Notice of Annual General Meeting

Notice is hereby given of the 14th Annual General Meeting of the Mudjimba Surf Life Saving Club to be held at the Clubhouse at 19 June, 2010

Office Bearers 2009-2010 Season

President	Guy Tanner
Deputy President	Kaitlyn Akers
Secretary	Cath Blanchard
Treasurer	Nicolette Livingston
Club Captain	Dean Hore
Chief Training Officer	Toni Young
Club Supervisor	Gloria Ellis
Junior Activities President	Greg Carson
Secretary JAC	Narelle Robertson
Surf Sports Officer / Team Manager	Steven Smith
IRB Captain	Don Parry
First Aid Officer / Marine Stinger Officer	Barbara Leigh
Senior Registrar	Maree Cross
Junior Registrar	Fay Tanner
Communications Officer	Graham Milliken
Club Patron	Fiona Simpson
Youth Development Officer	Sandy Glass
Clubhouse Director	Peter Harvey

QUEENSLAND
Associations Incorporation Act 1981
Section 17

Form 15

Incorporation Number: IA17497

Certificate of Incorporation

This is to certify that

MUDJIMBA SURF LIFESAVING CLUB INC.

is, on and from the twenty-seventh day of November 1996
incorporated under the Associations Incorporation Act 1981.

Dated this twenty-seventh day of November 1996

Delegate of Director-General

CERTIFICATE

VER02 3/96

Mission

“Zero preventable drownings at Mudjimba Beach”

Statement of Values

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team and internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- Respect the rights, dignity and worth of others.
- Be fair, equitable, considerate and honest in all dealings with others.
- • Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- Be professional in, and accept responsibility for actions.
- Make a commitment to providing quality service.
- Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- Refrain from anything which may abuse, intimidate or harass others.
- Preserve and protect the standing and reputation of the Association.
- Understand the consequences of any breach of SLSA's Member Protection Policy or Code of Conduct.

President's Report

Well done yet again Mudjimba lifesavers for keeping our beach safe. With the ever changing conditions that our beach can produce, you all did extremely well, preventions were up and rescues down. While we did not have an oil slick to challenge us this season, we did have a tsunami warning. I thought our members were very professional with their response to this threat.

Lifesaving

Thanks to Dean Hore (Club Captain), Kye Burke and Dave Ennew (Vice Club Captains), Toni Young (CTO), Barb Leigh (First Aid Officer) Don Parry (IRB Captain), Graham Milliken (Radio Officer) and Gloria Ellis (Club Supervisor) for their super efforts for the season. A record amount of training took place this season under the guidance of our CTO Toni Young. Thanks to all our trainers and assessors for a great effort. Thanks to all of our Patrol Captains and Team members for a job well done.

Youth Development

I would like to thank Sandy Glass for her leadership within our youth development. Sandy along with Alisa Collie, Sammy Burns and Kye Burke have done a fantastic job in bringing our youth together. Grants have been applied for, to enable a program of fun and development next season.

Nippers

Thanks to all the folk who put their names up for positions on our Nipper committee. The support and enthusiasm shown by the nipper crew who turned up for the club clean up was great. The senior and junior clubs at Mudjimba have always been very close, with many families having a foot in both camps. This is most noticeable on nipper days when all the water safety turns up to support this group. Without this group the day just does not happen, thanks to all. Thanks to Jeanne Parry for her dedication to the flags area and for her general help around the place. Thanks also to Sandy Hore for her efforts as BBQ Co-Ord; this is a thankless task that generates a lot of money for the club. To out-going Junior Chairperson Greg Carson thanks for all your efforts. For those people who do not know, Greg was instrumental in starting nippers in our club and has largely been responsible for their success.

Management Committee

Without our management committee, our club does not run. I can also proudly say that all of this committee patrol as well. I suggest, like myself, the patrolling and nipper side of the business is fun; however they all back up for administration duties. Please take the time at presentation night to thank Kaitlyn Akers, Nicky Livingstone, Cath Blanchard, Steve Smith, Greg Carson, Maree Cross, Dean Hore and Peter Harvey. To our administrator Val, thanks for all your hard work and keeping on my back, I appreciate all our efforts.

Ecosurf

This year saw our club host the first ever Ecosurf forum on the coast. Thanks to Don Parry's passion for the environment, our club now is leading the charge on the Sunshine Coast. Ecosurf can be as simple as picking up rubbish. This year has seen water tanks installed in our club, next season we hope to have gas hot water and solar panels installed. We cannot continue to do nothing for our environment; we as a club have taken the first steps. We are very lucky to have Don and Kaitlyn driving Ecosurf within our club, thanks for your passion.

Website

I hope all members have taken the time to visit Mudjimba Surf Life Saving Club's website. I would like to thank Kamen Burns for her countless hours of work she puts in to produce this site. Members please use and promote this site along with emails and e-newsletters these will be our main form of communication with our members.

Sponsors

Simply without your assistance we could not survive, thanks to North Shore Realty, Mudjimba News , Nambour RSL, North Shore Tavern, Queensland Government, North Shore Lions, Nambour One Stop Rust proofing, Queensland Complete Printing, Austral Plumbing and Parklands Bli Bli.

Yours in Lifesaving

Guy Tanner

President

Mudjimba SLSC

Life Member - Greg Carson

Greg started Nippers in the under 9's at Bribie Island Surf Club and completed his SRC in 1977. Greg was to complete his Bronze; however his other passion rugby league intervened, with Greg getting selected in the South East Queensland side.

Greg completed his Bronze at Marcoola in 1995 and joined Mudjimba Surf Lifesaving Club in October 1995 as one of the first patrol members and has been a patrolling member ever since, more recently as an active reserve. I view Greg as an outstanding lifesaver and a person who you can rely on.

While enjoying a day off at Discovery Beach with his family five years ago, Greg noticed five swimmers in trouble. Three made it back to shore, Greg swam out and pulled both people back to shore. As a result of this, Greg received a Bronze Award for Bravery from the Queensland Governor. Knowing Greg, he would have to have been dragged down to Brisbane for the award!

Greg assisted our first JAC Martin Kennedy, to start Nippers at Mudjimba in the 2001-2002 season. Greg has been active in our Nippers every year since and put his hand up for JAC in the 2009-2010 season because nobody else did - that is the sort of person Greg is. In my role as President, Greg would call me a week prior to the AGM, as happened this week and say "what do you need me to put my hand up for this season" or "where can I help"?

Greg is instrumental in taking a small band of lifesavers and nippers to the Albion Park Dogs every February, to show support for lifesaving on their main day. Somehow Greg would always win for our club, a Nipper board, on the last race, 4 out of 5 times!

I have great pleasure in Greg Carson getting the highest award a club can pay a member, well deserved Greg.

Guy Tanner

Life Member - John Prenner

John's outlook - "I have a limited amount of days and there are only so many waves – so better get out there!"

Johnny's mantra to our patrol... "Alive on 5" ... and yes we live it every weekend!

John was doing just that – searching for waves when he saw a better way to access the Island and more of those waves back in 1997, it was orange and had a motor ... so he joined up on the 12th of October.

Since that day he has achieved: Bronze, IRBD, First Aid, PC and Silver Medallion Life Support in 2002 and from 30 Nov 1997 to 1 June 2010 has clocked up a total of 1368 patrol hours. But wait... there's more... Club member of the year, masters champion, jet ski, craft officer, communications officer, vice club captain leading us to patrol of the year, a friend, mentor and ever patient leader with eagle eyes.

John puts the fun on the beach. He has a very quiet, wicked sense of humour but you could never feel safer being with him on the beach, it is an honour to stand alongside him.

John's level headed approach balances the weight of our responsibility. He said to me as I started my first patrol with just 3 members, "no one dies today and everyone goes home to their family". His words have stuck with me and made me the lifesaver I am today. He is respectful and community minded, with a love of the water (even swimming in the seriously big waves – crazy man).

Kaitlyn Akers

From a parents' point of view, we would like to say how lovely it is to have such a patient, caring patrol captain 'guarding over' our 2 boys for the last 3 years. John is a fantastic role model for them to aspire to!

Leo and Sue Geraghty

And from the boys:

Hey John, sorry we couldn't be there at the club dinner. Congratulations on getting life membership!! We really enjoy being on your patrol - you're so cruisey and laid back but at the same time a seriously great life-saver!

So over 50 and out there – "Boss" we salute you!

Door Knock November 2009

Thank you to all members who participated in the local door knock appeal this season.

Once again, it was a hot day so your participation is really appreciated.

The annual door knock is our biggest fundraiser, and it only takes a couple of hours to cover our whole allotted area. The areas that are allocated to Mudjimba SLSC are; Mudjimba, Pacific Paradise and Twin Waters. Unfortunately, there were a few streets that we didn't get to do, but we still managed to collect more than we have in previous years.

Individuals

Guy Tanner	\$305.40
Jenny Baudinette	\$273.60
Gloria Ellis	\$243.25
Margaret Evans	\$235.20
Darrin Edwards	\$218.00
Grahame Milliken	\$206.00
David Ennew	\$194.35
Peter Harvey	\$186.05
Mark Masche	\$186.00
Cleveland Maltman	\$153.60
Dean Hore	\$156.95
Cheryl Prior	\$156.90
Adam Amos	\$136.90
Kamen Burns	\$136.85
Nicky Livingstone	\$120.00
Kathy Prenner	\$109.20
Toni Young	\$109.20
Kim Hatton	\$40.10
Maree Cross	\$29.20

Teams

Micaela, India, Molly	
Keats, Quinn, Alisa	\$270.40
Emma & Shawn Leigh	\$250.00
Damien and Madison	
Douglas	\$260.70
Jose Oates, Sally &	
Pat Drinkwater	\$221.65
Danica, Maddy, Tegan	
David Franklin	\$176.45
Paula & Catalina Kutzner	\$102.80
Angie & Angus Hudson	\$81.50
Sammy, Rachel & Leah	\$32.45

We just fell a bit short of reaching our target set by Surf Life Saving Queensland, so with more collectors next year, we should be able to collect the whole and reach our target.

Steve Smith

Door knock Coordinator

Outside the flags	1,129
Craft users	2,981
On the beach	31,579
Total attendance	50,307

Office Bearers Reports

Club Captain's Report

Being the first year as Club Captain I had a very steep learning curve and would like to thank the Club Executive Committee for their support and understanding.

First and foremost I would like to thank everyone for keeping our Beach safe. I need to particularly thank our Patrol Captains for their dedication and maintaining a high level of surveillance, standards and patrol moral. Without your leadership qualities the Club wouldn't be able to set the high standard that it does. Special mention should also be made to our Training Officers for their dedication to the countless hours of nurturing our newest members and bringing them into the Mudjimba Team.

Thank you to Guy & Steve for your work in the off-season on ARC and Defib training, which now, due to their efforts the Club now enjoys an abundance of members with these advanced qualifications; and to the members who have taken the extra time to complete more advanced surf lifesaving qualifications. Because of their dedication and commitment to improve themselves our Patrols would be some of the best qualified on the Coast.

The biggest single standout for me was observing the growth and development of our youth, nothing that our younger members do now surprises me anymore, their level of understanding and commitment can't be expressed, with a number of incidents during the season highlighting this; there is but one reason for this, the leadership and mentoring of the older senior members of the club, it's a simple case of monkey see, monkey do.

In closing I would just like to say a simple thanks, not just from me but from all the people, approximately 15,000 who visited and enjoyed our lovely beach over the season.

See you all next season

Cheers

Dean Hore

Secretary's Report

Well another wonderful year has passed and I am still in awe of the way everyone works together to make this Club feel like a fun and family environment. It was a fairly uneventful year as Secretary this year with the fabulous work of Val as Administrator making my job quite easy.

This year saw us embarking on the ECO challenge as a Club as well as many other new endeavours which were both challenging and fulfilling once completed.

Thank you again to the wonderful committee who make each and every week at this Club an absolute pleasure. I am proud to be associated not only as a patrolling member but as a committee member and a sponsor. You should all be very proud of the achievements you have made this year and I look forward to working in another great year next year.

We have a very strong membership base again this year which is growing all the time and hopefully we will be able to increase the number of patrols next year to make all our lives a little easier. Although it is always a pleasure to be on the beach in our "volunteer" capacity.

A special thank you to Steve who always steers our management meetings in the right direction because he knows the constitution back to front. It's always great to know you are there to bounce things off and to get the right answers.

And of course to Guy Tanner alias "SOMEONE". In our meetings whenever I have to type that "someone" has to take the duck for a service or "someone" has to pickup new boards – it always seems to end up being Guy. Your efforts for this Club do not go unnoticed and you should be commended on the hours you put into the successful running of this establishment.

See you all next season!

Cathy Blanchard

Treasurer's Report

Financially we have made it through this season in reasonably good condition, meeting all of our financial commitments, in spite of significant increases in most areas of expenditure. (The trend was around a 10% increase).

A full financial report as prepared by Stephen Shirley of SPS Audits, the club's auditor, is contained in this annual report.

Thank you to all our supporters for their kind generosity. Support comes in many forms, and from many areas – from our members, our sponsors, kind donations, grant opportunities and fundraising. We greatly appreciate all assistance, financial and otherwise as their combined contributions allow us to continue to operate & to purchase vital equipment required to keep the club running.

Thank you to the Department of Emergency Services who continue to provide subsidies to the club, and sustainability funding. We are very appreciative of the funding.

Our sponsors this season were Nambour RSL, North Shore Realty, Austral Plumbing Supplies, Mudjimba Beach News, Telstra Country Wide, Australian Food & Grocery Council / Packaging Stewardship Forum, One Stop Rust Proofing, Queensland Printing, Revolution Screenprinting, Maroochy North Shore Lions, Bendigo Bank, Horizon Trees and Nambour Heights Bowls Club.

Donations were received from North Shore Tavern, Westpac and Westpac Social Club, Mudjimba Arts Group, Pacific Paradise State School, Twin Waters Residents Group, Albion Park Greyhound Racing, City Church Sunshine Coast, Friday Night Youth Group, Dorge Family, and Land Marketing Solutions (Parklakes Estate), Old Govt Community Benefit Fund.

We were successful in obtaining grants:

From	For
Dept of Families	Community Service Volunteers Grant - equipment
Woolworths	Community Grant – Nippers equipment
SLSQ Sunshine Coast	Volunteers Grant in Surf Sports Arena
Sunshine Coast Regional Council	Eco Surf Forum Grant
SLSA	National Rainwater & Greywater Initiative Grant

The Annual Door Knock Appeal was once again very successful, thank you to all the members who took part and co-ordinated this event. Boardies Day last year was supported by Kuluin State School.

Thank you to everyone involved with Nippers, especially the BBQ co-ordinator, our Clothing Co-ordinator and Photographers. The funds raised through the BBQ's, raffles and photos, goes towards the running of the program and providing equipment used by the nippers.

I would like to thank all the management committee, the JAC committee, and our Administrator Val who is a great help to me, it is a pleasure to work with you all.

Nicky Livingstone

Chief Training Officer Report

The enthusiasm for our small club can be shown in the number of awards our members have gained during the season. Having life savers with more skills patrolling our beach makes it a safer place for our community and the public in general.

I believe the number of awards we have issued this season must nearly be a record for the club and this would not have been possible if it wasn't for the enthusiasm of the trainers and assessors who gave up their valuable time to train and assess in these awards. This is on top of working, patrolling, jet-ski patrols, personal life (ha?) and other duties and roles they have within the club. A very big thank you to the following trainers and assessors:

Guy Tanner

Gloria Ellis

Steve Smith

Kim Hatton

Don Parry

Peter Harvey (achieved his Bronze Trainers this season)

Katherine Douglas (in the process of completing Bronze Trainers)

Also thank you to Marc Broadbent who lends his time assisting in the training of first aid and the many other people who assisted with water safety.

Thanks to these people, we have trained, assessed and issued the following number of certificates and awards:

- 33 Bronze Medallions (10 being upgrades from their SRC)
- 20 Surf Rescue Certificates (13 being our 14 year old nippers and the future of our club)
- 11 Basic Resuscitation Certificates (our 13 year old nippers)
- 24 Defibrillator Certificates
- 22 Advanced Resuscitation Certificates
- 20 IRB Crew Certificates
- 11 Operational First Aid Certificates
- 10 Silver Medallion Basic Beach Management (Patrol Captain)
- 5 Silver Medallion IRB Driver's
- 3 JRB Crewman Certificate
- 2 Assessor Advanced Resuscitation Certificate
- 1 Assessor IRB Drivers
- 1 Skills Assessor - TAA Program
- 1 Training Officer Advanced Resuscitation Cert

We also had two international students who completed their Bronze Medallion this season – Carlos Sucha-Souza from Brazil and Tom Sinke from Germany. Both Carlos and Tom were very keen to become an “Aussie Life Saver” and once they achieved their award were enthusiastic in patrolling during the season. I believe we trained both boys in skills which they may never have had the opportunity in their own countries and can use for the rest of their lives.

Keep your eye on the emails for upcoming courses and enjoy the short break before the next season beings.

Toni Young

Officials Liaison Officers Report

Officials are an essential role in Surf Sports and without officials a carnival cannot happen. I wish to acknowledge the efforts of our club officials for the 2009-10 season. They are: Sue Geraghty, Maree Cross, Janine Grazier and Jeanne Parry. Janine & Jeanne were also accredited from Probationary to Level 1 at the beginning of the season. Trudy Notley attended the course during the season and two prospective officials have been recruited to the next available course to boost our numbers next season. So thank you to all our officials.

With the increase in competitors in our club, mostly masters, the attendance at carnivals by officials is not only necessary but also greatly appreciated. Congratulations also to all the competitors of all ages who performed admirably over the season.

Bronwyn Gilchrist

Mudjimba SLSC Officials Liaison Officer

Radio Officer's Report

We started the season with ten hand held two way radios.

All radios were serviced by our radio technician in readiness for the season. Some of the radios are badly corroded due to ingress of sand and salt.

Radios should be protected by plastic gloves wherever possible and kept out of the sand. Use of the plastic gloves and/or the radio harnesses will greatly reduce this corrosion.

One hand held radio battery failed during the season, but has not been replaced as only five or six radios are normally used.

The Tower equipment had an improved battery charging system installed and new wiring. This will ensure longer term reliability and improved battery charging capability.

One of the tower fixed radios failed during the season, and has not been replaced. It was decided that one fixed radio and a hand held radio would be sufficient for operations.

Graham Milliken

IRB Report

The Mud Ducks have had another good year continuing to build on the significant gains of the 2008/2009 season.

On the hardware front we have been able to get another new motor and commission the Nambour RSL duck.

We have run a numerous IRB Driver and Crew courses throughout the winter and through the season. Thanks to Guy, Dean, Kye, James, Gloria and Toni who have all played their part in this extensive training program.

We have been able to train and qualify some very competent new drivers & crewies and also assist Marcoola SLSC by training drivers and crew for their club.

With an increased focus on safety and injury reduction I can confidently say that the Mudjimba Mud Ducks have played our part. In many ways we set a high standard in risk management.

I hope that next season we can work on advanced skills training for a core of drivers and crew who wish to be able to safely perform high surf rescues, whether that be over at the island or inside our break in big seas. *The ducks and wave runners are surf life saving's craft for remote and dangerous rescues.* We can always advance our skills in these challenging environments that the swimmers and board paddlers can't manage.

My thanks to all drivers, crew and trainers who facilitated the Mud Ducks to perform rescues; provide water safety to bronze squads, nippers and the island charity swim; as well as providing carnival support to the Marcoola Masters & Mudjimba Champion Lifesaver.

Well Done!

Don Parry
IRB Captain

Ecosurf Report

It has been a big year for Ecosurf in our club. From water tanks (thank you to Pete Harvey) to bin trials and our club hosting Queensland Surf Life Saving's first Ecosurf Forum it has been a milestone year.

We have been supported in our eco journey by the Australian Government (water grant), Sunshine Coast Regional Council (grant for Ecosurf Forum, Australian Food & Grocery Council (grant for bin trial and Ecosurf Forum) and Westpac (venue and catering for the forum) and we keep progressing slowly toward becoming a Queensland Government accredited Ecobiz Partner.

Through Ecosurf we have found another way for our little club to take the lead.

Our club hosting the local Clean Up Australia Day clean up was another great community engagement (thanks to Guy for his organisation).

Thanks to Kaitlyn, Guy, Dean, the whole Management Committee and all the club members who supported the club's environmental efforts throughout the season.

Don Parry

Ecosurf Coordinator

JAC (Nippers) Chairman's Report

This year after a bit of a slow start to begin our nipper season, due to filling of positions we hit the ground running with 161 nippers registered. As with every season the surf gods do not always smile on Mudjimba Beach. The surf conditions particularly at the back end of our season were huge & treacherous.

I was amazed by the way our junior committee, age managers, water safety, food coordinators & barbie cooks attended to their jobs without any fuss or bother throughout the season. Thank you.

To the parents who every week, helped out on age stations, barbie servers or who made themselves available when asked for any task, it has been a pleasure to work with you for the benefit of our children.

To our major sponsors Northshore Tavern with their generous support, Mudjimba Beach News, Candoo Pizza House, Mitre 10 Coolum, wines from the Drinkwater family for our raffles & a special mention to our resident photographers Jane & team, who snapped hundreds of action shots every Sunday. Much of the money she received for photos was donated back to the club. Thank you your support it has not gone unnoticed.

Our little club has a core group of behind the scene people who keep the joint running. To Fay, Nicky, Margaret, Narelle & Sandy Hore, I have appreciated your dedication, advice, support & the tough decisions you helped make to keep Mudjimba nippers progressing forward.

To our age managers, your ability to keep the kids interested in the surf program week in, week out, was inspirational. To our water safety, both Senior & Junior members led by Guy Tanner, IRB driver Don Parry & Surf Coaches, Debbie, James, Mick, warm-up coach Guy Peirce and Jeanne our flags expert, we couldn't operate without you. You make this club great.

To our proficient under 14's who obtained their Surf Rescue Certificates & became patrol members & surf protectors to our younger nippers, you guys are a credit to our club.

I make mention a special thank you to Peter & Paula for showing this group the value of teamwork, camaraderie & enthusiasm.

To Damien & Pete Harvey, the boys who unselfishly each week set-up nippers, pack up nippers & then hang around to do patrols, I take my hat off to you.

For our new season I look forward to working with Damien & our Junior Committee. We have some new faces & a new JAC in Damien Douglas.

Damien will bring a fresh look to our Junior Club. I sincerely hope our senior club will continue with the great support of the Nippers... **the Lifesavers of our future.**

Thank you

Surf Sports Officer's Report

Mudjimba SLSC was well represented at many Carnivals this season. I would like to thank all members who participated in Carnivals and attended surf sports training sessions.

The first Carnival of the season was a Masters Carnival at Hervey Bay. Bronwyn Gilchrist was our only competitor. It was Bronwyn's first Carnival as a competitor. She has been an Official for many seasons and she enjoyed the experience of competing so much that she will be a part of the team for many seasons to come.

Mudjimba SLSC had 9 members attend the Maroola Masters Carnival and overall placed 11 out of 16 Clubs. A fine effort from the team of Guy Tanner, Guy Pierce, Gloria Ellis, Wayne Hudson, Alisa Colley, Di Power, Kathy Prenner, Mick Coleman, Abby Hall, Jenny Baudinette and Bronwyn Gilchrist.

16 members from under14 to Open attended the Branch Surf Rescue Carnival at Mudjimba in January. It was a good learning experience for these members and it is hoped that they will compete next year and be better prepared. Carol Flavell and James Crockatt did so well that they were nominated to represent the Sunshine Coast Branch at the State Surf Rescue Carnival.

Kelsey Glass, Sammy Burns, Gemma O'Connor, Victoria Gray and Leah Harvey attended the Senior Branch Championships at Noosa. The girls did very well and Kelsey came away with two medals for the day.

12 members attended the Branch Masters Championships, with great results. Mudjimba SLSC was placed 8 out of 13 Clubs. It was the most successful Branch Masters Carnival for Mudjimba to date and it is all due to the hard training under the guidance of Guy Pierce.

Steve Smith
Surf Sports Officer

Dogs Day

Once again the Old Dogs prevailed and won the coveted Dogs Day Trophy.

The competition was fierce and the Young Pups proved to be very competitive in the Touch Footy event and at full time the scores were level at 4 all. There were some contentious decisions, but the intercept try by Guy Pierce for the old Dogs and the intercept try by Tom Sinke for the Young Pups were as good as you will see on any football field.

The Old Dogs were far too strong in the Softball event and won 9 – 4. At one stage, the score was 9 -0, until the Young Pups found some form and scored 4 runs. Perhaps if there was more time, the final score could have been different.

The Young Pups surprised the Old Dogs in the Boat Race and won the first two races. These wins in the Boat Race event meant that overall the day was a draw, which meant that the Old Dogs retained the Trophy. However, Sammy Burns (the Young Pups Captain) convinced Guy Tanner (the Old Dogs Captain) to have one more Boat Race to win the Trophy. The Old Dogs won by the narrowest of margins!!!!!!

Thank you to all members who participated and assisted on the day. It is always a fun day and a good day for members to get together to do something different than patrol.

Good luck to the Young Pups next year.

Steve Smith

Surf Sports Officer

Patrol Reports

Patrol 1

We've had a couple of spinal rescues this year which pulled the team together very effectively. Everyone took on roles and took full responsibility for their actions. No fuss, just see what's needed to be done and do it. We've had a shark sighting and a stingray in the flags and a rescue tube in someone's eye. Don't ask me how, ask Maddy, ok. There were also lots of stingers this year. Danica is the expert, she went for a swim and got stung big time. As if that wasn't enough punishment, she went for another swim and got stung again, big time. Brave girl Danica, she's great with stinger first aid! As is Maddy and Catalina; Paula and Nicky. On one day they treated around forty stings. One poor fellah went to hospital when the stingy stuff got into his nether glands and unfortunately ended up in his machinery shed - most unfortunate. Plenty of oxygen required. We also had a visit from Steve Smith to do some Resuscitation refreshing. Many thanks for your time Steve and to Guy for the resus on inspection day, what a stroke of good fortune for patrol 1 that was!!!

Damien IRB Driver, Dave and Ben have been very vigilant this year, always on the water's edge for a long time. They are three very diligent people and great role models for the newer members. Special mention must go to Damien for his active role in Nippers and in Jet Ski Patrol as well.

This year we welcome Catalina, Maddy, Danica, Paula and Nicky as well as Katherine the new trainer and athlete for our team. Fantastic people, a family affair!

Who won the seniors swim at club championships? Mark did. And occasionally he came on patrol with Ben!

Di Rennie has been to many patrols this year but has also been unwell, so our get wells go out to Di.

Bronny is back now also from an injury she got right at the beginning of the year and the quality of my bookwork tripled overnight, thanks Bronny. I really appreciate the fact that you came back this year after such a long recovery time.

My last thanks go out to Di Power and her attention to detail. Di is really the other Patrol Captain and can take on everything without any hesitation and those afternoon teas are sensational. Together we all form a great dedicated team, that now with so many new faces, can only get better.

Cheers

Dave Ennew

Patrol 2

Thankfully it was a relatively uneventful year in the context of life threatening emergencies for our patrol. There were a few of the standard rudimentary assists and general first aid requirements but nothing that really got the blood pumping. Remembering this recalled information is coming after a long season and from a memory that has sustained many years of abuse.

The best rescue I remember is from our 2 stalwarts, Scott Cossar & Kamen Burns undertaking an IRB rescue, after it had been washed down at the end of the day, of a kite surfer who soon realized maybe it wasn't such a good idea to slalom the shark cans, especially when we had to cut his cords to free him from the entanglement.

On that note I would like to thank all of our Patrol members because it could be argued that the reason we had an uneventful year was through good vigilance and supervision keeping our patrons safe.

A special mention needs to be made to two outstanding individuals, Scott Cossar and Kamen Burns, who were heads and shoulders above with their dedication to attending the patrols, even considering what a rough draw we received with the allocation of public holidays, they rarely did not attend. For their commitment comes my sincere thanks and admiration.

I would also like to acknowledge Tom Sinke, our German exchange student who fully embraced not only the life and commitment of a Surf Lifesaver, but also the life as an Aussie. His adventures throughout Australia and his participation in our significant National events like ANZAC day shows that he can leave our shores enriched with the life that we sometimes take for granted.

Adam Amos

Patrol 3

The weather conditions for this season were not conducive to a fun time on the beach. On just about every patrol day, it was either raining or overcast. I have been fortunate enough to have a patrol team that has been together for many years, so on those rainy, cold days, we make it a social occasion and enjoy each others company.

The patrol performed well this season, performing a number of rescues effectively, even one in front of a District Supervisor who was doing an inspection at the time.

It was good to see a number of previous club members return to the club this season and I was fortunate to have Dave Pobar, Jarrod Chandler, Dave Girvin and Debbie Orman allocated to Patrol 3.

Patrol 3 was further expanded with two new Bronze members at the start of the season. Kaitlin Pobar (Dave's wife) and Tara Johnston were welcomed to Patrol 3 and have performed well this season. Gemma O'Connor and Billy Hatton, (both SRC's) gained their Bronze Medallion this season and will be a great asset to Patrol 3 for years to come. Gemma has

shown maturity beyond her age and has dealt with a number of incidents throughout the season admirably.

Thanks to Kim, Andrea, Rick, Amanda, Jenny, Dave Girvin, Dave Pobar, Jarrod, Debbie, Kaitlin, Tara, Gemma, and Billy and all other members who assisted throughout the season and I look forward to another safe season on the beach from next September.

Steve Smith

Patrol 4

2010 has been an unusual year for Patrol 4. Whereas, in 2009, time in the naughty tower was a regular feature of patrolling, 2010 has been one where our numbers have been stretched for most of the season. With a group of highly proficient members, we have been able to cope with the short numbers but we certainly look forward to recruiting some more active members for next season.

The highlight for the season has to be, seeing Jenny take out the Female Masters Title again and to have the "boys" (Michael, Nathan and Aiden) join our patrol along with Carmen.

Thanks to the senior members of our patrol (Jenny, Gloria, and Cleveland) who have covered for my many absences throughout the year. Looking forward to a great 2010/2011 season and thanks to the executive of our magnificent club for their unrelenting commitment to Mudjimba SLSC.

Darrin Edwards

Patrol 5

Professionalism and courage under pressure mateship and reliability.

To say we had an eventful season would be an understatement, broken bones, major first aid injuries, missing children, stingers and out of area rescues ...it felt like every patrol a new challenge was placed in front of us. While we endured closed beaches and rainy days, we also enjoyed plenty of fun during the slow times as well. Camps BBQs hot chips coffee and cake, a surf and some footy with the locals.

We welcomed Riki, Marcus and Pia to the fold and each of our young people took on new milestones getting their licences both boat and car, juggling work commitments and never failing to surprise in the maturity and energy they displayed on the beach. It is often said tough conditions breed big hearts - well we must have some mighty ones.

As for the “oldies”, Robbie, Michael, Marc, Mick, Johnny and I once again renewed our friendships as we stood by the water catching up on our lives and enjoying the fitness and fun the life of the beach offers. Our mascot Caleb graduated to a new boogie board this year and kept us laughing with his need to be in the boat.

I want to share one sobering incident from the many this season that exemplifies the teamwork and professionalism of this patrol. Just recently the life guard at Twin Waters called for assistance with a difficult rescue outside of her flags. We had a beach full of people outgoing tide and challenging conditions. Without needing instruction Pia and Seb jumped in the ATV and were gone, while Mitch and Riki launched the IRB. All our remaining members automatically moved to beachside positions to strengthen our flagged area. It was fabulous to watch true teamwork in action.

The lifeguard performed one of the most challenging individual rescues we have seen. First to arrive Seb kept updates to Surfcom and readied the oxygen on the beach, Pia entered the water to assist our professional colleague bring the victims to shore where they were given oxygen and released. The things that stand out for me is the quick clear headed response from our Juniors, the vigilance of the rest of the patrol back at the flagged area and the effective communication and teamwork with our professional colleagues. We have a mantra on our patrol – No one dies today and everyone goes home to their families on our watch. This was repeated again and again over the season.

I feel honoured to share the red and yellow with all my team members and value their friendship and time more and more every patrol. John my fellow PC and I have shared the role this year and I know he feels the same. We laugh and muck around a lot but when the proverbial hits the fan these are the people I want looking out for my friends and family. Compassionate, talented and driven.

Thank you Mitch, Seb, Gracie, Tom, Jack, Damo, Riki, Marcus, Pia, Michael, Mick, Robbie, Marc and Johnny for another great season... I honour you.

Kaitlyn Akers

Patrol 6

Patrol season 2009/10 weather was an improvement on the previous season – but not much! We all look forward to having some real summer weather next season.

Patrol 6 has had good attendance levels all throughout the season, as is expected of the champion patrol. We welcomed our new members, Margaret, Molly, Kaitlyn, Natalie, Monique and James S, who have greatly boosted our ranks and adapted well to our team.

Thanks to all patrol members for your time and efforts once again this season, often in very difficult conditions.

Many members have gained proficiencies this year in a whole range of awards, which is really great and will take the pressure off the older/experienced members of the patrol.

Club Championship day saw Patrol 6 finishing the day as Club Champions. Congrats to Guy (male Masters Champ), Ashleigh (female junior champ), Pete, James, Victoria, Molly and Natalie.

Thanks also to the team for supporting one another right throughout the season and also when Graham was once again away on holidays.

Once again, well done Patrol 6, I look forward to your company next season -only four months away!

Graham Milliken

Patrol 7

The 2009/2010 saw our patrol member's increase with new member Cheryl Prior completing her Bronze and our four new SCRs', Micaela, Lily, Sophie and India completing their training. By the time this goes to print, Emma Leigh will have completed her Bronze and fully recovered from a shoulder injury, well done. I can honestly say that every patrol was a pleasure to attend.

To watch our four SCRs' develop their skills from the under 8's nipper ranks, to very talented young lifesavers was very humbling. Jordan got his IRB driver's and is turning out to be a very good operator. Sam and Jessica have both become experienced crew persons and continue to improve their lifesaving abilities. Thanks to the Windsors for their dedication and by the time this is written Mark will be a dad. Thanks to Jenny for her dedication as our first aid officer and to Toni for running the patrol.

It was a proud moment for both Kerry and me when we got to do patrols with our kids. We had no major incidents for the season, which means we kept our visitors safe, well done to all.

Guy Tanner

Patrol 8

Well we've done it again – made it through another season.

A big thank you to Mick, Wayne and Paul for being the senior members of the patrol, and through your dedication and understanding of beach conditions we have enjoyed a relatively uneventful patrolling season.

The patrol group starting relatively small at the beginning of the season but soon increased with the younger members signing on, bringing a breath of fresh air and renewed enthusiasm to all the patrol. It was enjoyable to watch them on patrol week in and week out smiling and laughing, but when it came to the crunch, I had every confidence that they would and did perform to the highest level. A standout for me was young Rosie (swimming with a tube) who almost beat Mick (on a board) to a “customer” in need who was caught in a rip – well done Rosie.

To our ‘Catering Officer’ Lou a big thank you for keeping the team nourished – without your constant supply of gourmet food I don’t think we would have had the energy to perform as we have.

Once again thanks guys it’s been a privilege to be on the beach with you and look forward to next season.

Dean Hore

Youth Development

We currently have approximately 36 active members within the youth (14-25 yr olds), who provide many patrol hours for our club, as well as assisting with water safety for the nippers each Sunday.

We have had a great year with a new group of Under 14’s passing their SRC and moving onto patrols. More than 50% of those coming through the nipper program are remaining in the club to assist with patrols. This is fantastic for Mudjimba SLSC.

Interest in Branch and state camps has risen dramatically. 2009 saw our first group of 7 kids going to the Branch Leadership Camp held at Mudjimba Apex camp. 2010 saw 14 kids going to the Branch Leadership Camp at the Apex camp, as well as 6 kids going to the State Leadership Pelerman Camp held in Bundaberg. Our club supports sending our youth to these camps as the skills and peer contacts they develop are invaluable. We are seeing these young people taking on more roles within the club, both within the Nippers programs in way of water safety, age managers, and mentors as well as within their patrols. They are also enjoying participating in club activities and particularly enjoyed taking on the old dogs in the recent club championships. They will have a large representation at the annual dinner.

We have seen youth members of our club having to use the skills learnt through the club in the community also, for example; resuscitating a family member, assisting a stroke victim, supporting and providing lifesaving medical attention in a remote environment to name a few.

They are also receiving skills in communication, problem solving, team work—all valuable skills to take into the workforce with them.

The introduction of the YIPS (Youth Involvement Program) has seen our youth starting to take control of their own activities. Kye and Sammy are driving this program, which for those who register, are rewarded for the activities they perform within the club. All within this age group (14-25's) are welcome to sign up at no cost. This is a Branch supported group. A recent YIPS meeting indicated that a large factor for these kids wanting to stay involved with the club is the family orientated, friendly and supportive environment. These kids feel that they are always welcome, that if they have an opinion they are able to voice it and be listened to and valued.

I would like to thank all Mudjimba Surf Club Members for providing the sort of environment that nurtures the youth of our community.

2010/2011 will see more fundraising activities so we can continue sending our Youth to the leadership programs and other youth activities. Alisa Colley has been working hard putting together grant applications for the youth development program.

Sandy Glass

Youth Development Officer

MUDJIMBA SURF LIFE SAVING CLUB ABN: 88 104 132 551
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2010

Note 1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Queensland. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(d) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(e) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at reporting date.

(f) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

**MUDJIMBA SURF LIFE SAVING CLUB ABN: 88 104 132 551
STATEMENT BY MEMBERS OF THE COMMITTEE**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on the preceding pages:

1. Presents a true and fair view of the financial position of Mudjimba Surf Life Saving Club as at 30 April, 2010 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Mudjimba Surf Life Saving Club will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

Dated this 4th day of June 2010

Sponsors

We thank our generous sponsors. Without your support we could not provide the quality Surf Life Saving service to the public that we do.
