power drill at Camps and represent Mudgee S.L.S.C. in the Surf Sports area. His efforts were well rewarded this season.

Perhaps the most significant lifesaving event was the off duty rescue performed by Greg Carson. Altogether five people found themselves in difficulty in the Discovery Beach area. Unluckily for Greg, this no one had been severely damaged by fire and he and his family were temporarily being in the area but his step's mate's friends' numbers. Greg was through a walk on the beach with his family when he noticed their predicament and did not hesitate to go in for their assistance. What made it so dire without assistance, however, one of the swimmers was unconscious by the time Greg reached him, and required resuscitation. Our swimmer spent three days in hospital at hospital but before returning home one thought Greg out to thank him. "Morning on the Surf South (Burrumbidgee) supported to have a dinner and the rest is now Phil Henry from the left right

Photographer Dennis Moretto, Greg Carson, Charles Leguizans, Hospitalised, Steve Lakehook, and Klaus Seitz, parade to visit was seen by many. In another twist to this story, a number of Greg's patrol recognised one of the rescues. Dawn Edwards taught him at high school. Byster!

Bronze Medallion Recipients 2001 - From Left Dave Johnston (Presenter), Giles Fesselet accepting on behalf of Guillaume Fesselet, Carmel Pobar, Martin Dixon, Tom Young, David Girvan, Tony McDermott and Graham Matthews.

Auditor's Report

AUDITOR'S REPORT

Scope

I have audited the Income and Expenditure of the MUDJIMBA SURF LIFE SAVING CLUB INCORPORATED for the year ending 30 April 2002. The Club's committee members are responsible for the preparation of the financial records and the information they contain. I have conducted an independent audit of these financial records in order to express an opinion on them to the members of the Club.

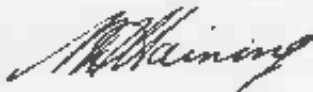

This audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial records are free from material misstatement. The procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial records. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial records are presented fairly in accordance with Australian Accounting Standards and Statutory Requirements so as to present a view which is consistent with our understanding of the Club's financial position and the results of its operations and cash flows.

The audit opinion expressed has been formed on the above basis.

Audit Opinion

In my opinion, the Income and Expenditure presents a true and fair view of the operations of the Club for the year ended 30 April 2002 and the surplus for the year on that date is in accordance with applicable Accounting Standards.

Your participation will be most welcome.

Club Captain's Report

Mudjimba Beach would have to be one of the prettiest beaches on our coastline and our Lifesavers are a patrol between the red and yellow flags are a credit to our Club and the lifesaving movement.

Members this season have shown great vigience and a high level of proficiency in all lifesaving areas. Our inspectors have gone extremely well and we have achieved high point scores on almost every inspection which is very pleasing to see. The ATV has been a boost to patrols with members enjoying taking a leisurely cruise to both the Discovery Beach area and the river mouth.

Well done to Steven Smith for his leadership in getting us through another season. Steven is a credit to our Club as President and a regular patrolling member on our beach. Dave Johnston has excelled himself this season in his role of Chief Training Officer. He has given us more members on patrol with 3 Bronze Squads for the season. Not to mention the ARC, KB and First Aid Courses. Also well done to our Instructors-in-Training Elijah Gardner and Carmel Poirar. Good job done by all.

Congratulations to all our new members and welcome to Mudjimba SLSC. Congratulations also to existing members who achieved new

Awards this season. Keep striving to move forward and be the best you can be to the best of your ability.

Well done to competitors who wore our cap proudly at carnivals this year and to our Nippers who competed at their first carnivals. These kids are our up and coming lifesavers, so please encourage and nurture them.

The Executive and Management Committees have done a fantastic job this year in keeping our Club on the straight and narrow. At times it's not easy making decisions on Management, but the decisions that have been made, I know, are in the best interests of the Club and its members.

I'll be stepping down from my position as Club Captain next season. It's a hard position to hold, so I'd like to wish my successor luck and as you to remember that you'll make some friends and you'll make some enemies, but most important, make the right decisions for our Club with the guidance of those in higher positions.

So until we all meet again on our beautiful beach at Mudjimba, stay happy and safe.

Gloria Ellis
Club Captain

Champion Patrol 2001 - From left Guy Tanner, Luke Stanley, Greg Carson, Diana Power and Garrn Edwards.

Chief Training Officer's Report

Well done to all members for another successful year on the beach. This year saw the start of Nippers and an influx of people wishing to complete other than Surf Rescue Certificate or Bronze Medal in support of this new venture. Little did we know how busy we would be with training.

The first squad started training before the start of season in very cold and bleak conditions however their attitude and commitment to training was impressive. Two members were successful in completing their Surf Rescue Certificate and seven others completed their Bronze Medalion.

The second squad started with 13 trainees and was one of the biggest squads we have ever had. Little did we know bigger numbers were to come. An excellent standard was attained by this squad of one Surf Rescue Certificate recipient and twelve Bronze Medalion recipients.

The third squad (and this was another first as we have only ever trained two Bronze Medalions in a season previously) was even bigger with 21 trainees. Six members achieved their Surf Rescue Certificate and 15 achieved their Bronze Medalion.

The high standards of the squads are a reflection on the Training Officers, Steve Smith, Eijan Gardener, Carmel Pohan (Probationary), Karl Dittmer (Probationary) and Gloria Ellis (Probationary). I thank them all for their commitment to ensure that our Club grows with new members of the highest standard.

There were two A&C courses in this year with a total of 11 candidates. Examiners were impressed with the quality of the candidates. Many thanks to Jenny Kennedy (Probationary) for her assistance.

Radio Operator Certificate courses were held in conjunction with the Bronze Medalion Squads with 40 candidates gaining this Award. Rowan Stanley put in a big effort to bring these courses to train the candidates. Well done Rowan.

Silver Medalion Life Support, Silver Medalion Patrol Captain and Defibrillator courses were held at the Sunshine Coast Branch. Our Club presented 10 candidates for the SMLS, 11 for the SMLPC and 7 for the Defibrillator course. It is great to see so many people prepared to better themselves, therefore providing a higher level of life saver on the beach.

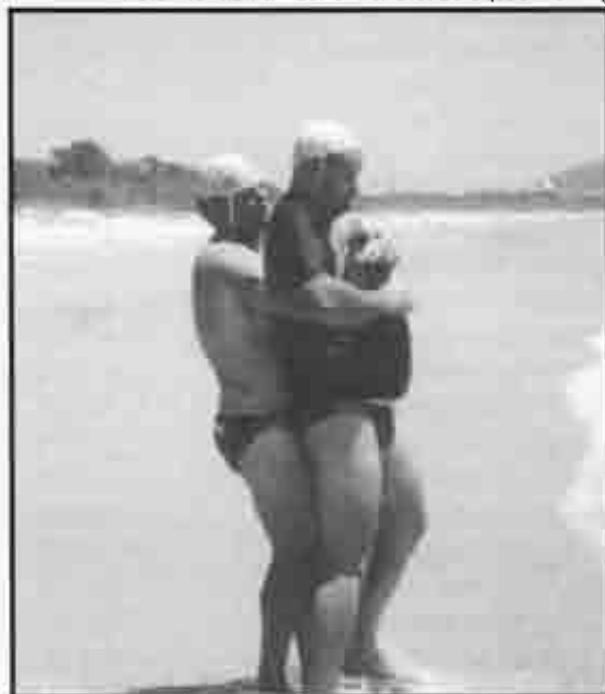

In all 18 members completed their First Aid Certificates this year. Four members gained their certificate at a course held at Marooch SISC and 14 gained their Award at the course held at our own Club. A big thank you to Jenny Kennedy for arranging the O&A course at Mudjimba.

Congratulations also go to Eijan Gardener on gaining his Training Officer's Certificate (Bronze Medalion) and Steve Smith on his IRS Examiners Certificate.

A special thank you to Bernice McLaren for arranging all the Form 14s and paperwork with the Sunshine Coast Branch so that our Club and members could benefit from these Awards and to Mark Windsor for attending the examinations.

First Aid Officer's Report

The first aid officer's report notes that the swimmer had a minor laceration and bruising on the right arm. The first aid officer noted a possible allergic reaction to the swimmer's goggles. The swimmer was given an antihistamine and a painkiller to relieve the allergic reaction.

The swimmer also noted the swimmer's difficulty in breathing during the swim. The swimmer was given an inhaler and a spacer. The swimmer was also given a painkiller and a spacer. The swimmer was also given a painkiller and a spacer. The swimmer was also given a painkiller and a spacer.

Dog's Day Afternoon

Once again Dogs Day turned out to be a lot of fun and, as usual, it rained. This didn't dampen the spirit of the Old Dogs who, once again, proved to be too strong for the Young Pups.

The Touch Footy game was very entertaining with the Old Dogs just scraping away with a win. The final score was 3-2 in favour of the Old Dogs.

The Softball game was as close as you can get, with the final score 17-16 in favour of the Old Dogs. It could have been a very different storyline had Jocelyn McCatum been available to pitch for the Young Pups. I am still a bit suspicious as to how Jocelyn managed to have two broken toes. Perhaps Mick Coleman can fill me in on the details!

The final event was the Boat Race and that certainly was no shortage of takers. The event got a bit out of control (as it does) and the result was perceived as a draw.

Many thanks to Richard Newton and the Commercial Hotel at Nambour for sponsoring the food and refreshments on the day.

Well done to the Old Dogs. We look forward to the next encounter where, hopefully, Mick Tudge can get a bit more support from the Young Pups.

Steven Smith
Referee

Below - Club Championships, Master's Sprint - Richard Newton (centre) comes home strongly but just not good enough (yet - watch out Mick!)
Below Right - Viv Oakes competing in Beach Flags at the Club Championships.

Radio Officer's Report

As foreshadowed in last year's report, this season we fitted out the Beach Tower with new Base Radio equipment thanks to a grant from the Clive Hammond Fund. We now have 2icom F2010 Base Sets, a 120 watt PA system and a custom built console that allows for such basic requirements as on-site battery charging and instantly available spare radios. Life has become a lot easier. Once again we had the generous services of **Ryan Gaylard of Mooloolaba Radio** who wired the new systems for us in his own time on a weekend.

It has also been the Year in which we went up in the World as the height of the tower was doubled to make the vandals' life more difficult and to obtain a much better view of the coastline at the Discovery Beach area. This has become a necessity as the number of accommodation units there is continuing to increase, also increasing the potential for tragedy to occur. The Maroochy Shire Council, whose lifeguard shares our facilities during holiday times, paid the frame costs while 3 of our members provided the workforce. Thanks to Phil Burke, Mick Teege and John Preiner.

The Great Uplift took place just before Christmas but while the legs grew longer, the ladder did not. The makeshift ladder, often in place prevented some of our less adventurous Radio Operators from making the climb. Patrol Members filled the shortfall on many occasions and did a great job for which I am very grateful. **Beavers Mobile Welding** did an excellent ladder extension job at a very reasonable costs and for some weeks we swayed about until Steve Smith bolted on additional bracing rods. Roll on the next cyclone.

Several new Radio Operators joined our ranks during the year and passed the Radio Operator's Certificate course with the Bronze Squads. We are very pleased to have their services. Everyone seems to be happy with the non-roster pick-your-own-shift system that is peculiar to our Club, therefore it will continue. Les Brownlie, who has the privilege of living nearest the tower, was once again a fine backstop when required.

Thank you to all the Radio Operators and Patrol Members for your help during the season. The beach cannot function properly without an efficient communications system. Thank you also to the Sunshine Command Team for your support and, in particular Leon Sharpe, for his generous assistance examining our squads and his kind and fair inspections during the year for the Jim Rodgers Memorial Trophy. As fate would have it, every inspection fell upon one of our new operators on the day and they did extremely well, either because they were fresh up-to-date with the knowledge or just very nervous about the job! Our results were always good which boosts my confidence no end.

Also thank you to my wife, Jen, for allowing me the time to participate in all of this excitement.

Rowan Stanley
Radio Officer

Michele Hopwood receives the Radio Operators Award 2007 from Radio Officer Rowan Stanley

Mudjimba SLSC Sponsors Challenge

Mudjimba SLSC held its 2nd Sponsors Challenge on a glorious Friday in November with a very successful result. In all there were 64 players comprising 16 teams who contested a 4-person Ambrose event. Players enjoyed great food, great prizes and plenty of ice cold adult refreshments. Many thanks to those companies who participated on the day:

Austral Plumbing Supplies
Bulk Granite Haulage
Covey & Associates
Crevet Pipelines
Iplex Pipelines
John Holland

Mudjimba SLSC President's Team
Nelson Sturgess Insurance
North Shore Realty
Peter McLaren Electrical
Reader + Clifford Surveyors
Rockets Cleaning Service
Rocla Pipeline Products
Sunbather Insulation & Solar
Tacoma Plumbing
Tyco Water

It was disappointing that only 6 members of the Club participated on the day. This is a major fund raising event for the Club and a great opportunity to meet the Sponsors who contribute so generously to our Club.

The team that won on the day were Tacoma Plumbing - Wayne Banfield, Bruce Sinclair, Grahame Warne and Greg Richards
Congratulations!

Thanks also go to our President, Steve Smith, who arranged 4 teams to compete, Tim Gail who procured many of the prizes given on the day, and to the team of helpers - Gloria Ellis, Rowan Stanley, Jan Stanley, Igor Vasiliyeff, Dave Johnston and Jane Langford.

The Sponsors Challenge will be held again next October and we will once again be looking for players, teams and assistance on the day. Hope to see you there.

Mick Coleman
Deputy President
Golf Day Co-Ordinator

Top - Denis Clifford accepts the prize for Reader + Clifford Surveyors while helpers Igor Vasiliyeff, Jan Stanley & Jane Langford enjoy a well-earned rest in the background.

Centre - The team from Austral Plumbing enjoy a drink with Terry Cook (second from left).

Bottom - The winning team from Tacoma Plumbing - Wayne Banfield, Bruce Sinclair, Grahame Warne & Greg Richards.

Cadet Officer's Report

The Mudgeba NSC 2001-2002 season started in a very positive way at Cadet and Junior level. We were able to retain all of our Cadets and Juniors with only one exception. The last Bronze Subject of the year increased the Cadet numbers by 4 and the Junior numbers by 7.

It is also very pleasing to see that many Awards have been received by our Juniors. The majority of Mudgeba Juniors have attained their Advanced Resuscitation Certificate. Leigh, Carmel and Alex are doing their IRE Diver's Certificate and Tegan has completed her Training Officer's Certificate. Carmel is also undertaking her Training Officer's Certificate. Congratulations you have all really put in this season.

And what can I say about the outstanding job the Cadets and Juniors have done with Water Safety for the Nippers this season. Thanks must go to Mitchell, Toby, Oliver, Jesse, Ianah, Nigel, Natalie, David, Luke, Alex, Tegan and Carmel. The Nippers thank you also.

Thanka killy was once again attended by the majority of our young ones. Time for drying your Cadets and Juniors resulted in a trip to Dreamworld and a good time was had by all who attended, including their escort, Dave. A sleepover at the Clubhouse in April was a great success and thanks again to the chaperones, Jenny Kennedy and Dave Jordanian. The girls don't stop being and a CDent gang by Dave's relay of the night secrets.

Junior Club Champions 2001 - Carmel Posar & Luke Stanley

This season sees the introduction of a trophy for the overall best Cadet of the Year. This season's recipient was very hard to pick as a number of Cadets worked hard in and off the beach and it was very close. However, the Club Champion was the winner for the recipient. Congratulations.

Flora and Carmel attended the Mudgeba Leadership Camp at Currumbin this season and by God's grace they had a great time. Mudgeba NSC needs to send more of our Juniors and Cadets to these camps as that is where excellent skills are taught.

Once again Mudgeba NSC would like to congratulate the Juniors and Cadets for their constant support in and off the beach. Your support has been excellent.

Michele Hopwood
Cadet Officer

Leanne Hines & Jessica Taylor at the Surf Rescue Carnival

Club Supervisor's Report

We have had 18 new and SLSUs coming out of our cars this season. Great to see and a lot of things to look forward to in the future.

The standard of the new car drivers has been very good and it is great to see that some of the young people who have taken on the responsibility of training new members. The instructor at the beach has been a great help and it was a pleasure to have a lot of people who have been able to successfully complete a course of rescue techniques and first aid courses.

It is equally important to acknowledge that the safety of our members is always our priority. We have had a lot of people who have been able to take the safety of our members seriously and it is a pleasure to see that.

We will continue to be involved with the local SLSU and after a major summer break, I look forward to seeing you all next season. Cheers.

Mark Windsor
Club Supervisor

Club Championships 2002

Left - Board Race - From left Mark Windsor, Elijah Gardner, Aaron Schultz, Kelley Smith

Team Manager's Report

Congratulations to all competitors this season. The first carnival was at Hervey Bay where our Masters had good results and enjoyed an early season hit-out.

The Marooch Masters is always an interesting carnival to compete in as it's a good indication of the competition to be encountered at ensuing events. Competitors enjoyed the Marooch SLSC hospitality and the competition.

Mudjimba SLSC hosted its first carnival in November. The U14-U19 Surf Rescue Carnival was a great success and we are hoping to host this carnival for many years to come. Our competitors Elijah Gardner, Carmel Pobar, Natalie Oakes, Ben Fesselet, Zoe Theodore, Jessica Taylor and Leanne Pines enjoyed the carnival and will hopefully compete next season.

The Sunshine Coast Branch Championships were a great success with a number of medals being secured by our competitors. Di Power, as usual, won a swag of medals. Darren Edwards won a medal and Vivon Oakes, in his first carnival, won a silver medal in the Tube Race.

What can you say about Di Power? A champion competitor. Di loves to compete and after the local carnivals went on to win Beach Flags at the Queensland Championships at Peregian Beach. She also secured 2nd in Beach Sprints. On then to the Australian Championships where Di achieved 2nd in Beach Sprint and 3rd in Beach Flags. Di works hard to achieve her goals and I congratulate her for a wonderful season.

I look forward to next season and encourage every member to become involved in Surf Sports. I hope to continue as Team Manager next season, so please don't hesitate to contact me if you wish to compete for Mudjimba. It is truly fantastic to see our caps on the beach and hear our Club's name called over the PA.

Club Championships

We had a good attendance at the Club Championships this season. All events were contested and a good time was had by all.

Results were:

Masters Champions

Mick Coleman & Andrea Fesselet

Open Champions

Mark Windsor & Cheree Ward

Junior Champions

Elijah Gardner & Carmel Pobar

The competition was fierce especially in the Masters events. Richard Newton surprised us all. He was up there with the frontrunners. Perhaps if he had a bit more luck, the trophy would have been his. Tony McDermott, Darren Edwards and Viv Oakes all competed well. Mick Coleman may have to do some additional training next season to retain his Masters title.

The Masters ladies was hotly contested with Andrea Fesselet winning on the day. Di Power was hot on her heels in every event however Andrea had been in training for the Club Championships and it showed on the day.

Congratulations to all Members who participated on the day.

Steven Smith
Team Manager

Di Power receives her Bronze Medal at the Australian Masters Championships.

Junior Activities Report

The Mudjimba Nippers have arrived. About 80 jade, blue and white caps running around Mudjimba Beach on a Sunday Morning has been a welcome sight to all members, many of who have been involved with the Club since its formation 6 years ago. None more proud than our President, Steve Smith.

Back in July 2001, a small group of excited, motivated and, some would say, crazy people took up the reins of organising the Nippers for Mudjimba.

Roll call looks something like this.

Greg Carson - Head Coach & Activities Coordinator

Graham Matthews - Coach

David Girvan - Coach

Sandy Glass - U8 Age Manager

Di & Pascal Pons - U9 Age Manager

Maureen Webb - U10 Age Manager

Toni Young - U11 Age Manager

Ken & Kathy Kiernan - U12 Age Manager

Paul Offner - U13 & U14 Age Manager

Thank you one and all for your efforts, perseverance and understanding throughout the season.

Bernie McLaren, our Registrar, put in numerous hours in front of the computer and collating the never-ending paperwork with consummate ease. Ros Hines, our Secretary, attended every meeting and took minutes (managing to leave out most of the four letter words), organised correspondence and generally kept us all in check. Dave Johnston, the Chief Training Officer, somehow managed to train 10 Nippers for their Resuscitation Certificate and together with Steven Smith, conducted 3 Bronze Squads, 2 ARC courses and an IRB course. An outstanding feat and many, many thanks must go his way.

A standing ovation to Kate Smith, our Fundraising Coordinator. Kate organised catering for the weekly barbeques and after

significant prize-gathering by everyone, and in particular the Current family, organised our major raffle. Kate and her husband, Viv, sold Goose Club tickers fortnightly, arranged photographs for the kids and then collected the money from all families. As everyone knows, fundraising is such an important part and Kate has set the bar at a very high level. Thank you Kate. Fantastic job, well done!

Well, what a season! After 'budgeting' for 50 or so kids we, at one stage, had 90 kids on the beach. More thanks must go to all the Water Safety that helped out - in particular Mitchell Carson, Jessica Taylor and Leanne Hines who were on the beach every Sunday, rain, hail or shine. The Active Seniors also went above and beyond the call, doing both normal patrols and water safety. Thank you all, because without you guys, the kids can't get wet.

A special mention must be made of all the parents who helped out over the season - Steve Hatton, Rob Charleton and Irm Galland, well, everyone.

Greg Vernon-Livingstone and Gary Fraser from the Sunshine Coast Branch were very supportive and always found time to talk on the numerous occasions I contacted them.

A huge thank you to all the Clubs who donated gear. It was great to see a genuine interest in the progress of our new venture and all Clubs were very supportive.

The kids had a ball. Watching them grow in confidence in the water and on the beach was fantastic. The grim determination to make it through the break and out to the cars was truly inspiring considering most kids had never been involved in Nippers before.

Our inaugural season culminated at the Sunshine Coast Branch Championships where in our first season we won our first Branch medal - a silver in the U9 Beach Relay. What a proud moment. We also achieved numerous top ten

Junior Activities Report

finish which was a fantastic effort for our first year. We had 3 Wippers qualify for the Queensland Surf Life Saving Championships. Back Hutton, Steve Chasey and Emily. Offer Congratulations to all!

The season has come to a close now and the lessons learnt will only serve us well in our endeavours next season.

Finally on behalf of the Junior Activities Committee I'd like to thank the Management Committee for its continual support. Thank you to the Wippers for the way they conducted themselves. Their behaviour has been outstanding. And thanks to the parents. It was your involvement that made the season such a success.

The involvement of parents within the Club is essential to our ongoing growth, development and ultimate success and I encourage all of you to take that extra step and become involved in your Club.
