Communications Officer	John Prenner
Craft Officer	John Prenner
Gear & Equipment Officer	Matt Todd
Clubhouse Director	Les Brownlie
Surf Sports Officer	Carol Flavell
Youth Development Officer	Kim Hatton
Marine Stinger Officer	Jenny Young
Honorary Solicitor	Ian Windsor
Patron	Fiona Simpson, MLA

A HISTORY OF MUDJIMBA SLSC

1996 - 2006

It was recognised for a long time within the Sunshine Coast Branch that Mudjimba Beach needed to be patrolled regularly, due to increasing popularity of the Mudjimba area. Marcoola SLSC members regularly did mobile patrols to Mudjimba beach and noticed and documented that on most occasions there were more people at Mudjimba beach than at the patrolled area at Marcoola Beach. A public meeting was held at Power Park on 10 July 1994 to gauge interest in forming a Surf Club at Mudjimba Beach. It was on that fateful day in 1994 that a group of people discussed the possibility of creating a Surf Life Saving Club at Mudjimba and agreed to hold another meeting and form a steering Committee for the Mudjimba Surf Rescue Service.

Marlene Kear, Sid Hillier, Jane Langford, Steve Smith, Tracey Roughsedge, Jenny Wares Cr, Tom Hullet and Alan Davidson held regular meetings and organised fundraising activities to acquire funds for the purchase of the equipment required to form Mudjimba SLSC. It was necessary for Mudjimba Rescue Service to have the essential equipment in place before being granted affiliation to the Sunshine Coast Branch which would then allow us to patrol Mudjimba Beach. The steering committee meeting minutes were sent to the Sunshine Coast Branch who monitored the steering committee's progress and offered assistance and advice whenever needed. The Branch President, Ron Thomas and the Branch Secretary, Ken O'Connell were very enthusiastic and helpful with the progress.

Fundraising activities included the usual raffles. Kay Greer organised a fun day in Power Park where people from different organisations competed in various activities. A Cent Auction was held at Marcoola Surf Club, where Benny Pike volunteered to compare the night. The support and assistance from other Surf Clubs should never be forgotten as donations of equipment came from everywhere. Coolum SLSC donated a fully operational IRB and Marcoola sold us a spare motor at a very reasonable price. These two motors got us through the first season and if you ask some of the older IRB Drivers about the performance of the Yamaha and the Johnson motor, they will have a few good stories to tell. Rescue Boards were donated from Marcoola, Noosa, Mooloolaba and Dicky Beach (then North Caloundra) Clubs and other Clubs donated other equipment and offered assistance whenever needed.

Whilst all of this fundraising activity was taking place, training active members to patrol Mudjimba Beach was being undertaken at Marcoola SLSC. The difficult task of finding members was achieved by sending a flyer to every house in Mudjimba, Pacific Paradise and Bli Bli and we thank The Ink Spot printers for printing the flyers for free. Mick Coleman, Dave Johnston, Laurie Sartori, Beau Dapra, Ben Hore and Danny McGregor were trained by Ivan Maltman and Steve Smith at Marcoola SLSC and patrolled at Marcoola Beach after gaining the Bronze Medallion. A second Bronze Squad was trained at Marcoola for

**SOME OF THE FIRST
PATROLS AT MUDJIMBA
1996**

**Ian Windsor, Jacinta Connor,
George Moss and Mick
Coleman**

Nick and Debbie Orman, Guy Tanner

Steven Smith, Ben Hore and Belinda Hughes

**Dave Johnston, Danny McGregor,
Mark Windsor, Col Bowman, Mick
Coleman, Guy Tanner and Steven
Smith**

Mudjimba and the members of that Squad included Guy Tanner, Greg Carson, Mark Stanley, Jacinta Connor, Ian Windsor, Sally Mitchell, Col Bowman, Jason Trillo, Annette Lowe, Jennifer Lowe, Debbie and Nick Orman and Simon Nadurak.

An important part of forming Mudjimba Surf Life Saving Club was the Administration. A Constitution and By-Laws had to be adopted, bank accounts, audited reports, club emblem and colours. The Club emblem, the Osprey, was decided upon because of the presence of the bird in the sand dunes at Mudjimba. Osprey would be seen regularly hovering over the water at Mudjimba looking for it's dinner and quite often, when beach fishermen were not looking, the Osprey would steal bait or fish right out of the fisherman's creel. Mudjimba SLSC's colours Navy Blue, Teal and White were decided upon because it represented the Mudjimba, Pacific Paradise area. Pacific Paradise School's colour is Teal and Navy Blue. North Shore Soccer Club's colours are Navy Blue and White and the North Shore Jets AFL Club were Navy Blue and White.

The fundraising activities and donations enabled us to acquire all the required equipment and we had enough members trained to patrol Mudjimba Beach and in 1996 Mudjimba Surf Rescue Service was granted affiliation to the Sunshine Coast Branch and then became Mudjimba Surf Life Saving Club. We were ready to go!!!!!!

The Surf Club facility that we enjoy today was only a pipe dream in the early days of Mudjimba SLSC. All the equipment that we had gathered to form the Club had to be stored somewhere. IRB, Surf Truck, Rescue Boards, Rescue Tubes, Stretchers, Oxy-Vivas were stored at members houses at Mudjimba and Pacific Paradise until a kind man, Les Molle, allowed us to use his single garage to store all the equipment in. The single garage was on the corner of Mudjimba Beach Road and Kawanna Street, where now stands the Vu D'ile Apartments. Mudjimba SLSC had a base to work from, however, a single garage was not big enough to store all of our equipment so the truck went to someone's house and the IRB went somewhere else and had to be gathered together for patrol every patrol morning and put away at the end of the day.

We had the manpower and we had the equipment, however, it was realised on the Monday before the first Saturday that we were supposed to patrol, HOW DO WE GET THE EQUIPMENT ON TO THE BEACH!!!!!!!!!! A quick phone call to Division 4 Councillor Tom Hullet to tell him of our dilemma and Tom had it sorted within a day or two and that is how we have the track to the beach today.

It was a very proud day for all Club members on Saturday 21 September 1996 when Mark Windsor, Jason Trillo and Beau Dapra put the flags up on Mudjimba Beach for the first time. Two years of hard work and dedication had paid off and the community of Mudjimba and surrounding areas would get a dedicated group of people to provide a service that been needed for a number of years. A group of nineteen active members of Mudjimba SLSC working for the Community. It was difficult in the first season with only four patrol teams which meant members were on patrol every weekend until more members could be trained. It

was a relief when the new members were trained as it allowed for two more patrol teams and patrols were two weekends in a row, then a weekend off. It

was common for all members to do well over 100 hours patrol for the season with some members patrolling for over 200 hours.

Training members to achieve the required Awards to Patrol was constant, with many Awards being trained at the same time. It was not a matter of "perhaps doing another Award one day", it was vital that all Active members had multiple Awards. To allow the Club to progress it was also vital for the Club to have Training Officers and Examiners within the Club and it was not a matter of "perhaps doing it one day," members put in the hours and became Training Officers and Examiners in multiple Awards.

A Clubhouse was always on the agenda and with our limited income it seemed that it would be a long time before this would happen. Many meetings were held with Maroochy Shire Council, the Beach Protection Authority and Department of Natural Resources with many various building designs and locations submitted. It was a very frustrating time for the Committee members of Mudjimba SLSC because there always seemed to be a problem or delay in what we were trying to achieve. In the end, the design, location and layout of the Clubhouse was decided upon by the three Authorities that we had to deal with. The original plans for the Clubhouse had the building twice the size that we have ended up with and located much closer to the beach. In 1998 there was enough money saved to start construction, and the slab was poured.

Also in 1998 Club members banded together and built the Beach Tower. The previous Radio Room consisted of a card table and an umbrella. Gone are the days when it was cold, wet and miserable when three or four Club members would huddle together in the front of the Surf Truck to escape the inclement weather. There was a lot of Clubbie bonding on those days and it was easy to recognise who had forgotten the deodorant!!!! The Beach Tower was a Godsend on bad weather days.

In September 1999 construction commenced on the Clubhouse. Surf Life Saving Queensland assisted financially, with Mudjimba SLSC borrowing \$45,000 to complete the project. P J Burns were contracted to build the Clubhouse shell, with Club members and other contractors doing the fit out. In December 1999 the Clubhouse was finished and finally there was a place to store all of our equipment together and to do training. The Administration Office was also very essential, with all the office equipment stored in the one place. The final mortgage payment was paid in December 2003 through hard work and dedication from Club members. There were some hard financial times during those three years of paying a mortgage but the sacrifices made in those times have benefited the Club greatly as now we are debt free.

Mudjimba Nippers commenced in October 2001 and it made Mudjimba SLSC complete. Hard work was done by the Junior Activities Committee to achieve

the end result and it has been a great asset for the Club. Many Nipper parents have contributed to the success of Nippers and have assisted the Club by become Patrolling members. We can look forward in the future years to many of the Nippers becoming Patrolling members.

It has been a long journey from that day in 1994 at Power Park where discussions took place about the possibility of having a Surf Club at Mudjimba

Beach. Twelve years of planning and ten years of Patrols, Mudjimba SLSC has come of age and every person who has had any type of input into the Club can hold their head high and know that they were a part of a very successful Surf Club. The struggle to get where we are now was all worthwhile. There will be challenges in the future for the Club which will be overcome by the dedicated members of the Club. It would be impossible to mention all the people who contributed to the success of Mudjimba SLSC as it would take up most of this Annual Report, we only hope that it is suffice to say thank you. You know who you are, thank you.

Getting ready for the first patrol at our "Clubhouse" (Old garage on cnr Kawanna St and Mudjimba Beach Rd)

First Patrol at Mudjimba

PRESIDENT'S REPORT

The curtain has come down on our 10th season, what a fantastic achievement for the Mudjimba Surf Life Saving Club and its supporters. To be part of these 10 years and to see the club grow to what it is today makes me very proud of all our members.

From the humble beginnings in a borrowed single garage, one street back, to a club of more than 170 nippers, patrolling members and supporters, is a fantastic effort. The club has the best rescue gear available, the latest training equipment and a dedicated team of lifesavers. With the 2006/2007 season being recognised and promoted nationally as "the year of the lifesaver", we should be well set to take advantage of the recruitment and interest this should generate.

Life Membership

Mudjimba SLSC would not have been where it is today without the hard work of all concerned. Steve Smith along with his partner Jane put an extraordinary amount of work into firstly starting up our surf club, then ensuring its growth and high standard in lifesaving. Steve was not only President for 8 years, but also held the position of Patrol Captain (which he maintains today), Trainer and Examiner (still holds) and District Supervisor (still holds). I am pleased to announce that Steve will be our club's first life member.

Nippers

I was very happy to attend the nipper break up held at the Surf Air Resort a couple months ago. The combination of the AGM and break up worked well, with a huge roll up. The most pleasing aspect was to see the enthusiasm of all the parents, which lead to all the positions on the Junior Activities Committee being filled, including all age manager positions. Maroochydore RSL has been proud sponsors of our nippers for the last 2 years and look set to carry this on next year. They are amazed that so much is achieved by our club, without the presence of a supporters club.

It is critical that the cadets who are starting to appear on our patrols keep their enthusiasm up and start having direct input into the running of their club. To help achieve this, I will be encouraging one of our cadets to have a position on the management committee.

Sponsorship

Our club survives on the generosity of the local community and local businesses. Without these great businesses or individuals we simply could not exist. I extend my greatest appreciation to the following organisations for their very generous support.

Lend Lease
Kirk Foundation
Maroochydore RSL

Westpac Bank
Maroochy and North
Shore Lions Clubs

Mudjimba News
Mudjimba RSL
Scubar

There are also many individuals within the club who donate their skills and time for the benefit of the club, thanks all.

Outgoing Heroes

A special thanks to Matt Todd and Jenny Young who are hanging up their boots for the season. Matt has been Club Captain for the last 3 years and has set a fine example, with his enthusiasm and skill as a lifesaver. Matt will continue on as a Patrol Captain and thankfully will not be lost from the organisation.

Jenny Young came into the secretary position 2 years ago not knowing exactly what she was getting herself into. It did not take long for her to figure out what was involved. Many a long day and night was spent in the club house, mostly only with the company of Millie. All the committee appreciate the effort Jenny has put in and as if this was not enough, she also took on the role as First Aid Officer and patrol duties. Jenny, thanks a lot for your effort and again I am pleased to say Jenny will continue in her role as First Aid Officer as well as being an important patrol member on my patrol.

The Future

I believe Mudjimba SLSC has a special place in the local community. We are unique in the fact we have no supporters club to help fund our operations, however through the generosity of the community we are able to provide a great base for our nippers to learn surf safety and provide good quality patrols. Most, if not all, our patrolling members have come to our surf club with a sense of community and the great Australian way of "volunteering". Our greatest challenge is to attract more members to our club to boost our patrols. Our aim is to increase patrols from 8 to 10 next season. We need to ride on the promotion of the "year of the lifesaver" and "25 years of women in lifesaving" to achieve this.

With the help of surf lifesaving identity Paul Smith, we implemented a 3 to 5 year business plan. One of Paul and Jenny's recommendations was to employ, if possible an administrator. The work load on our secretary was huge and we needed to provide some business hours. I am happy to say Bronwyn has started in this role and is a god send.

Regards
Guy Tanner
President

Are you sure that swim was 200 metres?

SECRETARY'S REPORT

I can't believe another year has passed and I've held the position of secretary for two years. Unfortunately, due to increased working hours, I've decided not to re-nominate for secretary next season. I've learnt so much during the last couple of years, had lots of fun times, a few frustrating times and met so many nice people.

This season did not seem quite as hectic as my first year in office. Maybe because I had a bit more of an idea about what I was doing and was more familiar with the role. However the number of e-mails and amount of paperwork generated didn't decrease.

In March this year we took the step of employing a part-time Administrator - Bronwyn Gilchrist. Bronwyn brings with her a great knowledge with an extensive history of Surf Club administration as well as her present position with Sunshine Coast Branch.

The appointment is for up to ten hours per week. Apart from taking a huge load from the Secretary, Bronwyn will be available at regular times to take care of Club business.

Mudjimba Surf Life Saving Club remains a club that all members, as well as the community at large are extremely proud of. Our presence in the community is more obvious than ever. As well as our regular beach patrols we have worked along side other community groups like the North Shore Lions and Mudjimba RSL Clubs, at various functions throughout the district.

It has been a pleasure for me to work with some many dedicated people, all with the welfare of the club at heart. Special thanks to Guy Tanner for his continued support, and Kathy Prenner and Toni Young for their willing and never ending assistance.

I look forward to many years of continued association with Mudjimba Surf Life Saving Club.

Jenny Young
Secretary

TREASURER'S REPORT

This year is my second as Treasurer and I must say the year appeared to be easier than the first and I thought the season went by pretty quickly. Obviously the first year was a huge learning curve as well as a bit of an 'eye-opener' in what is involved in keeping the club going.

A big thank you to all those on the management committee and other members who dedicate an enormous amount of time and energy to ensure the club operates smoothly. All this on top of patrolling every fortnight!!

We had a good season for the club financially this year, with many thanks to our sponsors and supporters, including The Kirk Foundation, Lend Lease, Mudjimba RSL, Maroochydore RSL, Westpac, Scubar, Maroochy North Shore Lions and Mudjimba Progress Association. We have been able to purchase much needed equipment necessary for patrols and training. Again, thank you for your generous support.

I would also like to thank the businesses in our community who donate prizes for the nipper raffles. The weekly nipper raffles and bbq's really support the club by generating a regular cash flow. Thank you to all those parents and members who support this.

Thank you to Steve Smith for co-ordinating the Annual Doorknock. This is an easy way for the club to gain much needed funds. A big thank you to all those who participated this season.

We also benefited again this year from the Channel Nine telethon fundraiser for Surf Life Saving and received equipment which included a Yamaha Motor and soft pack. The Carson and Spring families attended Albion Park Races for a Surf Life Saving fundraiser, where they won a nipper board as well \$250 cash. Thank you to John & Susan Hetherington for donating their services in printing up the invitations and annual report. All these things go a long way in helping the club.

All financial details are included in this Annual Report. The detailed report has been audited by Archer Gowland.

Toni Young

Treasurer

CLUB CAPTAIN'S REPORT

Once again another long season has come to an end. I have been very impressed with all of our patrolling members once again this season. Your dedication and proficiency is much respected by SLSQ and the public that use Mudjimba Beach.

I was talking to club captains from some larger Gold Coast clubs in Geelong about patrol sizes and hours spent patrolling. They were saying that their competitors had to do more patrols than the members just to get their hours to compete. When I told them of what you people do they could not believe that we had such a small amount of people doing such a large amount of work. It made me very proud of you all.

I will not be nominating for Club Captain next season as I no longer have the time that I feel is necessary to do the job properly.

The last three years as club captain has been very enjoyable for me. Thanks to the people that I have had around me, if not for them our patrols would not be what they are.

See you all on the beach.

Matt Todd
Club Captain

No Matt, you really need to start at the top of the page!

CHIEF TRAINING OFFICER'S REPORT

Training

Training over the past season has been consistent with the Clubs requirements, however, we still require many more Training Officers in all areas especially Senior First Aid.

Surf Life Saving, at Branch level, has expressed major concerns regarding a general shortage of Training Officers (TO) throughout the Branch and have addressed this by making the TO course much more user friendly, it's a great time to become a TO, come on have a go.

Our biggest disappointment has been our drop out rate of members who attained the Bronze Medallion either last season or this season. I haven't completed an accurate calculation on this figure but I'm sure it would rate around 30% of those students.

This crisis should not remain a debating point just for the management committee, all members should be equally concerned and are encouraged to relay any ideas or suggestions that may help remedy this situation.

Bronze Training

On a brighter note, some very skilled and experienced senior members have expressed interest in becoming Training Officers. Ben Hore and Luke Flavell will be conducting a Bronze Course in August. This will be a great course offering a combination of well-grounded experience, youthful enthusiasm and sound knowledge base training. This course still has vacancies so anybody still thinking about doing their Bronze, contact me for the experience of a lifetime!

All Terrain Vehicle (ATV) Training

At the beginning of this season I was informed that all members who operate the ATV must complete an induction course. I continually put it on the back burner with the excuse that there were bigger fish to fry. Now, however, it has come back to bite me on the bum, so before next season, all members who operate the ATV must have completed the induction course.

Carol Flavell and myself are qualified to conduct these inductions we therefore will ensure we manage sufficient training sessions during the off-season at Sunday morning training. It is hoped that all Patrol Captains will become facilitators in this induction prior to the commencement of the new season and therefore train any new members in this required discipline.

SURF RESCUE CERTIFICATE (SRC) MEMBERS

Over this past season I have had the pleasure of having several young SRC members join my patrol.

These young members have not only been punctual and enthusiastic, they have become an excellent asset to our patrol. They are always eager to assist in all chores and lend support wherever it has been required. They all have developed excellent surf skills to the extent that I have to stand back in awe and scratch my head.

Thank you Lee Sheavils, Matt Drinkwater and Troy Burton for reminding us oldies that we are allowed to have fun on Patrol and thanks to James Crockatt for your undying thirst for knowledge and keeping us all on our toes with your relevant and probing questions.

Judging by the attitudes and skills you all display, I am assured that our club will be left in good hands, well done to each of you.

TRAINING OFFICERS AND MANAGEMENT COMMITTEE

I wish to take this opportunity to thank all members of the Management Committee for their support and hard work throughout the Season. It's a hard slog without any accolades but you do it for the love of the Club and the Surf Life Saving Movement.

To all TO's and members who assisted with all forms of training over the season, thanks heaps for the great results. Hopefully we will be able to spread the workload a little more next season.

Have a great off-season, keep keen, I'll see you on the beach.

Peter Gehle
Chief Training Officer

JUNIOR ACTIVITIES CHAIRPERSON'S REPORT

This season saw a few less nippers sign on but I have to say that the numbers that we had were more manageable and the majority of the nippers were very enthusiastic and looked forward to being on the beach each Sunday. I feel the drop off we experience after the Christmas break each year is probably more to do with the parents not wanting to be involved because nippers does require a great deal of parent participation and this will not change in the future. I have tried to make it very clear to parents before and at sign on, of the level of commitment not only by the nippers but the parents so that when the season starts everyone is well prepared.

Attendance at carnivals has seen fewer competitors than in years past, but the nippers that attend are keen and have done well against extremely competitive Clubs in our branch.

The JAC has been well supported by the Senior Club on the beach each Sunday and financially with no reasonable request for financial support refused. Although I must remember to observe club protocol and get an order from the treasurer BEFORE ordering new equipment! While on the subject of finance, I must thank the sponsors of our Sunday raffle, Rocco's Italian, Mark and Jenny at Mudjimba News, Loretta's Hair at Home, Pacific Paradise Fruit Barn, Shiome Fisheries, North Shore Quality Meats and Peter McLaren for running the raffle. The weekly raffle has raised substantial and much needed funds for the Club thanks to these generous sponsors and of course the parents and members who buy the tickets.

I must make special mention of some of the JAC Committee that have put in an extraordinary amount of time at various tasks: Kaitlyn Akers (treasurer), Maree Cross (registrar), Sue Geraghty (carnivals), Gary Glass (carnivals), Greg Carson (parent and doer of every thing), and Kerry McCaw and her Mum (barbeque co-ordinators, slaves).

We have also been fortunate to receive substantial support from Surfair who run a raffle for us each week, providing the prizes and ticket sellers, and Maroochydore RSL who for the second year have donated \$5000 to the Mudjimba nippers.

This year we have had a great number of nippers and parents sign on for the first time and it is pleasing to see how they have become involved with the Club. I hope they will continue to be involved with the Club and nippers as the nippers and parents are the future senior members of our Club that will support not only our Club but Surf Life Saving and their goals while providing a much needed volunteer service to the community and the Australian way of life on the beach.

Shawn Leigh
Junior Activities Chairperson

FROM THE NIPPERS

Is this an angelic smile or what!

Waiting for the Waves

We're sure the boards go this way up.

Last one to the Island is a rotten egg!

Which way is the beach?

Kerry McCaw – our hardworking bbq co-ordinator

Champions Tom Geraghty and Grace Carson being presented with their trophies by Bruce Broadfoot from Maroochy RSL>

TEAM MANAGER'S REPORT

Only a few members competed for the Club this season.

Michael Spring, Julia Spring and Kaitlyn Akers competed at Marcoola Masters and at Alexandra Headland Masters with good results. It is hoped that next year, more members will become interested in representing the Club at Carnivals.

Thanks to Sarah Windsor for representing Mudjimba SLSC. Sarah is always very busy with competition commitments but she always takes time out to help all other Club members. Sarah is moving on to other things and we thank her for her input at Mudjimba SLSC.

Steven Smith
Team Manager

Have we got time for
a cuppa?

Oh, what a feeling!

SURF SPORTS OFFICER'S REPORT

Happy anniversary Mudjimba, here's to the next ten years!

A big thanks to everyone from nippers through to masters, who represented our club this year in surf sports. For a small club we made an effort and had some great results. Considering we have no professional coaches, and little funding for competition equipment, I think we excel. Basically at Mudjimba you are left to your own training procedures, fingers crossed and a whole lot of competitive spirit (and a little genetics in their to help!) So well done all! Also thanks to Steve Smith, Gary Glass and Sue Geraghty. New and stricter regulations at carnivals have made the team manager's role more time consuming and complicated I feel. It is a credit to these three people that they took on roles and did a great job.

Mudjimba didn't host any carnivals this year, due to a combination of lack of competitor interest and, in the case of the surfing competition, lack of surf!

I think the highlight of my year as surf sports officer was to see the fantastic turn out for Club Championships and Dogs Day. In my 4 years at the Club I have never seen so many members slogging it out and having fun. In hindsight perhaps we should have added a "bare your buns" contest? We all know who would have won it!

I wish everyone a safe and happy off season. Hopefully we will meet up at Sunday morning training again this winter. I promise not to beat up any rescue Boards this year!!

Carol Flavell
Surf Sports Officer

On your mark.....

CLUB CHAMPIONSHIPS

2005/06

The Club Championships were held in perfect conditions on Easter Saturday 15 April 2006. There were a small number of competitors, but it is always good fun and competitive.

Results as follow:

Junior Female	Sarah McLaren
Junior Male	Nathan Spring
Senior Female	Sarah Windsor
Senior Male	James Hohenhaus
Masters Female	Kim Hatton
Masters Male	Mick Coleman

The competition was of a high standard and some very close finishes were recorded. It was imperative to compete in all events to gain enough points to be Club Champion.

Congratulations to all members who competed on the day and thanks to Carol Flavell for her assistance.

It is difficult to arrange Club Championship days on a day that suits everyone. Please advise the Club Captain of your thoughts on when this day should be held in future.

Steven Smith

And the winner is Sarah!!!

Sarah McLaren and Sarah Windsor

Do you really think belly button lint will slow us down?

No! Grabbing his leg doesn't count!

And the winner of the eat sand comp is???

Sure, I can do another swim!

Catch me if you can!

DOG'S DAY 2006

Another Old Dogs victory, however, the Young Pups gave the Old Dogs a scare again.

The touch footy was a resounding win for the Old Dogs 5-3. Experience and tenacity showed, even when the Young Pups had a ring-in late in the game. The game was played in good spirits and enjoyed by all.

The Softball game was a boilover for the Young Pups, winning 10-0. The thoughts were it should have warranted a "pants job" but sanity prevailed as no one wanted to be subjected to a bunch of Old Dogs with bare backsides.

Again it came down to the Boat Race, where once again the experience of the Old Dogs was shown and the Young Pups lost 3-0.

A very enjoyable day was had by all, with perfect weather, good food and cold beer. This day is a tradition within the Club, which started in our first season, 1996-1997. The tradition will go on and the Young Pups should be encouraged to strive to knock off the Old Dogsjust once.

Thanks to all who assisted on a big day for the Club. Choosing a day to have Dogs Day that suits Club members is always difficult, please advise the Club Captain of your thoughts.

Steven Smith

MUDJIMBA SURF LIFE SAVING CLUB INC
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL, 2006

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Queensland Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Queensland Associations Incorporation Act 1981 and the following Australian Accounting Standards:

AAS 5: Materiality

AAS 8: Events Occurring after Balance Date

AAS 17: Accounting For Leases

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Club is exempt from Income Tax in accordance with Section 50 - 45 of the Income Tax Assessment Act 1997

(b) Property, Plant & Equipment

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

) Inventories

Inventories are measured at cost. Costs are assigned on a first-in, first-out basis.

INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB INC.

Scope

We have audited the financial report, being a special purpose financial report, of Mudjimba Surf Lifesaving Club Inc. for the year ended 30 April 2006 as set out on the preceding pages. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of Mudjimba Surf Lifesaving Club Inc. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial statements have been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act (Queensland). We disclaim any assumption of responsibility for any reliance on this report or on the financial statements to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respect, the financial statements are presented fairly in accordance with the accounting policies described in Note 1 to the financial report so as to present a view which is consistent of our understanding of the Club's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Extent of Audit

Based on the records kept and the nature of the income, we cannot certify that all of the Club's income has been deposited for the credit of the Club, however we have no reason to believe otherwise.

Audit Opinion

In our opinion, the financial statements present fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Mudjimba Surf Lifesaving Club Inc. as at 30 April, 2006 and the results of its operations for the year then ended.

STEPHEN SHIRLEY

Dated this 9th Day of June 2006

MUDJIMBA SURF LIFE SAVING CLUB
STATEMENT BY MEMBERS OF THE COMMITTEE
FOR THE YEAR ENDED 30 APRIL 2006

The committee have determined that the association is not a reporting entity.

The committee have determined that this special purpose financial report should be prepared in accordance with the accounting policies as outlined in Note 1 to the Accounts.

In the opinion of the committee the financial statements;

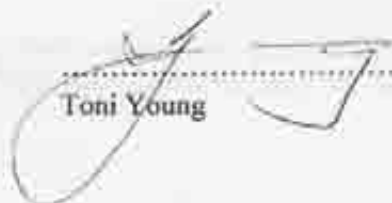

1. present fairly the financial position of Mudjimba Surf Life Saving Club Inc. as at 30 April 2006 and the results of the association for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Mudjimba Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:

.....
Guy Tanner

Treasurer:

.....
Toni Young
