## VALE

Sid Hillier, a former member of Mudjimba SLSC passed away earlier this year and the contribution of effort that Sid put into the formation of Mudjimba SLSC should be recognized.

Sid was an invaluable person to have on the Steering Committee that formed the Mudjimba Rescue Service which then allowed us to gain affiliation with Surf Lifesaving Queensland, Sunshine Coast Branch. His wealth of knowledge of Surf Lifesaving steered us along the path to become Mudjimba Surf Life Saving Club.

Sid was Secretary of Mudjimba Rescue Service, then Secretary of Mudjimba SLSC and then Treasurer of Mudjimba SLSC, and at the same time, he was the Administrator of Marcoola SLSC. A truly remarkable feat.

Sid was the always the cranky old b-----d at Committee Meetings. You always had to be careful what was said and would always get shouted down if you did not follow the rules and regulations of Surf Life Saving. It was like walking on egg shells when you were near Sid, or if you had to talk to him, you would always be mindful of every word that you spoke. We would all fear the wrath of Sid Hillier. However, we all knew that his intention was all good for the cause of Surf Lifesaving.

Sid left Mudjimba SLSC in 1999 due to the amount of work as Administrator of Marcoola SLSC. We thank him for the great work that he did at Mudjimba SLSC. His work is documented in the Annual Reports 1-4.

RIP Sid Hillier

## Mission

“Zero preventable drownings at Mudjimba Beach”

## Statement of Values

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team with our internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

## Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- Respect the rights, dignity and worth of others.
- Be fair, equitable, considerate and honest in all dealings with others.
- Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- Be professional in, and accept responsibility for actions.
- Make a commitment to providing quality service.
- Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- Refrain from anything which may abuse, intimidate or harass others.
- Preserve and protect the standing and reputation of the Association.
- Understand the consequences of any breach of SLSA’s Member Protection Policy or Code of Conduct.

## President's Report

What a great season our little club has had, not only did we have some of the best weather and conditions we have had for several years, we excelled in just about all areas related to lifesaving. Our members should be justifiably proud of the season we have had, as they are the ones, who put in the patrol hours, do the training, improve their skills and provide a community service. What a fantastic effort Mudjimba.

I would like to thank the Patrol Captains, the Vice Patrol Captains, our Bronzies, our Award holders and our SRC's all of the people who contributed to us posting a club record 10,000 patrol hours in one season. An amazing result, and a true testament to the commitment and passion our members have towards lifesaving and our community.

I have had a great time being Club President this season, it has been both rewarding and at times challenging. Our club was certainly lucky to have had founding members such as Steve Smith, Mick Coleman, Greg Carson, Guy Tanner, Mark Windsor, Sid Hillier and many others who established a club culture at Mudjimba that is special and unique. Our culture is something that all of us should be proud of and we all need to help preserve that culture as our club moves forward.

We were also fortunate this season to be able to induct two new Life Members Kim Hatton and Darrin Edwards Both of these people have contributed to the growth and the success of our club and are very deserving of being awarded Life Memberships. Congratulations.

Some of the more memorable moments over this season include, the mutton birds on our beach, the huge amount of pumice that was washed up, the Mudjimba to Mooloolaba swim, the hail storm with hail the size of cricket balls that rained down on patrol 2, Natalie Cook coming and talking to our younger members and starting a nipper volleyball program, our Rainbow Beach camp for the SRC's and Bronzies, a visit by Coolangatta Gold winner Ali Day, Red Faces night, our Christmas party and our clubs amazing results in Surf Sports - this all helped make for a terrific and memorable season. But the most important thing was, we had a successful season patrolling our beach with all our friends and visitors going home safely.

Next season our club will continue to develop closer ties with the Mudjimba Community. One of our recent initiatives has seen several members of the Mudjimba board riders invited to join our club as associate members. This is all about our club engaging with our community and also helping to develop and maintain a healthy relationship with our fellow beach users.

When I first started here as a patrolling member I did not appreciate nor understand all the work especially paperwork that needs to be completed by the Executive and Management Committees on our behalf. It is amazing and we need to remember that all of the management team are volunteers, volunteers who share a passion to keep our beach safe and our club in good shape.

I would like to thank the people who make up our clubs Executive, Management and Lifesaving Committees; Guy Tanner, Pete Harvey, Cheryl Prior, Fay Tanner, Steve Smith, Adam Amos, Scott Cossar, Graham Miliken, Dean Hore, Katherine Douglas and Andrea Fesselet. You have all contributed to a hugely successful year at the club. I would also like to thank and acknowledge all the great work that Val Colley our administrator does. Val has made my job a lot easier.

This season we have had some remarkable surf sports success at junior and senior levels which has been a result of many hours of hard work by our trainers and coaches. Todd McSwan, Lindsay McDonald-Clow, Scott Peirce and Guy Peirce you have all helped our members achieve some fantastic individual and club results, including our first ever Gold Teams Medal at Aussies.

My final thanks goes our sponsors for their support, a club such as ours just could not operate without their generosity. Our heartfelt thanks goes to the Bendigo Bank, Nambour RSL, North Shore Realty, Nambour Smash Repairs, the Boardstore, Mudjimba Beach News, Scream Print Screen Printing, Mojo Burns, Park Lakes Bli Bli, Queensland Government, Sunrise Bakery, North Shore Lions and everyone else who supports our club.

Thanks for a great season and I hope to see you all back next year for an even better season.

Yours in Lifesaving  
Michael Hughes  
President

## Office Bearers Reports

### Club Captain

What a fantastic season our little club has had, “punching again and again above our weight”. Thank you to everyone for the support and embracing my first year as Club Captain. A special thanks to Michael Hughes for giving me the support required in making the Transition. It only feels like last week that we all paid our fees and completed our proficiencies.

Firstly, I would like to thank each and every member who patrolled our beach this season for your contribution to our vision statement of “Zero Preventable Drownings at Mudjimba Beach”. It was fantastic to have the Sun Gods shine on us this season to make our time on the beach exciting and enjoyable. We had challenging surf conditions at times with multiple rips, rocks and sand changing on a daily occurrence.

This season we have had a great number of youth added to the patrolling ranks of eight very strong patrols. Our youth are our strength and driving force for the future and they are bringing out the best in our club. A special thanks to Larnie Tierney our Youth Development Officer for her guidance and inspiration.

As with previous seasons we have been very active within the training department. Thank you to all our Trainers, Assessors and CTO Guy Tanner. It has put the club in a great position with 178 patrolling members, made up of 76 (14-18yr active members), 93(18yrs plus active and life members) and (9 award members) with strength in all awards giving room for expansion of our patrols.

Well here comes the important part of Mudjimba SLSC, the patrols of our beach. Thank you to the Patrol Captains and Vice Patrol Captains it was a pleasure to work with you. Your dedication, vision and commitment to the movement shows the passion within the club. It has been a great season with good results and some brilliant rescues. This season at Mudjimba Beach we patrolled a Massive 10225.75 hours and completed 56 rescues, with only 16 of them were between the flags. The great abilities of all you members to recognise and prevent an event are outstanding with a total of 1289 preventive actions.

The spirit within the club is strong with the support shown in the annual Door Knock, Xmas BBQ, Red Faces night, Carnivals, Fund raising, Charity events, Club Championships, Dogs Day and the Annual Dinner. Mudjimba SLS community I salute and thank you.

Lastly a very special thanks to the wives, husbands, partners and families for the supporting all of us with the office hours we spend at the beach doing what we cherish and love.

Thanks for the good times.

Peter Harvey

## Secretary's and Registrar Report

For those of you who don't know me, I have been a member of the club since Indi started Nippers in 2005, then in 2007 I took over the role of JAC Registrar from Maree ... thanks Maree... moving along to 2010, Maree again handed over her reigns for me to take on the role as Senior Registrar... thanks again Maree! I should have seen the pattern. I became Secretary for this wonderful Mudjimba SLSC this season (2013/14).

Some days our house became a mini registration office which is now changing with all the registrations being able to be completed on-line. Thanks to Val for assisting in the transition. I encourage you all to have a look at your on-line account; you can find all sorts of things there.

I would like to thank Michael and Cheryl for helping us get the job done and the rest of the committee for keeping the monthly meetings entertaining and our bellies satisfied. I would also like to thank GT.

The Annual Presentation Dinner was something I had never organised before and I would like to thank everyone who helped put me on the right track. I would especially like to thank Wendy Coppo for decorating the tables and hall for us, what a wonderful job!

Over the years I have seen many changes in the Club; with the growth of membership, upgrades and changes in the computer systems we use and people come and go and come back. Which-ever way you came to be here, you have helped make the club what it is – a friendly, family Surf Life Saving Club and I feel thankful I have come to know you.

Looking forward to another great year

Yours in Lifesaving

Fay

Secretary and Registrar

Club Service Award - Fay Tanner

Champion Patrol – 3

Radio Operator of the Year – John Hunter

IRB Crewie – Victoria Gray

National Long Service Award – Steve Smith and Guy Tanner

Male Cadet Champion - Mitchell Davison  
Female Cadet Champion - Tamara Cook

Club Captains Encouragement – Nicolas Charkow

## Treasurer

The audited financial results are included in this Annual report for members review. Overall a successful year from a financial point of view with an increase in our cash position due to:

- Increase in sponsorships and signage (thanks President Michael) and donations from supporters
- Increase in overall membership numbers
- Sale of surplus equipment
- Reduction in repair costs (Old vehicle and IRB's in 2012/13)
- Overall control of operating expenses (we run off the smell of an oily rag and a lot of volunteer hours)

Our operational costs are met by the SLS Operational Subsidy which was unchanged from 2012/2013 and our Membership fees. We continue to rely on the awarding of Grants, participation of members in fundraising events and on wonderful donations from various members of our Community to fund our capital and asset purchases.

## Grants

This year we received approval for 2 grants.

Sustainability Grant (SLS)	Recovery of State Conference fees only
More Beaches Under Guard	New 4WD Ute

## Donations

The Club has many wonderful supporters who have provided funds for specific and general capital items and expenses – Energex, D Weir, Akers Family, Nambour RSL, North Shore Lions, Mudjimba Art Group, D Alford, G Moyle, North Shore Realty and many more. We could not function without the unceasing generosity of the community.

## Fundraising Activities by Members

SLS Doorknock, Water Safety for Noosa Tri, Caloundra Tri, Qld Swimming and Junior Tri at Twin Waters, BBQ for Jet Ski Champs, Nippers BBQ. These fundraising events not only add to our coffers but also have generated enormous goodwill due to the professional and competent way we as a club participate at these events. Congratulations to all (particularly YIPs and their parents) for giving up their time in this way.

This is my third (and intending to be last) as Treasurer. I am continually amazed at the time and effort so many people put in to making this small Club run effectively and the wonderful family culture we have here. Thank you everyone (particularly Val) for your assistance to me.

Cheryl Prior

Hon Treasurer

## Chief Training Officer

Many awards gained during the season including 28 new SRC's and about 29 new Bronze awards. Other awards trained included, IRB driver and crew awards, advanced resus and spinal, Patrol Captain, ATV and Tractor, Assessor and Trainers award.

The season also had Katherine Douglas complete her Gold Medallion, which is a very tough award to gain. It tests both the physical and mental side of the trainee, well done Katherine.

I would like to thank all the members who turned up to complete their awards, **without you we do not survive.**

I would also like to thank our small but determined group of trainers and assessors, Katherine Douglas, Steve Smith, Peter Harvey, Kye Burke, Scott Cossar, Dean Hore, Kaitlyn Akers, Narelle Robertson, Ben Hore and James Crockett.

Regards

Guy Tanner

## IRB Officer

Nice quiet season on the IRB front, most importantly no injuries. Some repair work is being completed in the off season, along with motor servicing. The boats and motors in general are in good condition, this is due to our members looking after our equipment.

Thanks to Glen Lamont for helping out and caring for our fleet. Hopefully I can talk Glen into taking on the IRB Officer role next season.

Next season will see the full implementation of PFD's and some development in the foot strap area.

Guy Tanner

## Clubhouse Director

To do nothing results in nothing, to do something results in great achievements. From the ordinary to extraordinary from the adverse to the diverse, people coming together with a multitude of skills, talents and beliefs however with a single goal, a passion to endure, a common ground with limitless resources....., what I'm talking about is human spirit.

Mudjimba Surf Life Saving Club is the quintessence of human spirit. Its infectious embodiment glows from every member and those associated with it. Young ones, Old ones, loud and proud, quiet and meticulous, experienced ones willing to guide the way and pass on the flame. Our family surf club "Mudjimba" to which I am proudly a member of, I thank you for the ride of my life and wish to continue on. Ready for a challenge, willing to learn and serve. Community minded, senseless acts of beauty performed at a phenomenal rate. Who wouldn't miss another season or be anywhere else for that matter.

Thanks,

Scott Cossar

## Clothing Officer

It's been another busy season with many items being supplied from our 'Clothing Cupboards' hi vis pink vests, swimwear, rashies, water safety vests, caps, hats, t-shirts, polo's, shorts, long-sleeved button up shirts, new patrol uniforms, hooded zip jackets.

It's great to see our Mudjimba SLSC Club merchandise being worn around the coast and beyond.

Special thanks to Lisa for her time this year you will be missed, a warm welcome to Madeline. On this note I would also like to thank anyone else who has given their time and assisted me with the 'clothing cupboards'.

Yours in Life Saving

Andrea Fesselet

## Junior Activities (Nippers)

### JAC Chairman

WOW, that was a baptism by fire!

I have run a small business for about 15 years, patrolled for 7 years, Patrol Captain for most of those, been a Waverunner Operator for 4 years and a deputy JAC for 1 year, with all this experience I undertook the role as JAC Chairman but could not comprehend the magnitude of what encompasses a Nipper Program.

130+ kids, 50+ parents and carers, 40+ water safety, food, entertainment, competition, education, a weekly program in potentially dangerous conditions, and so many other elements I won't bore you with. This turned out to be like running a small Corporation.

The most rewarding aspect of this role is how a great committee can bring it all together and that is what I was blessed with. Our committee is a good and strong committee with a huge depth of experience, a mixture of ideas and opinions, to which it was a privilege to Chair.

Special thanks to our outgoing Secretary Karyn Cook and Awards/Education officer Nikki Currie who were both a wealth of knowledge and information. Dale Bishop, after 3 years as an Age Manager leaves us imparting all that positive knowledge and skills into those kids which will surely benefit their lives into the future. Thanks Mate.

Jodie and Bruce Johns, Mat Baldock, thanks for your endeavours in the kitchen. Enjoy some time on the beach with your kids. Cheers

Age Managers, Assistant Age Managers & Water Safety, your dedication is amazing, to which all our kids, families and Surf Club are eternally grateful.

With amazing people, amazing things can happen. This was never more so true than the commitment Swanny and Lindz put into our Surf Sport Kids and the outstanding results they have achieved. Without doubt the most successful team at Branch and State levels ever.

Regardless of the success that is achieved, what is truly inspiring about this team is the spirit in which they go about their work. Hard work, commitment and perseverance during training and an attitude of respect and support for each other, which is second to none and most important, fun on the day is what I believe makes this the most successful Mudjimba Nippers Team ever.

Thanks to you boys and the parents for supporting your kids. Plenty of training in the off season in preparation for next season, so let's keep rolling.

A massive thanks to all that have put up their hand for next seasons committee, welcome back to the people continuing on and congratulations to the new members, it is an extremely rewarding experience you will remember forever.

I have many fond memories from the 2013/14 season, a few of which were going to my first Rainbow camp and seeing the dedication our trainers put into our U14's to get them to SRC, meeting an Olympic Beach Volleyball Champion, Natalie Cook who helped establish beach volleyball as part of our events, the beautiful weather we so kindly received after a few years of rubbish, getting back in touch with our Northerly neighbours Marcoola in a fun day of rivalry, our awesome points day at Cotton Tree, but the best is to see the bravery of some of our kids overcome their fears and tears when entering the surf, and coming out with beaming smiles. What's even funnier is the U8's and new nipper mums freaking out on where we're taking their babies.

Moving forward to next season will see us starting at the beginning of the September school holidays, so keep your eyes and ears out for registration and proficiency days.

Proficiency days, we will be **STRONGLY** encouraging parents and carers to swim the 200m required to obtain your Surf Rescue Certificate. This is one of the only sports out there that you are encouraged to participate with your child, so if you don't think you can do it, start training.

Surf Sports will be massive again and there's a greater involvement with the youth to help train our kids in all the skills they have learnt through their time as Nippers.

Thank You Again for your trust and support throughout the season and I'm looking forward to getting stuck into it with the new committee to make 2014/15 bigger and better.

## Surf Sports Officer's Report

2013/ 2014 season would have to be the best season in the history of Mudjimba SLSC. The enthusiasm of members to compete at Carnivals was outstanding and this resulted in Mudjimba being a competitive force in the Sunshine Coast Branch.

Coaching and training for Nippers was taken to a new level this season which resulted in many members winning medals at Branch and State Carnivals.

The U8 – 10 Branch Carnival at Redcliffe was well attended with great results.

At The U11 – 14 Branch Championships, 1 Gold, 1 Silver and 4 Bronze medals were won and the Club placed 9th overall.

The U11 – 14 State Championships were held at North Kirra and a number of members represented the Club at this Carnival. There were some great results including I believe, the Clubs first medal at a State Nipper Carnival. The U13 Male Beach Relay Team won a Silver Medal. Congratulations to all.

Thank you to Todd McSwan, Lindsay McDonald-Clow and Scott Peirce for all the time and effort put in to coaching the Nippers. The results of your time is appreciated.

The Masters competitors had a busy season with good results. At the Coolum Masters, Mudjimba was placed 4th overall.

The Branch Championships were held at Mooloolaba and Mudjimba placed 7th with 7 Gold medals, 3 Silver medals and 17 Bronze medals.

The State Championships were held at North Kirra and the competitors won 5 Gold medals, 5 Silver medals and 4 Bronze medals.

The Aussies were held at Scarborough Beach WA. Todd McSwan, Lindsay McDonald- Clow, Mick Coleman and Scott Peirce competed. They won Gold in the 140 y/o Beach Relay, which is the first team Gold medal won by Mudjimba at the Aussies. Todd McSwan won Gold in the 40-44 y/o Flags for the second straight year. Congratulations to all.

The number of Masters Competitors has grown over the past 8 years due to the enthusiasm and commitment of Guy Peirce. We thank Guy for his time and guidance since joining Mudjimba SLSC.

A team of members competed in the Branch Surf Rescue Championships and were placed 6th overall. Thanks to Katherine, Keely, C.J, Frosty, Josh, Ashleigh, Jamie-Bree, Zara, Dana, Mel and Sharon for representing Mudjimba SLSC at this Carnival. This Carnival is all about the core of Surf Lifesaving and we are very thankful to have these fine members represent our Club at this event.

Katherine won the Champion Lifesaver event and went on to compete at the State Surf Rescue Carnival. Mitchell Davison also qualified for the State Surf Rescue Carnival and enjoyed the experience. Thanks to Peter Harvey and Kye Burke for the time and effort put into the training of these competitors.

I would like to thank all Team Managers, Coaches and Water Safety personnel who assisted throughout the season. Special thanks to Officials who attended Carnivals this season. Without Officials, we would not be able to achieve what we have done this season.

## Dogs Day

A small rain storm didn't dampen the spirits of the old dogs and young pups for the Dogs Day Challenge after the Club Championships.

Once again, the Old Dogs prevailed by winning the Touch Footy and the Boat Race.

The Softball was won convincingly by the Young Pups.

The Dogs Day Challenge was started in the first season when Mudjimba SLSC was formed. There was great rivalry between the younger members and the older members of the Club, so the challenge was set up to settle the argument of who really are the top dogs and the Old Dogs have won every challenge.

### New Life Members are:

#### Darrin Edwards

Welcome new Life Member Darrin Edwards to the Mudjimba Surf Lifesaving Club. Darrin has been a fantastic patrolling member gaining his Bronze in 1999; he then went on to get his Silver Medallion (Patrol Captain) in 2002. He has been a PC since then & has mentored many members in this role with his strong leadership qualities. He has always displayed a very professional and welcoming manner.

Darrin has also been a very competitive member of our Masters Surf Sports team. He has held the position of Deputy President of our club and with his experience has assisted and advised management committee members.

We look forward to Darrin continuing his involvement in the future of our club.

#### Kim Hatton

Kim has been an outstanding member of the Club and has recruited many friends and relatives. Since she became a Training Officer, she has trained and assessed many Bronze & Proficiency groups over the years; her wealth of knowledge of Surf Lifesaving is willingly passed on other members.

Kim also helps in fundraising, particularly through the Pacific Paradise State School's Surf Awareness Program and for the past thirteen years she has instructed these children and the School makes a donation to the Club for this instruction.

Kim has been a member of Patrol 3 for the past 13 years and Vice Patrol Captain for most of this time. There have been many times when Kim has taken on the task of Patrol Captain without hesitation and with a professional approach. Kim is always fun to be on patrol with. She will always make you smile.

# Patrol Reports

## Patrol 1

What an interesting year – to say the least.

During the 2013/14 season, Patrol One has been hit with the influx of new patrolling members including Diane, Holly, Bronte, Jake, Jonti and Judah plus a few additions from within the club; Sam, Robbie and Hayley. We also lost a number of ‘those who shall not be named...’ bringing our patrol to a regular bunch of beach babes and bums.

The weather was kind for the majority of patrols and ended in a spectacular sunrise and gorgeous day topping the season off on a high.

The steering of Patrol One has been taken in a different direction and although there was a low point during the season, I commend Patrol One members for hanging in, turning up and continuing with their patrol. It is the team that suffers the lows that can reach the highs.

Well done Patrol One and see you all soon,  
Narelle and Dave

## Patrol 2

Having worked with the same individuals for a couple of seasons now you really start to develop an ethos within a patrol. It is Patrol 2's ethos, which is a culture of understanding the seriousness of what our roles are with the ability of not being so serious between ourselves, which makes it such an enjoyable patrol to be a part of.

It is great leading a very family oriented patrol and seeing families enjoying the experiences together. Some are lucky enough to patrol with their kids like The Hughes and McKenna Family; others just enjoy their company when they come down the beach.

We have a great bunch of youth who get along really well and it's great to see other youth wanting to volunteer their time with us.

I was a very proud PC when Lindz achieved his Gold Medal at the Aussie titles and we are lucky to have him bring his passion to our patrol.

We had a huge acquisition in welcoming Katherine Douglas to our patrol late in the season, Kath brings a wealth of knowledge and experience which we'll sure be putting to good use in the training our team next season.

Last of all I wish a speedy recovery to Dale Bishop who will be having surgery to mend his troublesome wrist, Dale has been a vigilant patrol member and an Age Manager for 3 years and I'm sure he'll be back stronger than ever.

Thanks to all you guys for the professional and fun attitude you undertake the patrols with. We had no really serious incidents throughout the season which is a true sign of good beach management, oh, except for nearly killing the president on one of my only days off!!!

Adam Amos

## Patrol 3

Great season. Great patrol team. Great beach. Great weather.

What more could you ask for?

Steve Smith

## Patrol 4

My first season with Patrol 4 and what a great patrol team!

We had a fantastic season with no major incidents and mostly awesome weather. A bit of a shark scare but hey, always wanted to see how fast the beach evacuated!

Thank you to the backbone of Patrol 4. Rather than one Captain this year we had four! Darrin Nic and Cleveland, your leadership skills are the reason every-one of our beach visitors went home safely.

Glenn was our IRB guru this season and I am crossing fingers he takes on this and possibly a bigger role with the IRB's next season... and also convinces Madeline to join us officially.

Grant and Tim thank you for being there every week come rain or shine. Chloe, Hayley and Ollie from First Aid to spotting people in trouble and assisting in rescues, you should be proud of your skills. If ever I'm in trouble I hope you're on the beach that day. Sam, Shauna and Malcolm, I look forward to seeing you again next season.

Welcome back Matt! Am so glad you picked our patrol, your board skills have only got better. And welcome to our newest members Quintus, Ruben and Garrick, after only a couple of patrols I have every confidence you will be amazing Lifesavers.

We had so much extra help this season with members from many other patrols coming in for a few hours here and there, thank you all.

Can't wait to see you all again next Season!

Kamen

## Patrol 5

Super 'n' Awesome some of the best lifesavers about.  
Fun, fitness and family; In the water and out,  
It's with vigilance on our beach, that we serve,  
Taking P5 straight to the top of the lifesaving talent curve.

In Twenty-fourteen we broadened the crew

SRCs and Bronzes': Ethan, Dom, Hunter, Sasha, Conner, Danni,  
Rubes Jack, Tom, Evie, Jake...

The talent just grew!

On our first patrol, Belle with a kayak that had failed to float

Scotty and Chris ...to the rescue in the inflatable boat!

Nippers, water safety, swims, fundraising, doorknocks and parades,

Committees, surf sports, we looked good in our Shades!

As the season went on: Whales, blood noses and dislocated shoulders

We've seen it all, and boy its helped mould us,

We've done rescues and lots of First Aid,

And what's more... I reckon we've made the grade!

We drank coffees; ate ice blocks and cakes and chips galore

Besides footy games, fitness, stories and waves and so much more

The rain came and P5 were sad when we had to bury birds and a turtle,

But Mensa mind games kept our imaginations busy and fertile.

Besides all the mischief, energy and all the good fun stuff

I can think of no better team when the going gets rough!

So caps up and shout out to each one, your PC is so proud of all that you have done!

Kaitlyn

## Patrol 6

2014 --Patrol 6 has been blessed with

- mostly great weather,
- commitment,
- camaraderie,
- fitness,
- tenacity,
- good health and
- enjoyment.

**P**articipation in all Club, Branch, State and National events

**A**ssisted rescues with tubes and IRB and Jetski

**T**eamwork strongly entrenched by working to people's strengths

**R**eliable, rallying for not 1 but 2 Branch Inspections! Go team!!

**O**riginal Mudgie Gang, we hang out at the beach and we can play.....

**L**eadership shared and up-skilling undertaken

**S**trong commitment to personal fitness and readiness

**I**nspiring individuals using their individual talents to help others

**X**citing season--roll on many more

Great season everyone it has been a pleasure to be sharing the awesome time together.

Thanks Patrol Six

Maree Cross & Peter Harvey

## Patrol 7

Fantastic season for the Patrol 7 Group! The season saw Kerry Prior recover from his knee operation. Lots of awards gained by our Patrol through the season. No major incidents to report, which means we are patrolling well.

Very nice seeing our youth coming through and gaining awards and competing so well at club champs day.

Not sure what our patrol will look like next season, with Micaela Prior off to University, India off into the Army, the Logan boys completing grade 12.

Thanks to all on Patrol 7 for a very enjoyable season

Guy Tanner

## Patrol 8

My how times are a changing, I've been reflecting on our extraordinary patrol group, trying to find the words on how best to describe how blessed I feel to be part of Patrol No.8.

From the first day I joined after completing my bronze, exactly the same as all of you, wide eyed, bushie tailed and a little bit tentative I knew this is where it was at, since then I've watched the patrol grow from 3-4 members and at times other members volunteering just to make up the 3 members, to a patrol the size of a small village, and what a special group of people our little village contains, from all walks of life yet with a common goal, looking after the beach goes and having a great time doing it, enjoying what the beach has to offer as well as each other's company, it not hard to realise why we've won the "Spirit Patrol" award a couple times now.

This season has seen our numbers grow to even more, but it's not just the numbers (we're regularly filling the patrol attendance book now) that set us aside, it's being part of a very unique, magnificent group of people, who display a willingness to want to get to know each other, build new friendships and a place where old friendships grow even stronger, that's what sets us aside.

This has been a one season to remember, good surf, great weather, no storms to ripping the beach apart, plenty of time to enjoy all the facilities, I especially enjoyed watching the younger members spend countless hours in the water, at times when conditions are right, only coming out to eat, and boy, do they eat, but not having fun, oh no, up skilling at all times, but seriously, every single member has my upmost confidence that if asked, they could perform their duties to the highest standard.

A big thank you to all the members of patrol 8, with all your skills, knowledge and a willingness to be part of a great team, a patrol captain couldn't ask for anything more, it's a privilege to be the leader of such a fine group of people. Thanks for yet again, for another fantastic season.

Cheers

Dean Hore

## Youth Development Officer

Wow! How excited I am to be writing this report about the season gone, firstly I have to say thank you for the opportunity to work with the most awesome bunch of 78 young people, our Mudjimba Youth ageing from under 14's SRC Cadets through to so many of our under 25 Bronzies.

So what did we do:

We started the year in July or was that the finish I don't know (my first event) with a table of ten gorgeous looking youth from Mudjimba representing us at the Sunshine coast Youth Ball.

August was our first youth meeting and the first of seeing what an amazing crew we have! The fund-raising started, we did water safety for external competitions, Tri Events, sausage sizzles, and anything else we could think of. A massive thanks to all those SRC's, Bronzies Youth and the Senior members who carted them all over the place to make it all so successful.

We kicked off with an amazing Rainbow Camp that meant we had 16 new SRC and 5 new Bronzies.

Pizza & Games Night full of fun and friends. Special Guest Speaker Natalie Cook, Rachel Cross, Aly and Blair Day came to inspire us, inform and educate us.

We had our Christmas party at the Aqua Fun Park a great time had by all.

Then we organised a Red Faces night, thanks to our awesome club captain Pete.

We had 3 different camps, Keely and Coppo went to the Junior State Leadership Camp leadership camp and we had 12 go to Branch Camp and the Apex Camp.

Many of our crew used their Bronze skills and training to get jobs doing water safety at the Aqua Fun Parks, well done guys.

Most importantly watch this space we have the leaders of the future, they are AWESOME!

We are in for a REALLY BIG new season, YIPS program, camps, training and most importantly have fun while keeping the beach safe in 2015!

Larnie Tierney  
Youth Development Officer

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2014**

**Note 1 Summary of Significant Accounting Policies**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland). The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

**(a) Income Tax**

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

**(b) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**(c) Impairment of Assets**

At the end of each reporting period, the committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

**(d) Employee Provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

**(e) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**(f) Cash on Hand**

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

**(g) Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**(h) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

**ABN: 88 104 132 551**  
**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**MUDJIMBA SURF LIFE SAVING CLUB**

We have audited the accompanying financial report, being a special purpose financial report, of Mudjimba Surf Life Saving Club (the association), which comprises the assets and liabilities statement as at 30 April 2014, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

*Committee's Responsibility for the Financial Report*

The committee of Mudjimba Surf Life Saving Club is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 (Queensland) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial report presents fairly, in all material respects the financial position of Mudjimba Surf Life Saving Club as at 30 April 2014 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act 1981 (Queensland).

*Basis of Accounting and Restriction on Distribution*

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Mudjimba Surf Life Saving Club to meet the requirements of the Associations Incorporation Act 1981 (Queensland). As a result, the financial report may not be suitable for another purpose.
