QUEENSLAND
Associations Incorporation Act 1981
Section 17

Form 15

Incorporation Number: IA17497

Certificate of Incorporation

This is to certify that

MUDJIMBA SURF LIFESAVING CLUB INC.

is, on and from the twenty-seventh day of November 1996
incorporated under the Associations Incorporation Act 1981.

Dated this twenty-seventh day of November 1996

A handwritten signature in black ink, appearing to read "D. Hutton", is written over a faint circular stamp.

Delegate of Director-General

CERTIFICATE

VFR02 1/96

Mission

“Zero preventable drownings at Mudjimba Beach”

Statement of Values

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team and internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- Respect the rights, dignity and worth of others.
- Be fair, equitable, considerate and honest in all dealings with others.
- Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- Be professional in, and accept responsibility for actions.
- Make a commitment to providing quality service.
- Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- Refrain from anything which may abuse, intimidate or harass others.
- Preserve and protect the standing and reputation of the Association.
- Understand the consequences of any breach of SLSA’s Member Protection Policy or Code of Conduct.

President's Report

9,315 hours, 256 awards, 41 rescues, 2,831 preventative actions

Thank you and Congratulations to all the members of the best club on the coast Mudjimba –

Zero Drowning's between the flags at Mudjimba, and a family of people who are committed, respectful, fun, healthy, accountable and responsive to creating a sustainable club and community.

It has been a privilege to lead such a wonderful group of individuals. I am indebted to many of you who have made me look good, as no leadership position is a solo affair and it is your dedication and service that truly created such a strong and thriving club.

We have excelled in so many areas this year, not least of all our core business of lifesaving, as you read each officers report I am sure you will be amazed as I am that we have achieved so much in such a short time.

On the Beach

Nippers – Have had a very successful year, participating in carnivals to state level, growth in numbers and all positions filled. BBQs continued to assist with fundraising for new equipment and joint training particularly successful. The under 14s and cadets had a particularly good start to the year with camp at Rainbow, which I am sure will become an annual event.

Lifesaving

This season saw some major expenditure on new equipment with a new ATV, arena, boards, tubes, oxy and defibs and radios. Patrol numbers grew in strength and we proudly can claim positive member retention in all age groups against the organisations wider trends of falling numbers. A new patrol group 9 started and every patrol has multiple awards across most members giving us the best-qualified lifesavers on the beach. We trained over 40 new bronzes and SRC members and assisted in operations support across the branch, sharing our skills in training and assistance to other clubs. This commitment was recognised with nominations of several members for awards at State and National level.

Surf Sports

The success of our teams at Aussies, State Branch and Lifesaving carnivals brought home a swag of medals, smiles and pride in the navy and teal. GO MUDJIMBA was heard over the sand up and down the coast all season. We hosted the branch lifesaving championships at our beach and if the stories are true are already in prep for the World titles! Our masters went from strength to strength and often seen pounding the sand and punched above our weight again and again – good mates and good sports all round.

Off the Beach

Our administration team have worked hard to deliver strong financial results with the club in a positive position for the future and secure funding to provide services. Maintenance and improvements to the building and fixtures included painting, plumbing, training equipment, locks and programs. Some capital expenditure will be required to consolidate these improvements and accommodate the clubs growth in the future. The big news was securing the lease on the clubhouse lot which secures our building for the future at a fixed rate. We won several major grants and enjoyed sponsorship from existing and new partners. Our administrator's hours were increased in line with increased workload from membership growth. Proudly we continued to play a prominent role in the Mudjimba community, partnering with the Lions Club, RSL, Art Group, Youth Groups, Jetski Club, residents associations and recently board riders club in various capacities from provision of space to support at community events like Christmas Carols and Anzac Day. Proudly we continued partnerships with Coast Care and Turtle Watch through our Ecosurf program and championed the Bins on the Beach initiative to encourage personal responsibility for our precious beach environment and a sustainable future for all our members.

Sponsors

Without our sponsors we would not be able to enjoy the club life we do – with much heartfelt gratitude we thank both our corporate and local supporters:

Channel 9, Telstra, Community Gambling Benefit Fund, Westpac, SLSQ, Queensland Government, Sunshine Coast Council, Bendigo Bank Marcoola, Packing and Stewardship Forum, Mojo Burns, Scream Printing, Queensland Printing, Parklakes Bli Bli, North Shore Realty, Mudjimba News, Sunshine Bakery, Boardstore, Mudjimba Lions Club, Nambour RSL, OneStop Rust Proofing and not least the local community in Mudjimba and Pacific Paradise who gave so generously during the DoorKnock Appeal every December.

Please support them as they support us.

Once again thank you for your “vigilance and service” we have a bright future ahead and I am proud of the strong position financially and fundamentally we have achieved, well positioned to continue this positive track in the future.

Thank you for your support and faith to my committee and office holders: Darrin, James, Cath, Steve, Sammy, Cheryl, Guy, Damien, Katherine, Gloria, Don, Dean, Kye, Todd, Jenny, Graham, Mick, Fay and not to forget Val – you make my job easy and more enjoyable then you know, your wisdom and friendship has been greatly valued. A final acknowledgement to my family, husband Ben and daughter Pia, thank you for your patience, love and the generosity of spirit as you shared me with my surf club family.

I look forward to seeing you on the sand: between the red, yellow, around the island and in the big blue!

Yours in lifesaving

Kaitlyn Akers

Office Bearers Reports

Club Captain

Wow I can't believe it's been a year already, It only feels like last week that we all completed our proficiencies. First off I would like to thank each and every member who patrolled our beach this season for your contribution to our vision statement of "Zero Preventable Deaths at Mudjimba Beach". It was nice to finally see the sun on some patrols, I'm sorry Patrol 6 but you lucked out this year with the weather.

This season we have had some great equipment added to the ranks with a new double decker IRB trailer and the Arena which has been in the building phase for the last 36 months, thank you to Michael Hughes and his family for the final touches. The New ATV has been a great hit and to the moment is still in one piece.

This season as with previous season has been very active within the training department. Thank you to all our Trainers, Assessors and CTO Kath Douglas. It has put the club in a great position with 6 Life Members, 138 active members and 13 award members.

Well here comes the important part of Mudjimba SLSC, the patrols. Thank you to the Patrol Captains and Vice Patrol Captain it was a pleasure to work with you. Your dedication and commitment to the moment shows the passion. It has been a great season with good results and some brilliant rescues. This season a 9th Patrol was formed, with great success if I do say so myself.

The success of the season can be shown by the beach only being closed at total of 20.5 hours. It was a great honor to work with everyone and the club looks like being in such a great position. I wish everyone good luck in the future and good luck to the new Club Captain next season. With that I'm signing off as 9 patrols in the club and a new working arena on the beach.

James Crockatt

Secretary's Report

This year has been another great year to serve all you wonderful members as your Secretary. Due to an ongoing injury I am no longer able to patrol and it is something I miss. Obviously not for the exercise (because everyone knows I don't do Boats, Waves or the Tower – I am specifically there for Public Liaison only) but I miss the camaraderie of my fellow patrollers as well as the rest of the Club members.

Over the year I had the great pleasure of being involved in obtaining the approval from Department of Natural Resources for the Club to have the extended lease on the land and therefore enabling us to move forward with the plans to increase our Clubhouse area. If we can get the plans of the ground (pardon the pun) I think this will be a huge step forward for our Club.

I am on quite a few committees both in this community and within my business circle and I must say this committee is one of the most efficient and hardworking that I have the pleasure of being involved with. You have a dedicated group working both for and with you. We are indeed a very lucky Club.

A special thank you to Kaitlyn for her dedicated leadership and the wonderful job she has done as President and previously as Club Captain. Kaitlyn amazes me on a daily basis with her time management, affability with the public and negotiation skills with other members. Kaitlyn – you are a true gem and will be missed. I welcome working with Damien and look forward to seeing him fill Kaitlyn's gorgeous (and sometimes stiletto style) shoes.

Another season will be with us in no time and I look forward to being part of such a wonderful Club once again. See you all next season!

Cathy Blanchard

Treasurer

I came into the Treasurer's role in October 2011 after all the "hard work" of the Season commencement had been done by Nicky Livingstone and I thank her and Val for their dedication and efforts for the Club and their assistance to me in settling into the new role.

The Club is in a sound financial position that is the result of enormous amounts of time, care and attention by every member of the Club over a number of years. Because we don't have a Supporters Club, we rely heavily on the provision of Grants, Sponsorships and Donations from the Community and Club supporters to provide the equipment and resources we use. In summary, this year we have

Received Specific Sponsorship for

Nambour RSL \$13,500 IRB and Trailer, CM PowerLine \$1600 Racing Board, North Shore Realty \$250 Aussie Masters

Attended Fundraising Activities

SLS Doorknock, Nippers weekly BBQ's, Noosa Tri, Caloundra Tri, Jet Ski Champs, Boardies Day, Hosting the R&R Carnival

Relied on Wonderful Donations from

Bendigo Bank \$3000; D Weir \$3000; J Hall \$700; Mudjimba Arts Group \$1120; North Shore Lions Club \$2800; Twin Waters Residents \$450; and many many more.

Received Government Funded Grants

Community Benefit fund \$19,556 ATV, SC Council \$8,900 Defib and Water Bill Reimb, Department Community Safety Sustainability Fund \$16,000 for IRB and Operational expenses, and Club Subsidy of \$23,804 to cover the costs of operational needs.

The Club continues to work on a user pays principle for Surf Sports and Junior Development activities. I commend the Nippers and YIPs for their fundraising activities that allow them to self-fund their plans and camps. I welcome any Members' ideas for fundraising and sponsorship of individual events and competitions, with the Club again this year meeting half costs for developmental branch and state camps. The financial reality of our Club is that all resources need to be prioritised towards the Beach and our Lifesaving requirements and financial assistance isn't as possible as it is in other Clubs. Thank you to all Members who have donated their time and energy to this Club to make it such a vibrant part of our Community – it has been a pleasure to be part of it.

Cheryl Prior

Chief Training Officer

The season wrap up from the training department....here goes!

What a massive season we've had, with MASSIVE changes to the way both proficiencies and courses are run plus a brand new award in Advanced Resuscitation Techniques the pre-season and season it's self was full of challenges and a new learning curve for everyone. We as a club have had a truck load of new awards and new members as well as upgrade of existing Bronze members and SRC members it hard to remember where we started and if we're actually finished yet!

Beginning of season 2011/12 saw an IRB Drivers course which was very interesting as it was not typical winter weather and was a little testing but all got through unscathed I think!? Then our proficiencies started, and what beautiful weather we had for all of them! With the help of our club assessors we put through 76 Bronze proficiencies, 24 First Aid plus 41 IRB Crew and 23 IRB Drivers were run through the Branch run IRB Proficiency program. All up we had a gargantuan effort of 239 awards made proficient across our membership base. GO MUDJIMBA!!

There were a lot of members new and old who gained new awards this season; all up we had 266 awards gained across various disciplines, some of which include:

- 39 new bronze medallion holders
- 23 new SRC members
- 38 Advanced Resuscitation Techniques

It's been awesome to see so many new faces down the beach, and so many members wanting to gain new awards.

Although the season is over we have a busy off season ahead. With First Aid, ART, IRB crew, IRB drivers and Bronze/SRC courses all about to start and be completed prior to next season starting.

I have enjoyed being your CTO this season, and look forward to what the next season will bring!

Awards gained this season

| | | | |
|--|----|--|----|
| 4WD Induction | 15 | Radio Operators Certificate | 1 |
| Advanced Resuscitation Techniques | 38 | Rescue Water Craft Operator | 1 |

| Pain Management Award | 3 | | |

Katherine Douglas

Officials Liaison

I would like to extend thanks to the 8 Mudjimba officials who have attended carnivals during the 2011-12 competition season. Congratulations to James Crockatt and Emma Harry, our new Level 1 Officials who gained their accreditation this season. It has been impressive to see Sammy and James taking opportunities to learn new roles in officiating e.g. Sammy as a starter (yes with a pistol!) at the Junior Branch Championships. These young officials display willingness and responsibility which is important to furthering their skills as well rounded officials.

The following table shows attendance by Mudjimba SLSC officials at carnivals administered by Sunshine Coast Branch.

| | |
|-------------------|---|
| Kye Burke | 2 |
| Samantha Burns | 3 |
| Valerie Colley | 2 |
| James Crockatt, | 4 |
| Bronwyn Gilchrist | 4 |
| Sandra Glass | 3 |
| Emma Harry | 4 |
| Jeanne Parry | 2 |

Kye Burke, James Crockatt, Sandra Glass, and Bronwyn Gilchrist also officiated at the 2012 Australian Titles.

To all officials your efforts are appreciated.

Anyone interested in becoming an official please don't hesitate to contact me via the club.

Bronwyn Gilchrist

Officials Liaison Officer

IRB Officer

When I travel to clubs to talk or train IRB Drivers and Crew courses I often use our club as an example of good driver and crew attitude. I believe we have a great culture of looking out for each other when in the IRB. With large surf and tough conditions of the latter half of the season, I have witnessed very good driver and crewing. I guess as a small club we also look after our boats and motors like they are our own.

I believe we only had one rollover for the whole season, caused more by a strong wind than any driver error. This is an outstanding result for the club. We did have one twisted/strained ankle and a couple of bumps and bruises. These positive results are reflected in the number of members wanting to gain their crew and driver awards.

Thanks to Nambour RSL for our new boat and motor this year and to Dean Hore for his trailer work. IRB Crew and driver courses run in the off season so watch out for the dates.

Regards

Guy Tanner

Ecosurf Coordinator

Again this year Mudjimba SLSC has been a leader in the implementation of SLSA's Ecosurf Policy.

After our successful trial of **Bins between the Flags** the Sunshine Coast Branch received a grant to roll this out to all surf clubs across the Sunshine Coast with Leah Harvey becoming the 'face' of the project.

A number of our younger members took part in the launch of the **PICITUP** campaign where Sunshine Coast residents are encouraged to pick up litter when walking.

This year's **Clean Up Australia Day** (4th March) was the best yet.

Hi Don,

Just a quick thank you from the Mudjimba Residents' Association for your personal effort at co-ordination of the above last Sunday morning. I was so pleased with the turnout, and the fact that being at the SLSC, this provided the perfect launching platform.

Peter Sorensen,

Hon Sec, Mudjimba Residents Association

Clean Up Australia Day Stats – New Record Participation - 53

Area Covered - Discovery to North Shore (including. Nojoor Road)

Collection Volumes - 14 bags of recyclables, 18 bags of other waste *plus* 3 tyres, 1 car battery, 1 exercise bike, 1 washing machine, 1 wipper sniper, 1 glass table top, 1 body board, 1 chair and 1 syringe.

Environmental Vulnerability and Adaption Working Group

Earlier this year I was invited to be part of SLSA's national working group and on 24th March I attended the first meeting at SLS Headquarters in Sydney.

Don Parry

Junior Activities (Nippers)

JAC Chairman

Well with October 2nd 2011 upon us we kicked off season 2011/12 with 176 Nippers signed up. Pre-season was very busy with many new faces joining our JAC team and Age Manager Courses being run for the newbie's. Sign-on days as usual were just CRAZY busy and the team came together well and made it flow smoothly.

The weather we have been used to for the last couple of years did not instil much confidence in us however we were very VERY surprised to see that we had near perfect Sunday after Sunday during the first half of the season. It was great to get the Nippers down each Sunday with some great opportunities for our new additions to gain confidence in the surf and for our returning nippers to continue to develop their skills.

September school holidays saw our first Under 14's SRC intensive Rainbow Beach camp with our U14 group coming together in the weeks leading up to the camp for theory and practical training. The second week of September holidays was **Rainbow Beach Invasion** time and along with a number of SRC to Bronze upgrading cadets our U14's plus parents and Mudjimba Clubbies hit town. Surprisingly other than an unhappy local shop keeper who didn't feel she wanted us to spend our hard earned cash with her, the rest of the town was very inviting and a great time was had by all.

Our Nipper carnivals just keep on growing. Last season saw Mudjimba Nippers attend a handful of carnivals and represent our club proudly. This season under the guidance of Swanny the Nippers competitor numbers grew and we attend all local carnivals and more see Swanny Speak below for all the details.

Once again we owe BIG THANKS to the many volunteers who help us as well as the wider club successfully run what I believe is the BEST Nipper program on the Sunny Coast. Thanks to all our Water Safety helpers under the guidance of Guy Tanner we are to be proud of all our Orange People. Thanks to the Nippers Committee, Age Managers, BBQ Cookers and parents who have all pitched in to lend a hand when/where needed. Our thanks also goes to Mudjimba Beach News, Mudjimba Sunrise Bakery, Chancellor Park Quality Meats & IA Financial Services for your support of our Nipper this season.

The end of this season sees a number of our team stepping down after offering lots of years to the Nippers program. We thank you for your service to the club and our kids it is as always much appreciated. I also offer my personal thanks to the entire JAC team as I step down from the Chairperson position this season. I have enjoyed my three years so far with Nippers and I look forward to continuing on working with the U11's in 2012/13 season. Mudjimba Nippers and the wider Mudjimba club should be very proud of the Nipper Program we run here. It is second to none and the proof is in the smiles of our kids each and every Sunday. As the reins are handed to Todd 'Swanny' McSwan and his new team I know that they will continue to grow and improve on this already successful part of our club.

Enjoy this very short period of time they commonly call the *off season* and I will see you all on the sand again.....

Damien Douglas

Mudjimba JAC Chairperson 2011/12

2011 / 2012 Mudjie Nippers Carnival Crew – Swanny Speak

This season we saw a magnificent increase to our clubs nipper participation at carnivals. This included not only the kids rocking up to compete but some serious commitments to extra training across early mornings, afternoons and weekends.

From a representation point of view this year Mudjimba Juniors shined bright. It was a huge delight for all involved to see such a solid representation of the navy, teal and white thick amongst the competition. It is with absolute honesty (No BS) that I say that one more than one occasion I had several coaches, officials and water safety from other clubs tell me that the greatest smiles amongst all clubs came from Mudjimba.

My greatest pride this year came from our clubs team spirit across all age groups at every carnival and every training session. We have a long way to go in competition but the way the kids rally around each other, celebrate everyone's participation and stick tight as a club unit sets standards well beyond their young years. I have said it much this season but we all have a lot to be very proud of with our Nippers.

On an endeavour front we had no competition. The grit and determination of the kids was awesome. This is reflected in the extra hours our kids put into training over and above their Sunday's. We did "full on" sprint sessions at 6.30am Friday mornings, Flag and swim / board training on Wednesday's and threw in a couple of Saturday sessions. In total our kids trained an **extra 501 hours across 28 training sessions**. That is on average 15-20 kids at every session – Brilliant.

Actual carnivals and participants that our Nippers so brilliantly represented were:

| | | |
|------------------------------|----|---|
| Rainbow Beach | 28 | |
| Met Caloundra U8-U10 | 11 | |
| Maroochydore U11-U14 | 14 | |
| Dicky Beach (Branch) U11-U15 | 19 | |
| Redcliffe (Branch) U8-U10 | 13 | |
| Maroochydore (State) | 4 | (C. Thompson, H. Currie, A. Aubrey, K. Simmons) |

There were many exceptional highlights to the season in particular hearing our club's name so regularly cast across the speakers ESPECIALLY at Branch and State. All the kids proved themselves in training and competition and are all knowingly proud of their individual growth – the improvement in all kids was on the back of hard work, commitment and brilliant club spirit.'

We have a great platform to work off for next season. We have secured the commitment of a nationally accredited sprint coach for one afternoon every week for 6 months – Nick Bennett and most parents and kids have already enquired into the Rainbow Beach carnival – the first and possibly most fun carnival.

All of this amazing club success could not be done without the commitment and support of so many. To mention a few of the regulars huge thanks to Pebbles, Scott & Guy, Jeanne, Molly & Indi (you two girls are AMAZING), Kelley H, Jesse, Di and Krista. To anyone I missed and donned the orange to allow the kids to train – thanks very much.

To the parents of the kids, you are to be admired for the encouragement and support you give your kids and the tolerance and understanding you have with me. Your kids in our club have provided me with and us all with an enormous amount of pride and enjoyment this year – I cannot wait to kick some serious arse next year.

Huge respect goes to my buddy, partner and bossman Damo - I had an absolute ball playing grown-ups with you this year mate - you're undying support of the JAC movement is inspiring.

Rock on - SWANNY (Todd McSwan)

Club Championships 2011

We were blessed with perfect weather for the Club Championships this season.

However, the surf conditions were too dangerous for water events on 21 April, so only the beach events were contested.

The water events were held on 6 May and once again the surf conditions were deemed too dangerous for Board events. The Club Championships were modified to arrive at a result for the season.

Surf Sports Officer's Report

This season has been very busy for Club Competitors, Club Officials, Club Coaches and Team Managers.

Mudjimba SLSC was well represented at the Rainbow Beach Carnival in October with a number of Nippers competing for the first time. The experience from this Carnival encouraged many to continue competing at future Carnivals.

Bronwyn Gilchrist represented the Club at this Carnival in the Masters arena.

Mudjimba SLSC Nippers attended all of the Carnivals on the Sunshine Coast this season with mixed results. However, I foresee Mudjimba Nippers being a real force in coming seasons due to the commitment of the Coaches, Age Managers and parents.

Congratulations to Cartia Thompson, Hamish Currie, Ashleigh Aubrey and Krista Simmons for representing the Club at the Queensland State Championships at Maroquydore.

A number of Junior members competed at the Branch Surf Rescue Carnival at Mudjimba in January. It was a great experience for the competitors with CJ van Dyke qualifying for the State Surf Rescue Championships at Dicky Beach.

Mudjimba SLSC Master competitors had an excellent season consolidating and expanding the team. Results from all Sunshine Coast Carnivals can be viewed at (www.rescuesunshinecoast.com.au). The Masters team achieved fourth place at the Branch Championships and sixteenth place at the State Championships. Gloria Ellis won two Gold Medals, Todd McSwan won one Gold and One Silver Medal, Guy Peirce won one Silver and one Bronze Medal and the Beach relay Team won a Gold Medal at the State Championships. Nine Masters attended the Aussies, competed well and gained a wealth of experience.

A big thank you to the Club Officials who attended Carnivals this season. The Club would not be able to compete at any Carnivals without your attendance.

Many thanks to Cleveland Maltman for sponsoring a competition board for the Masters. It has been a great asset for the Masters and has enabled them to be competitive at Carnivals.

Thanks to North Shore Realty, Scream Print Screenprinting, other sponsors and every individual who contributed to make this season the most successful Surf Sports season for many years.

Steve Smith

Surf Sports Officer

Dogs Day

The Old Dogs prevailed again this year and winning the coveted Dogs Day Trophy.

The touch footy game was close with the Old Dogs winning 6 – 5. There was a lot of enthusiasm in the Young Pups and at times looked the better side. Unfortunately, time ran out for them.

The softball game was well won by the Old Dogs 23 – 15. Due to lack of experience, the Young Pups could not overcome the Old Dogs.

The boat race was a lot of fun, but once again the experienced Old Dogs won 3 from 3.

The weather was kind to us for the Dogs Day afternoon and I would like to thank all members who attended. It was the biggest Dogs Day for many years.

Maybe next year will be the year of the Young Pups.

Steve Smith

Patrol Reports

Patrol 1

..... well what can I say?! It's been a fantastic season with weather that we have not seen for several years so it was all the more a pleasure to attend the beach and keep an eye over our Mudjimba patrons.

2011/12 saw a number of new additions to our Patrol 1 team with Andrew Currie and Nic Orman joining us prior to Christmas and then the addition of Paula Bessems, Codi Nichols & Kay Thompson in April 2012 bringing our patrol team to a nice and healthy 16 members. Maddy Franklin, Danica Latus & Catalina Kutzner all were awarded with their Bronze Medallions after the Rainbow Training Camp moving up from their previously held Surf Rescue Certificates.

Our members completed a total of 842.7 hours of patrolling this season plus many hours outside of patrols with other club activities like the annual door knock, fundraising and Nippers.

Patrol 1 were busy during the pre-season and during the season gaining the following new awards;

Katherine – IRB Driver, Wave Runner Induction, Advance Resuscitation Techniques, First Aid Assessor, ART Trainer & Assessor

Val – Advance Resuscitation Techniques, ATV Induction

Narelle - Advance Resuscitation Techniques, ATV Induction

Dave – ATV Induction

Nikki – ATV Induction

Andrew – ATV Induction, IRB Crew

Nic – ATV Induction, IRB Crew

Paula K – ATV Induction

Paula B – ATV Induction

Kay – ATV Induction

Now the off-season is upon us and whilst we all let out a giant *sigh* at the end of our last patrol we realise that the off-season is *oh so short* and so we look forward to doing it all again next season.

To my Patrol 1 team mates I say this . . . Proficiencies are only just around the corner so before you have that extra drink, that up-size chips at KFC or that extra bit of cheesecake, remember one thing..... *have you got an extra bit of cheesecake for Damien?*

Thanks for a fantastic lifesaving season between the Red & Yellow and I look forward to doing it all again next time.

Until I see you on the sand again soon....

Damien

Patrol 2

After manning the helm of Patrol 2 for a number of years now it is with great pleasure to say that the 2011-12 season was the best season yet. With a combination of fantastic weather and an ever increasing patrol size, the role of PC was an honor to bestow.

Special acknowledgement once again to my ever reliable, courageous, patient, understanding, radiant (alright, now I'm pushing it) VPC Kamen Burns, who's support allows me enjoy my other life in the knowledge the beach is in safe hands.

A big thank you to James Crockatt and the training team for delivering me with some of the finest new bronziees the club has on offer. Their wisdom and experience now has Patrol 2 from a patrol that was struggling to survive to a strong, dynamic patrol that is skillful and vigilant, making the public's visit to the beach all the more safer.

Special mention to, Michael Hughes! Michael has bought this band of banjo playing, rocking chair sitting, grass chewing hillbillies along to the east coast to add strength to and endure a struggling patrol with a loud, chauvinistic, arrogant Patrol Captain. With his daughter Keely, The 2 Dale's, Lindsay and their respective families, they have been a pleasure to share the season with and I look forward to many more.

2nd special mention to our courageous little ones. Keely, Anna, Liv, Leon, Nathan and Jesse. Keep turning up, going strong and getting more awards and you'll be a force to be reckoned with. You make me proud.

In reflection of the last season I would like to say a big thank you to all the patrol members. Life does get in the way and no matter how much or how little you were able to commit, your time was and is appreciated. We had no extremely serious emergencies to deal with and that can only be a reflection on your observation and skill with quickly and decisively dealing with any situation.

All of you- Keep getting more awards.

Cheers,

Adam Amos

Patrol 3

The weather was very kind to Patrol 3 all season. I can only recall one day of inclement weather and fortunately, I could not attend due to another commitment. Thanks to Guy Tanner for substituting for me!

I am fortunate to be the Patrol Captain for a team of members who have been in the same Patrol for many years. Some of us have been together for ten years or more. Ben Hore and I were in the second Patrol team to patrol Mudjimba Beach in 1996. I have the luxury to know our team very well and I can rely on each one of them to perform the tasks required to keep our beach fatality free.

Thanks Kim, Ben, Andrea, Jenny, Amanda, Shaughn, Di, Todd, Billy and Gemma for another great season and I look forward to many more fun filled days on patrol with Patrol 3. Oh yeah, also vigilance and service.

Steve Smith

Patrol 4

2011/2012 has been a great year for Patrol 4. The combination of youth and experience on the patrol has certainly ensured that there are very few dull moments on the beach. The "young pups" took on the "old dogs"

In many a training challenge and as the gap gets closer and closer the " old dogs" are starting to think this concept has seen its day on our patrol (or maybe we just don't want to bebesten)

A huge thank you to all on our patrol for your vigilance and volunteer service at Mudjimba Beach. We do a great service for our community and the professionalism each of you show makes the tasks that much more enjoyable. I hope all will return to the beach next season and certainly I hope you return back to Patrol number 4.

Darrin Edwards

Patrol 5

An exciting season has come to a close with all the fun being had on Patrol 5. This season we had a few new faces join the patrol group which has made the patrol bigger than I thought I could handle but we all worked together and created a great patrol by the end. Patrol 5 has turned into a family affair with a number of families bringing their kids to the beach to patrol or just have fun. The season was pretty quiet as there weren't many rescues; this gave us a chance to hone skills, train and get to know each other better, while still having fun.

I'd like to congratulate all my patrol as they have performed at such a high standard with all tasks that I have thrown at them over the last season. I would also like to congratulate CJ who competed this past season in many events from club champs to branch comps; she will be one to watch over time.

Over the next few seasons I will have many SRC's upgrading their skills to be Bronzies, IRB crewies and there may be a few First Aid Officers.

I hope to see u all back in the red and yellow on the beach where we belong, all fit and eager to patrol and have fun.

Mitch Shuttleworth

Patrol 6

Patrol has had a great season considering the poor weather they have Patrolled our beach. With good attendances Patrol 6 had 13 wet days out of 20 odd Patrols, with only us at times on the beach huddled in the arena fantastic effort and commitment from everyone involved. Well done guys and girls.

The Patrol has lost a few members from last year and gained valuable new members. We now have a fantastic mix of experience and new blood, young and mature to enter next season.

Fantastic effort from our Masters who have competed in Branch, State and National Surf Lifesaving Championships. You have done our Patrol and Club proud. Many thanks for your commitment and help with our team throughout the season.

Peter Harvey

Patrol 7

We done to members of patrol seven for their hard work this season.

There were no major rescues or incidents recorded on our patrol for the year. This is due directly to the efforts of the team. This season saw Micaela Prior, Sophie McLaren, Riley Logan and Mackenzie Logan all gain their Bronze Medallion award. Both Micaela and Sophie then went on to gain their IRB crew award. Jess Gorman returned to patrols, Harrison Gorman gained his SRC.

We all held our breaths when we heard of Mitchell White's accident, fantastic to see him back on the beach. Our one beach inspection saw Sophie and Micaela ace the resus and the patrol only lose a hand full of points. Happy off season to you all and thanks for your support

Guy Tanner

Patrol 8

Well done everyone – we made it through another season and what a season it was, by far the best weather and surf conditions in living memory, Life member, Mick Coleman made the comment just recently when he returned from a roving patrol over at the island that it was his best patrol ever (nothing to do with the left hand break).

A big thank you to Mick, Wayne, and Don for being the senior members of the patrol, through your dedication and understanding of beach conditions we have enjoyed yet again a relatively uneventful patrolling season.

This season we added a few new members to the fold, now we have a really good balance of age and experience mixed in with youth and enthusiasm. It's been a very enjoyable for me to patrol, with a lovely group of smiling and laughing dedicated life savers that when it came to the crunch I had every confidence that they would and did perform to the highest level.

Once again thanks guys, it's been a privilege to be on the beach with you and look forward to next season.

Dean Hore

Patrol 9

It was a testing season with particularly nasty conditions occurring, continuing from Christmas onwards. This contributed to a number of drownings on the Sunshine Coast and nationally. Mudjimba lifesavers performed a number of rescues ensuring the public a safe day on the beach. I congratulate everyone on their professionalism and vigilance. Give yourselves a well-deserved pat on the back.

With only an average age of 22, we are one of the youngest patrols in our clubs history. Showing that the young guns of the club, are quite capable of providing exceptional safety, and care, to the members of the public who enjoy their weekends on the beach.

Members of our patrol have participated on quite a few extracurricular patrolling activities this season, from participating in two body retrievals, to contributing countless hours to operations support, club fundraising and we have even sent them on branch and state leadership and youth development camps.

We started the season with a real "blokey" patrol thanks to Danni King, Sammy Burns, Leah and Molly Harvey, Aleira Mellor, Indi Tanner, Shannon Brown, Lou Colley (random ring in) and Vicky Brown. But thankfully the inclusion of Val Colley, Khan Bassal, Jason Hall, Daniel Manton and Clayton Wilks provided a welcome female touch which we really couldn't have gone without.

Of course most of this incredible success is due to the amazingly talented leadership team, that really just steers the patrol in a positive direction and ensures that everything goes to plan... most of the time. In conclusion we would really like to thank everyone, not just in our patrol, but also the entire club, for a great season on the beach. We'll be back next season raring to go.

Application for membership of Patrol 9 will be considered over the off season, please forward all applications, along with references to g_ullible@patrolnine.com.au

James and Kye

(Goose and Maverick)

Youth Development Officer

Another great season has flown by on the beautiful beach of Mudjimba. It has been a pretty big season on the youth development front. We held our first SRC camp for the under 14's at the beginning of the season. What a blast everyone had. All the kids were on a high from it weeks after with many stories to tell. It is on the calendar again for next season so keep your ears peeled. The Rainbow Beach camp also saw a heap of youth doing their first ever patrols this season they have been excellent for all of our patrols.

We have also had a substantial amount of kids attend branch and state level camps and they should be very impressed with themselves as we have had some great feedback from branch and state levels commenting on how great our kids are. On a sadder note, the young pups lost Dogs Day again. I think we seriously need to re think our game plan for next season! Along with other youth events which we have had along the way this season it has overall been an awesome season and lots of fun was had by all.

What's on the cards for next season? I am not nominating for Youth Development Officer next season although I think Mudjimba SLSC is in a great position with our youth at the moment and I hope that the incoming youth development team implements their new, great ideas and helps to grow youth at Mudjimba Surf Club even more. I would also like to thank everyone for their ongoing support with Mudjimba SLSC it has been great to have so much support.

Lastly, I hope everyone has a well-deserved break and enjoys a few months off. I really hope to see everyone's faces on patrols next season we really appreciate each and every little thing you all do around the surf club. You are the people that make our little surf club go around. So have a great break and see you soon!

Sammy Burns

MUDJIMBA SURF LIFE SAVING CLUB
ABN: 88 104 132 551
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2012

Note 1 Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Queensland. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the

(c) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 4:

1. Presents a true and fair view of the financial position of Mudjimba Surf Life Saving Club as at 30 April 2012 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Mudjimba Surf Life Saving Club will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

Dated this 21ST day of May 2012.

MUDJIMBA SURF LIFE SAVING CLUB

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Mudjimba Surf Life Saving Club (the association), which comprises the assets and liabilities statement as at 30 April 2012, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of Mudjimba Surf Life Saving Club is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Incorporated Associations Act Queensland and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects the financial position of Mudjimba Surf Life Saving Club as at 30 April 2012 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Incorporated Associations Act Queensland.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Mudjimba Surf Life Saving Club to meet the requirements of the Incorporated Associations Act Queensland. As a result, the financial report may not be suitable for another purpose.
