

Mudjimba Surf Life Saving Club

Annual Report XIII
2008/2009

Notice of Annual General Meeting

Notice is hereby given of the 13th Annual General Meeting of the Mudjimba Surf Life Saving Club to be held at the Clubhouse at 10.30am, 13 June 2009.

Office Bearers for the 2008-2009 Season

President	Carol Flavell, Guy Tanner (acting)
Deputy President	Guy Tanner
Secretary	Cath Blanchard
Treasurer	Nicky Livingstone
Club Captain	Kaitlyn Akers
Club Supervisor / Chief Training Officer	Guy Tanner
Junior Activities President	David Latus
Secretary JAC	Carol Dorge
Surf Sports Officer / Team Manager	Steve Smith
IRB Captain	Don Parry
First Aid Officer / Marine Stinger Officer	Jennifer Young, Barb Leigh, Amanda Candy
Senior Registrar	Maree Cross
Junior Registrar	Fay Tanner
Communications Officer	Graham Milliken
Club Patron	Fiona Simpson
Youth Development Officer	Sandy Glass
Clubhouse Director	Peter Harvey

PO Box 9015, Pacific Paradise Qld 4564
Tel: 07 5448 7080 / Fax: 07 5448 7035 / E-mail: mudjimbasurf@bigpond.com

QUEENSLAND
Associations Incorporation Act 1981
Section 17

Form 15

Incorporation Number: IA17497

Certificate of Incorporation

This is to certify that

MUDJIMBA SURF LIFESAVING CLUB INC.

is, on and from the twenty-seventh day of November 1996
incorporated under the Associations Incorporation Act 1981.

Dated this twenty-seventh day of November 1996

Delegate of Director-General

QUEENSLAND
GOVERNMENT

CERTIFICATE

VER02 3/96

Mission

“Zero preventable drownings at Mudjimba Beach”

Statement of Values

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team and internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- Respect the rights, dignity and worth of others.
- Be fair, equitable, considerate and honest in all dealings with others.
- Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- Be professional in, and accept responsibility for actions.
- Make a commitment to providing quality service.
- Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- Refrain from anything which may abuse, intimidate or harass others.
- Preserve and protect the standing and reputation of the Association.
- Understand the consequences of any breach of SLSA's Member Protection Policy or Code of Conduct.

President's Report

Congratulations to the men and women of Mudjimba SLSC for yet another great year. Zero drownings between the flags, zero drowning on the Sunshine Coast. 2008/09 saw floods, terrible bush fires and oil spilled onto our beautiful beach. Our members stood tall and helped many less fortunate than themselves. I am extremely proud of our Mudjimba mob.

Club President Guy Tanner (Acting)

Nippers

Thanks to all the hard work done by the Nipper committee and helpers. David Latus has been outstanding, leading this great group of people. All positions for next season have been filled and all are very enthusiastic about next season. Money raised by our junior committee exceeded \$4,000 which the whole club are grateful for.

Senior club

Our numbers continue to grow as more people find lifesaving to be a great healthy way to volunteer their time. Kaitlyn our Club Captain has done a fantastic job in getting our standard up to the 3rd best club in the Branch. Kaitlyn has lead our team to a new level of professionalism, leading by example. She steps down from the Club Captain position after two very successful years, which saw her take out the Branch title of "Keenest Club Captain". Kaitlyn will not be lost to the club, instead will bring her leadership and business skills to the Deputy President's role.

Many thanks to our Management committee, Cath Blanchard, Peter Harvey, Steve Smith, Maree Cross, David Latus and a special thanks to our junior and senior Treasurer Nicky Livingstone. These folk put in a huge amount of work to help make our club what it is today. Thanks also to Kamen Burns for bringing our annual report together.

Sponsors

Without these very generous people and businesses we would not be able to achieve the level of response and professionalism that we do now.

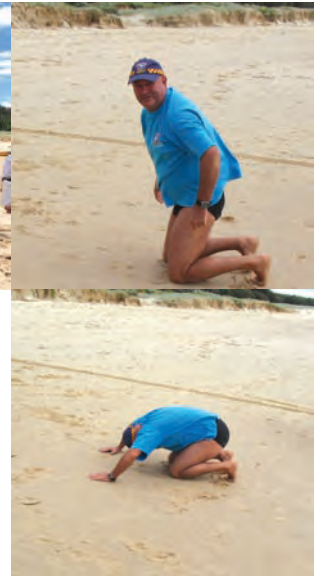

A very special thanks to:
North Shore Realty, Mudjimba News,
Nambour RSL, Westpac Bank, Telstra,
Queensland Government, One Stop Rust
Proofing, Mazda and North Shore Lions
Club.

Thank you to our Club Administrator Bronny Gilchrist who moved on to full-time at Branch and we welcome Val Colley our new Club Administrator.

Guy and Fay Tanner

Yours in Lifesaving,
Guy Tanner
Acting President Mudjimba SLSC

Life Member Mick Coleman

There would be no more deserving member of Mudjimba SLSC to receive the Life Member Award than Mick Coleman.

Mick is one of the inaugural members of Mudjimba SLSC. Trained at Marcoola SLSC where he also gained his Bronze Medallion, he attended patrols at Marcoola in 1995 to gain valuable experience for the first season of patrols at Mudjimba in 1996. Mick was appointed Patrol Captain and maintained that position for many seasons. He is greatly respected for his knowledge of surf conditions and how to manage a beach.

Mick was the Deputy President for eight years and his wise input into the management of the Club was invaluable. For support and advice, there was none better than Mick. He was very instrumental in the planning and building of the Clubhouse we now enjoy. His connections in the building industry created many donations to the Club.

Some say that Mick has a competitive nature. Perhaps that is why he has been the Masters Club Champion for just about every season since 1996. He has attended many Carnivals over the years including Branch, State and National Championships and represented our Club admirably.

Congratulations Mick and we thank and honour you for your service to the Club over the past thirteen years.

Life Member Mick Coleman

2007-2008 Awards Night

Life Member 2008

Door Knock

Thank you to all members who participated in the Annual Door Knock this season. It was the most successful door knock that the Club has participated in. This is the best and easiest fundraiser for the Club and I encourage all members to get involved next season and improve on this season's total of \$4497.40.

Congratulations and special thanks to Jenny Beaudinette for individually collecting \$241.20.

Congratulations to David Latus, Nicky Livingstone, Danica Latus and Maddi Franklin as a team collected \$413.05.

Steve Smith
Door Knock Coordinator

Office Bearers Reports

Club Captain's Report

"Whatever it takes.... "

8 patrols

121 lifesavers

7628 hours on patrol

603 preventative actions

43 rescues...

ZERO drownings for the first time in over 30 years of recorded history on the Sunshine Coast Congratulations Team and Thank You.

Club Captain, Kaitlyn Akers

The outstanding moments for me this season came out of outstanding team efforts from outstanding people...Rescues on the island in outrageously dangerous conditions, Patrols coming together to deliver exceptional service, Reinvigoration of our youth and cadet ranks, Excellence in Leadership, Passion for Ecosurf, New tools to do our job and Training up-skilling and more Training!

2008 saw our club members both start and continue to enjoy some unique community partnerships. We monitored turtle nests with Coolum Coast Care (hatching a loggerheads first nest of babies just south of the boardwalk), participated in joint fundraising with the Lions Club, partnered with university students to develop sustainable practices through Ecosurf, shared our facilities with a local youth group and an Art group, supported the Charity Island swim and provided first aid for many local community events.

Our Gear and Equipment stocks have gone through a revival thanks to support from Sunshine Coast Branch and funds from various grants and sponsors to provide a much needed and long overdue new ATV, Defib and radios along with other essential items such as flags, warning signs, rashies, etc. Thank you for your generosity without which we could not provide the exceptional service level expected of us. Close of season came quickly and we are now eagerly anticipating the arrival and "test run" of our new Nambour RSL Arancia IRB.

The replacement and re-engineering of our trusty Beach Arena that has sheltered us from many a storm, is currently being designed and new boards are on the list for next season.

Often overlooked are the extra hours, in addition to patrols and committees, our club members give to provide support services to the Sunshine Coast. This season Mudjimba provided wave runner and jet boat crew, after hours call out teams, Surfcom operators and Duty Officers.

Ben and Kaitlyn Akers

Club Captain's Report continued...

I was particularly proud of the maturity and exemplary conduct displayed by our junior and cadet members. They have grown in both numbers and the amount they contribute to the life of our beach. They enjoyed a mentoring program with the Nippers, attended Branch leadership camps, participated eagerly in branch lifesaving championships, contributed actively on patrols to many of the 43 rescues and clocked up hundreds of hours on the beach.

I have many people to thank who made my job so easy this year in particular Carol and Guy for your leadership and commitment to the future well-being of our club, all office bearers and committee members, but especially the Board of Lifesaving members and Patrol Captains for your dedication and support. Without your help the role of Club Captain is impossible. You make me look much better than I ever could be – thank you.

In the middle of the season our idyllic environment was interrupted by the Pacific Adventurer oil spill. It gave us the opportunity to play host and give something back to the Department of Emergency Services as they co-ordinated the cleanup from our small club - without whom we wouldn't exist as they are our major source of funding and provided a significant boost in income for local businesses for a short time. The event itself made me realise how important this special place is. One of my PC's summed it up perfectly and I would like to share his thoughts with you now and I know many of you will concur "The Oil Spill reminded me how precious Mudjimba is to me and how we are keepers of a very delicate environment; that the people who walk on her sands and play around the island are not owners, but guests. As a Surf Club we too are guests and have a great responsibility for it's care."

A final thank you before I leave you all, this year I was supported by Vice-Club Captain Kye Burke. Kye thank you for the many hours and standing in when I was unavailable. Congratulations on the way you have grown into the role and the maturity you have shown. It is easy to forget sometimes that our young people are just that - young people - especially when their conduct belies their age as Kye's often does. For this reason Kye has been nominated for Queensland's State Junior Members award, the Pelerman Junior Lifesaver of the Year.

Kaitlyn and Pia Akers

As many of you know, I am retiring my position as Club Captain at the end of this season. Change brings new ideas, fresh attitude and growth and I am excited about the future of Mudjimba. I am leaving you in extremely capable hands. Dean is an exceptional leader with many years experience in organizational management and emergency services through the fire brigade. I know you will give him every support as you have me and look forward to working with him next year as a patrolling member.

With Vigilance and Service, I am proud to stand beside each and every one of you.

Yours in lifesaving,
Kaitlyn Akers
Club Captain

Treasurer's Report

This season being my first year as Treasurer of a Surf Life Saving Club, has been challenging, and yet rewarding.

Financially we are travelling within our means, maintaining our club and equipment, plus providing training and supplies. Keeping our patrols equipped, so they can be effective and efficient on the beach which, after all, is our main focus and aim. We could not do this without the many avenues that combine to keep the club rolling along, (in the financial sense).

Certainly our sponsors play a huge role, so I would sincerely like to thank Nambour RSL, North Shore Realty, Austral Plumbing Supplies, Mudjimba Beach News, Maroochy North Shore Lions, Bendigo Bank, & Horizon Trees.

We have received donations from Mudjimba Arts Group, Villa Nova College, PJ Burns, Palmwoods Hotel, Oldmac Toyota, Twin Waters Residents Group, Christian Community Church Pacific Paradise, nipper parents and a few grateful members of the community.

This year we have been successful in some grant applications. Department of Sports & Recreation helped us to put a group of members through the Boat Licensing Course. Surf Life Saving Queensland's Sustainability Fund helped with equipment, repairs and running costs. Thank you must go to those who have taken on the daunting task of applying for grants, and seeking sponsorship. They are time consuming jobs, which provide an important source of income.

Thank you to everyone who has helped with:

- * Our Door Knock Appeal, it was very successful.
- * On Boardies Day, we were supported by Kuluin State School, Bli Bli State School, Nambour Heights Bowls Club, Dickson & Ingus, Covey & Assoc, & The Physiotherapy Clinic.
- * Nippers BBQ's and raffles have been very productive; this was a team effort.
- * Our Clothing Co-ordinator, Robbie, has again done a wonderful job. Your efforts are appreciated.

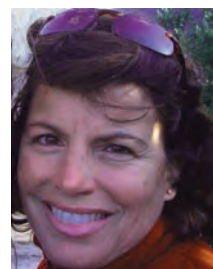

I have had so much help & support from so many wonderful people, thank you. It's the people who make a club successful and enjoyable, not its financial standing. Our financial reports are included in this Annual Report, and have been audited by DBSN group previously known as Archer Gowland. See you all next season.

Nicky Livingstone

Official's Report

This year we had five officials who all did a great job of supporting our club competitors. Congratulation and thanks to Bronwyn Gilchrist, Sue Geraghty, Nick Orman, Janine Grazier and Maree Cross. The officials' role is an important one. They are paramount to the running of Surf Sports Carnivals for Nippers through to Seniors, Master, IRB and board riding events. Whether it is in the role of judging, marshalling competitors, recording results, or starting races, their day on the beach is both challenging and rewarding. They enable our club competitors to actually compete, as Surf lifesaving has a formula for the ratio of competitors to officials. Again congratulations and hopefully we may see a few more join our ranks.

Maree Cross

Secretary's Report

I took this position not knowing quite what would be involved but wanting to strengthen my involvement with the Club and give more assistance (being a sponsor and a patrolling member wasn't enough). The sense of community within our Club is unbelievable and as part of that community I just wanted to help more.

I found myself enjoying the position thoroughly and the Committee are some of the most organised and competent people I have ever met. I don't think many of you understand just how much goes into running a Club. However small, Mudjimba runs like a very well oiled ship thanks to the competent steering of Guy Tanner in whatever position he is acting.

The challenges that were given to me on a regular basis by President Carol were daunting at times but I can say I managed to feel fulfilled after their completion. We now have a very strong membership base with the Bronze courses filling faster each time and with more and more competencies being reached regularly we are going from strength to strength.

Unfortunately I attended more Management meetings than I did Patrols this year and I was constantly reminded of this fact at every Management meeting by the stoney glare from my Patrol Captain Steve. I promise to get organised enough in my personal life next year to be back on the beach.

Thank you to everyone who welcomed me to this position and helped me out along the way to find my feet. It was a wonderful year and I hope there will be many more. To Kaitlyn, Carol, Nicky, David, Steve, Don, and Guy – you are an incredible committee and I commend you all on your wonderful work.

I look forward to working with you in the 2009-2010 season and all the challenges you have – bring it on!!!

Cathy Blanchard

Radio Officer's Report

We started the season with six hand held two way radios. Another two were obtained from the Tru-Energy grant early in the season and two more were donated by Westpac in March, making a total of ten.

All radios are now being serviced by our radio technician in readiness for next season. Some of the radios are badly corroded due to ingress of sand and salt. Radios should be protected by plastic gloves wherever possible and kept out of the sand. Use of the plastic gloves and/or the radio harnesses will greatly reduce this corrosion.

A quote is being obtained to re-wire the radios in the Tower and install an improved battery charging system. This will ensure longer term reliability and improved battery charging capability. The siren and PA system was transferred to the new ATV at the start of the season. The unit has been serviced recently, so is ready for next season.

During the off season radios will be cycled through the large charging station to ensure long term battery life and radio availability for operations if needed. Only half the radios will be on charge at any time.

Graham Milliken

Club Training Officer / Club Supervisor's report

Many thanks to all the trainees who gave up their time to become lifesavers or advance their awards. In our busy lives every moment counts so thanks.

To my Trainers and Examiners, Toni Young, Gloria Ellis, Kim Hatton, Steve Smith and probationary trainees Don Parry, Dean Hore, Kye Burke and James Crockett, thanks for your efforts.

2008/09 proficiency	134 people examined
Bronze Medallion trained	19
Surf Rescue Certificate	14
Operational First Aid	17
IRB driver	15
IRB crew	16
Silver Medallion Patrol Captain	2
Trainee Trainers	4
Trainee examiner	1

In the winter months we will be running 2 x ARC/Defib courses, 1 x IRB drivers course and 1 x Bronze squad, please let me know if you are interested. I intend doing cross training with Marcoola SLSC and look forward to working with their crew.

Yours in Lifesaving
Guy Tanner
Mudjimba SLSC, CTO and Club Supervisor

IRB Report

At the end of season 2008/2009 the committee identified that the club needed an increase in the number of qualified IRB drivers and crewies. After two driver courses (with a third planned for the winter) and a crewie course this shortfall has now largely been overcome.

We have been able to install an efficient compressor arrangement (thanks Pete); conduct a significant amount of formal and informal training (thanks to Guy, Dean, Don & Kye); commission a new motor and obtain a sponsorship from Nambour RSL for a new Arancia 377 and sand trailer. With Dean Hore, Don Parry and Kye Burke soon to qualify as IRB trainers we are well placed to have a ducking great year in 2009/2010.

Our ducks have done significant rescues as well as provide countless hours of water safety to nipper training, bronze squad and the Champion Lifesaver carnival.

Better equipment, many new drivers and crewies and an enthusiastic core of members who are committed to the skill development necessary to drive these rescue craft in the most challenging of conditions.

All in all it has been an encouraging year for the ducks. Congratulations to all involved.

Don Parry
IRB Captain

Ecosurf Report

Early this season the Management Committee agreed to investigate and look to implement the SLSA Ecosurf program. Now only a few months into the process we have University of the Sunshine Coast Industry Placement student Georgie Bull helping develop draft Ecosurf plans.

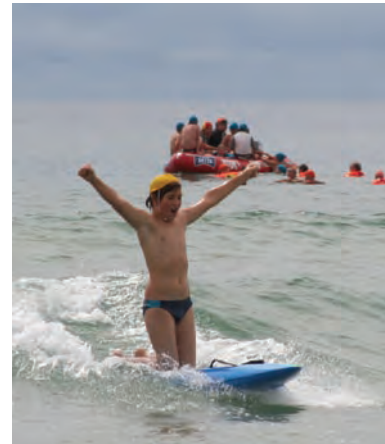

The club has also signed up to the Queensland Government's Ecobiz Partner program. We have received assistance from Sunshine Coast Regional Council Ecobiz Coordinator Emma Menzies in conducting our Baseline Assessment and Site Survey.

We have received great assistance from Richard Olesinski from the Southport SLSC in South Australia and Jo Cooper, Ecosurf Manager at SLSA. The club has also begun engaging with local environmental organisations like Turtlewatch.

I believe we have laid a great platform for the season ahead. A recent survey showed an overwhelming support for the project across the club. In particular my thanks to Kaitlyn, Guy, Carol and the Management Committee for the support you have shown.

Don Parry
Ecosurf Coordinator

Clayton Wilks

JAC (Nippers) Chairman's Report

This, my first season, saw me on a steep learning curve having never been involved with Surf Lifesaving. But our daughter was involved with Maroochydore Club previously and I can say what drew us here was it seemed a more personable and friendly atmosphere.

Our season started on the emphasis of surf safety, surf skills and FUN. This was adhered to as much as possible.

The 2008/09 season has been very busy for all volunteers combined and I want to thank the committee, age managers, water safety, coaches, patrolies, BBQ Coordinator, helpers, and parents who made this possible. I am very humbled at seeing the same faces time and time again put themselves forward to keep our club going.

The weather was very kind to us before Christmas, in stark contrast to the 2007/08 season, but came back with a vengeance after the Christmas break. Rough water, high tides and stingers combined to keep us away. We only went to our river retreat once, which was a welcome relief, and enjoyed by all.

Jesse Gilles and Lois Geraghty

JAC (Nippers) Chairman's Report continued

Our participation at carnivals was limited this season, though we have some very competitive Nippers who need this outlet. We had trouble getting a carnivals team together but our AGM has produced some people to rectify that for next season.

It was with great pleasure that we invited Marcoola Nippers to our club for Australia Day. This was a resounding success and most enjoyable for all involved. Important info was exchanged and each club took away some pointers to integrate to their own club.

What a wonderful, enthusiastic group of Nippers we had this season. The parents of these kids must be so proud of them. Makes me very confident of Australia's future, when we have a representation of youth who are so accomplished. Our last day of Nippers (Sunday 8th March) involved: AGM, Medals, Trophies, Photos, Photo Orders, Extra Nipper Games, Free Barby...some fantastic organization and planning paid off with a well received morning of events.

Myself and Nicky (Treasurer) will be back next season. 2009/10 will be our last but we will always be involved with our fabulous club, Mudjimba SLSC!

Thank you
David Latus

Surf Sports Officer's Report

The Marcoola Masters Carnival was well attended with 10 members competing. It was the first time that Mudjimba SLSC has entered a Taplin Relay Team at any Carnival. Mick Coleman, Guy Peirce and Scott Peirce performed very well and enjoyed the event.

Congratulations to the other members at the Carnival; Abby Hall, Andrea Fesselet, Darrin Edwards, Dean Hore, Di Power, Jenny Beaudinette, Kaitlyn Akers and Mark Masche.

Jordan Whebell, James Crockatt and Lee Sheavils - Sunshine Coast Branch Surf Rescue Championships

Mudjimba SLSC placed 7th out of 15 Clubs, and more importantly beat Marcoola SLSC.

The Sunshine Coast Branch Surf Rescue Championships were once again held at Mudjimba. It was a very successful Carnival and our four competitors did very well. Thanks to Lee Sheavils, James Crockatt, Jordan Whebell and Kaitlyn Akers for representing our Club.

At the Sunshine Coast Branch Masters Carnival, we were represented by Abby Hall, Mick Coleman, Adam Amos, Dean Hore, and Kaitlyn Akers. Thanks to these competitors who enjoyed the Carnival.

Kye Burke and Jordan Whebell attended the Sunshine Coast Branch Seniors Carnival and they both did very well. Hopefully this will give encouragement to other Senior members to represent our Club.

The Nippers had a relatively quiet year of Carnivals. Congratulations to all the Nippers who competed and thank you for representing Mudjimba SLSC.

Thank you to everyone involved with Surf Sports this season, your participation and assistance is greatly appreciated.

Steve Smith
Surf Sports Officer

Team Manager, Steve Smith

Dogs Day

This year the Dog's Day events had to be contested on the beach, due to the park area being renovated after the oil spill clean up. The day was well attended with many curious new members who joined in the fun. I believe they enjoyed the arrogance of the Old Dogs and the enthusiasm of the Young Pups.

The touch footy was a close contest. The first half passed without a try, although no one was sure which side Peter Harvey was on. He did his best to help the Young Pups as he dropped the ball twice with the try line wide open. Perhaps Pete should put some of his pipe glue on his hands next year. The game ended in a draw with neither side scoring.

Matt Drinkwater

Nick Jordan

The softball game was very entertaining with the lead changing many times. The Old Dogs took an early lead, but consistent batting by the Young Pups allowed them to take the lead in the latter stage of the contest. Enter Guy Peirce. The bases were loaded as he stepped up to the plate and with one swing hit the ball over the fence for a home run which resulted in four runs to take the lead and the Old Dogs were never in threat from then on.

The boat race once again was the decider. It didn't take much effort for the Old Dogs to retain the trophy for the thirteenth consecutive year. Di Power

proved that she is a great competitor in the surf and on the beach at the Club Championships in the morning. It must work up a thirst as she slammed those beers down her throat in no time at all to give the Old Dogs a good lead. Nick Jordan also enjoyed the boat race and has cemented his place in the team next year.

Thanks to Kye Burke for getting the Young Pups team together. They tried hard all afternoon. Kye never gave up and kept encouraging his team to get on top of the Old Dogs but experience once again won the day.

Congratulations and thanks to all who attended. The BBQ afterwards was well received and appreciated by the members.

There is always next year, Kye.

Patrol Reports

Patrol 1

This has been my first year as Patrol Captain for Patrol One.

One of the great things about this patrol is their willingness to offer advice and different points of view, especially if the water is really cold or if the day's nutritional requirements are being attended to on the back of the ATV.

As we are all aware, the weather has not been kind to us this season which has been a great thing because there haven't been many people on the beach to look after. This is good because none of us can swim, with the exception of former Olympic swimmer Di Rennie, who I must also thank for teaching me how to box (and was always trying to bash me up!) and Dave who was out rescuing swimmers.

Perhaps Brad could also swim though I was never sure as the only time I saw him in the water was twenty kilometres out to sea on his body board, or at the Island fulfilling his destiny with Don Parry.

Damian can definitely swim, he swam ashore after falling out of the boat. Di Power is our runner, between breaking bones. Ron is excellent with the oxy viva stuff.

And oh, the muffins, who can forget the muffins?

Thank you Di for the 5 kilos I put on this season. Bronny, as usual, is the best overseer ever and has kept me on track with the Log books and the rules and the goss. Kye bailed cos I was way too bossy for him. Sorry Kye...

I was very impressed with how Hannah looked after the kids with first aid, and kept an eye on Kye as well as the little ducklings found up the beach.

Di Rennie

Damian, James, Adam, Ron, Adam, Gloria, Jodie, Kye, Mitch

Patrol 1 continued

A special mention must go to; Jody who has always been vigilant on the water's edge and sharing some very up to date medical information, Damian who got both his crew and IRB licence this season and Ben who refined his board skills as well as his power of alternative suggestions. I would like also to thank Mark for being our most relaxed patrol member.

Last but not least, Patrol 1 came second in the club Championships. Myself, Mark, the two Di's and Hannah all had a go. Oh did I mention our new star athlete flags winner Bronny. Good onya Bron.

I would like to thank Don Parry for IRB driving for our team on several occasions, to Kaitlyn and Guy for their encouragement and advice during my first year as PC. Three really helpful dedicated great people.

In Patrol 1 we have fun, we are great friends, we know each other's limitations, none of us profess to be expert at anything but we are all willing to have a go, and above all be vigilant on the beach to protect the public. All of us do so in the spirit of service to the community.

Many thanks to everyone in the management team who keep the club flying and to the young people coming up behind who keep the club's future secure.

It's been a great season; even though the weather has been ordinary I've loved every minute of it.

Good on everyone.
David Ennew

Patrol 2

We started the season as a real 'blokey' patrol following the departure of Carol and Donna to greener pastures leaving Chris, Adam, Scott, Don, John, Brad and Ron to their own devices.

We didn't see much of Don on the beach as he was always out in the IRB but then Adam, Scott and Brad all got their IRB drivers so he had a bit of competition. Adam showed us all how to bring the boat in quick which included a somersault over the front end when it stopped dead on the sand...

Ron and Brad also then left to support other patrols but we were then graced with Angelique and Kamen who helped to balance the testosterone level on the beach (although a certain short-less patrol member's testosterone levels were going through the roof...).

The busy Christmas season saw a record breaking tea-bagging of a struggling Islander by Don and Kye in the IRB. He must have weighed 130kg+ and his family gave him heaps.

We were joined by Andrew later in the New Year and ended the season on a high note with a good patrol on a glorious Sunday morning.

I would sincerely like to thank everyone on this patrol for their efforts this season and especially Adam who ably stood in for me as PC on a number of occasions.

Chris Camp

Patrol 3

Another typical season, beautiful and perfect beach conditions until Christmas, then the usual bad weather, beach erosion and beach closures. Year after year we keep coming back to perform our duties for the general public, and sometimes you have to ask yourself why??? It must be the huge salaries that we are paid!!!!

I would like to thank the members of Patrol 3 for once again providing a safe beach environment for the public. There were a number of rescues on our patrol during the season, and the team performed their duties with confidence and diligence.

Six new members were assigned to patrol 3 this season and I hope that they enjoyed their time on the beach. I always enjoy the excitement of a new "Bronzie" after they perform their first rescue. Shaughn pulled in a reluctant swimmer, who didn't realize that she was caught in a rip, with a rescue tube. It was his first rescue and he did a great job. Thanks to Shaughn, Annette, Jenny, Leah, Lucy and Gemma and I look forward to patrols with you next season.

Patrol 3 was lucky enough to have a very experienced lifesaver added to the team. Rick Dalgrin has been a great asset to our patrol and his experience has rubbed off on our members and I thank him for that.

Thanks Kim, Andrea and Amanda. We have been a great team for a long time and I look forward to your company next season.

Steve Smith

Patrol 4

2009 was another great year on the beach with our patrol remaining together from last year but with a few new faces.

The strength of Patrol number 4 is the way we enjoy each other's company and the way the work is shared around.

This year saw us celebrate a unique event when we acknowledged Cleveland Maltman's 25 years of service to Surf Life Saving Queensland. It is a privilege to have someone of Cleveland's experience on a Patrol, but it is an honour to be able to celebrate a milestone of this magnitude with anyone from SLSQ. Well done Cleveland, you are an inspiration to us all.

Darrin Edwards, Jenny Baudette, Gloria Ellis and Morgan Wickham

This year saw more than our share of health issues and extra curricular activities impacting on patrol availability but at no stage was our core purpose of swimmer and beach user safety compromised. Personally, I would like to thank Jenny Baudinette for stepping in as Patrol Captain for a couple of months while I was unavailable but most of all I would like to acknowledge what a strong, supportive and professional group of people serve on Patrol number 4.

Regards
Darrin Edwards

Patrol 5

As defending Champion patrol, we had a very high standard to maintain. This season we were able to build on the well rounded, exceptionally hard working, and all round good guys that we are.

However, this did not occur of its own volition. Our esteemed leader, Club Captain/Patrol Captain/Madam Lash, Kaitlyn embarked on a course of constant refining and polishing to enhance our skills and stamina. She had a sound base of natural talent with which to mould and shape - especially within the younger ranks.

Bronnie and Grace, Mitch, Tom, Jack, Seb and Damo all have developed their talents over the season and made us proud - especially during Branch inspections. Their combined skills on the sand, on the board and in the water and IRB, (not to mention the radio) have left the oldies to watch and wonder.

Still, Kaitlyn, Robbie, Michael, Mark, Mick, Pete and Johnnie have blended their individual valuable skills and experiences to model and lay the foundations for a well oiled team. We have also appreciated the willingness of others, especially Don, Dave, Greg, Maree and Kye to compliment our patrol in times of need.

Well done to those who represented our patrol at the Club Championships, Dogs Day and other competitions. Good luck to John and Peter who will join with Jenny in the adventure that is our own Charity Island Swim in late August. Congratulations on another successful and enjoyable season.

Patrol 5 also sends a big thank you to Management Committee of Mudjimba SLSC (and their spouses!!!). Your enthusiasm and commitment is much appreciated and the wider community of Mudjimba and North Shore are the winners. C U nxt yr!

Kathy

Kaitlyn, Seb, Jack, Kath, Tom, Johnny, Bronny, Damo, Mitch, Marc, Michael and Robbie

Patrol 6

Patrol season 2008/9 weather was an improvement on the previous season – but not much! However, the best day on the beach was the day that it was closed due to the oil spill recovery operations – our patrol was caught on TV playing cricket! Unfortunately the beach could not be opened, even though the weather was brilliant, due to the oil spill traffic using our beach access track.

Patrol 6 has had good attendance levels all throughout the season, as is expected of the patrol with the most spirit.

We welcomed our new members, Victoria, Aaron, Rory, Nick and Mitch who have greatly boosted our ranks and adapted well to our team.

Thanks to all patrol members for your time and efforts once again this season, often in very difficult conditions.

A special thanks to Maree for filling in as Patrol Captain on many occasions when Graham was away on vacation (again) or working on disaster operations.

Many members have gained proficiencies this year in a whole range of awards, which is really great and will take the pressure off the older/experienced members of the patrol. However getting a drive in the IRB has become a whole lot more difficult, Patrol 6 is now sporting four drivers.

Our last patrol was Dogs Day afternoon, with many of the patrol in the thick of the action. Once again, well done Patrol 6, I look forward to your company next season - only four months away!

Graham Milliken

Patrol 7

Thanks to our great patrol for a great season. No major rescues and lots of preventive actions show our team working well. Mark Windsor got married, Sarah Hayward went tripping around our great country, Josh returned from the land of the rising sun, Michael got transferred to the deep North.

Sarah won selection in both the Australian Surf Lifesaving and Royal Lifesaving teams. Emma won selection in the Royal Lifesaving side for Queensland, our own (we love you Sam) won the Mudjimba Junior Surf Sports as did Rob win the Veterans.

Jordon excelled at the Branch championships and rescue carnivals. Toni ran most of the patrols, Jess excelled at all. Kerry went to Canada for a special snow Christmas and got snowed in. Stephen trained up for a relay and then injured himself.

Our relay finished first, our patrol 3rd, fantastic all round. All be proud that you contributed to "zero" drowning on our Coast, I am proud of you all

Guy Tanner
Patrol 07

Patrol 8

What a year it's been, it all started with me being a bundle of nerves, a first time patrol captain and all, but my fears were soon laid to rest when branch sent our patrol some really tasty chocolates for being the only patrol that weekend to sign in correctly. Then we had our Buhks Wilkes the following patrol and achieved 98%+.

Getting results like this is easy when you have a crack squad like we do. We had no major rescues this season and I can only put this down to our superior surveillance skills or more to the point, Mike Coleman's ability to read the beach then have a quiet word in my ear, I can't thank Mike enough for his support. The same goes for the rest of the troops, showing up patrol after patrol with all sorts of weather conditions thrown at us and not once did I hear any serious whinging.

It really is a privilege for me to be a patrol captain with such good members, it really makes life easy when you have people who are so dedicated as well as skilled, and I must say real easy to spend the day with. There are so many examples of excellence but unfortunately I don't have the space to write them down but I'll end with a big thank you from the bottom of my heart and I'm really looking forward to getting back together next season.

Cheers Dean

Dean Hore

Mick Taege

Kamen Burns

John Prenner

Youth Development

Our youth need to be congratulated on a great year to date. We had some of the boys competing in the surf rescue comp held at Mudjimba beach in January this year. These were; Lee Sheavils, James Crockatt, Jordan Wheball . Their club captain, Kaitlyn Akers, joined them.

14 Under 14's passed their SRC in December 2008 and have since taken part in patrols as well as performed water safety for nippers. What a great effort! Thanks to Kim Hatton and Guy Peirce for such thorough training - it was one of the strongest groups we have seen.

The next group will prove equally as tough with Peter Harvey and Paula Kutzner guiding them through with the help of Kim Hatton once more. It is great to see these kids gaining their certificates and then seeing them on the beach doing their patrols.

We had a get together at LaserZone at the end of March—everyone had a great time!

Branch Leadership Camp

Kelsey and Leah setup MySpace for the cadets to keep in touch. It is monitored by myself with Kye as administrator. Bulletins about upcoming events are posted on this site for the members. It seems to be working well as the kids use it frequently and with responsibility. It is a great way for them to communicate as a group.

The Youth Leadership camp, held by Branch, took place at the Apex Youth camp in April 2009. We had 5 participants and 2 youth leaders attend. The participants were Emma Leigh, Leah Harvey, Pia Akers, Gemma O'Conner, and Victoria Gray. Youth leaders attending were Kye Burke and Hannah Upritchard. Congratulations to you all.

Seb, Bronny, Damo

Here are some views about the camp from 2 of the participants: Survivor Mudjimba, honestly the best weekend of my life. Arriving at camp I must admit I was feeling nervous, but as the first day progressed I found myself having the time of my life. All the participants were great as were the activities. From the camp I learned so many valuable things that I know I will use for the rest of my life... It was a privilege to take part in such an amazing event... Victoria Gray

Youth Development

The camp Survivor Mudjimba was great. I was in Caoboi (Cowboy) tribe. We did a lot of different activities to help us with our leadership and teamwork skills. We also had guest speakers telling us about the history of surf life saving, people telling what they did and how they felt when performing rescues... Overall the camp was a lot of fun and I had a great time...Leah Harvey

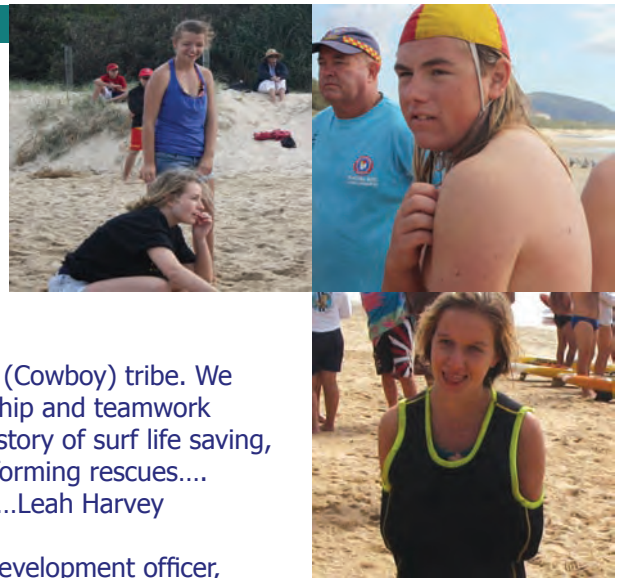

We have recently had discussions with Marcoola Youth Development officer, Matt McLean and hope to organise some activities for our youth to participate in together. We may also take part in their youth exchange program, which will be a fantastic experience for our youth. We will need some more discussion between the senior committee before this happens.

The next meeting, held at the end of May, will decide 2 Youth representatives who will be the voice of Mudjimba Youth. Their role, I hope, will be to represent their peers at senior meetings, to put forward their ideas and needs for future youth development.

Most of our Youth (aged between 14-18) actively participate in activities within the Surf Club, from patrols, nippers, fundraising activities as well as completing their proficiencies and other courses when they arise. These kids also attend school, many have part-time jobs and participate in other sports. They do an amazing job!

Thanks to everyone for their support over the last few months.

Sandy Glass

MUDJIMBA SURF LIFE SAVING CLUB ABN: 88 104 132 551
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2009

Note 1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Queensland. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act Queensland and the following Australian Accounting Standards:

AASB 112	Income Taxes
AASB 1031	Materiality
AASB 110	Events After the Balance Sheet Date
AASB 117	Leases

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

(b) Fixed Assets

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Leases

Leases of fixed assets where substantially all the risk and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the association are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments. Including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

MUDJIMBA SURF LIFE SAVING CLUB ABN: 88 104 132 551
STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 3:

1. Presents a true and fair view of the financial position of Mudjimba Surf Life Saving Club as at 30 April 2009 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Mudjimba Surf Life Saving Club will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

**MUDJIMBA SURF LIFE SAVING CLUB
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB**

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Mudjimba Surf Life Saving Club, which comprises the balance sheet as at 30 April 2009, and the income statement, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act Queensland and are appropriate to meet the needs of the members. The committee's responsibilities also include establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act Queensland. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the financial report of Mudjimba Surf Life Saving Club presents fairly, in all material respects the financial position of Mudjimba Surf Life Saving Club as of 30 April 2009 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
