## Mission

“Zero preventable drownings at Mudjimba Beach”

## Statement of Values

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team with our internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

## Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- Respect the rights, dignity and worth of others.
- Be fair, equitable, considerate and honest in all dealings with others.
- Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- Be professional in, and accept responsibility for actions.
- Make a commitment to providing quality service.
- Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- Refrain from anything which may abuse, intimidate or harass others.
- Preserve and protect the standing and reputation of the Association.
- Understand the consequences of any breach of SLSA’s Member Protection Policy or Code of Conduct.

## President's Report

The end of a season is a great time to reflect on how the club has gone in the last 12 months. One of the highlights for me is I am always amazed at the enthusiasm and passion that many of our members and associate members bring each week whether it is to training, nippers or patrol they help make our club a great club to be part of.

Earlier this year when we were visited by an SLSQ representative who addressed a club meeting, they made the comment that they love the culture and attitude that we have at Mudjimba. Anyone who is part of our surf club soon realises we do things a little differently. We have always been a hands on club with just about every member being involved. All of our life members except for one are still active patrolling members of our club.

Our club is lucky to have a great Management Team and dedicated officers; they have all done an awesome job this season running our club. Pete Harvey our Club Captain has worked tirelessly this season to ensure the patrols ran smoothly, Narelle Robertson has kept us on track financially, Steve Smith has pushed our surf sports program, Fay Tanner our secretary has made sure we stuck to our jobs, Adam Amos as JAC shows his passion for developing surf skills in our younger members, Larnie Tierney has continued to provide opportunities for our youth. Our Deputy President Dean Hore continues to leave me speechless and our club administrator Val Colley does an amazing job.

Our CTO Guy Tanner along with our trainers Pete Harvey, Scott Cossar, Kye Burke, Rachelle Cross, Katherine Douglas, James Crockatt, Dean Hore, Don Parry and Kaitlyn Akers have helped our club members gain 205 awards this season.

I would also like to take this opportunity to extend a heartfelt thank you to all our patrolling members who helped contribute to our 10757 patrolled hours between the red and yellow flags. To all our Patrol Captains, Vice Patrol Captains, Bronzies, Award holders and the SRC's who turn up every patrol, once again you have done a remarkable job keeping our local beach safe.

This year our club again punched above its weight in Surf Sports. We had over 60 nippers entered into the branch carnival which is our largest contingent ever. Our Masters team had their best carnival finish coming second at Hervey Bay. These results are because of four people at our club that do an amazing job coaching and training us, pushing us and encouraging us to be better. Our four coaches Guy Peirce, Todd McSwan, Lindsay McDonald-Clow and Scott Peirce are directly responsible for instilling in our members a can do and winning attitude.

Our Surf Rescue teams coached by Pete Harvey and Kye Burke excelled this season with 6 Mudjimba representatives qualifying for state. This carnival is all about testing the core skills of life saving.

Over the next 12 months we will be working on our Clubhouse expansion. This will be a slow process as we need to make sure the decisions and choices we make now are the right ones for the next generation of Mudjimba Lifesavers. Our first step of many is applying to the Department of Natural Resources and Mines to increase the size of our clubhouse footprint. A bigger footprint gives us a lot more options on clubhouse design and we want to get the design right. Getting the design right will involve lots of discussions with our members on what they want as well as our local community. Our club is a big part of the Mudjimba

Community and I would like to see a redeveloped club being used by the community and also becoming a source of income for our surf club.

Our club is also trialling IRB Racing over the next 12 months. The management committee gave its approval to start the trial and this program is being driven by James Crockatt, Kye Burke and Don Parry. We will be following their progress closely and wish them well. The IRB racing initiative will also give us an opportunity to upskill some of our existing IRB drivers and crewies which will have a positive flow on effect for our patrols.

Many of you know of our young nipper Bella Harry and her fight with Osteosarcoma. Bella is still undergoing chemotherapy and has a long way to go to beat her condition. The Benefit 4 Bella that was held at the Novotel Twin Waters Resort was not only a great night and a fantastic show of support for the Harry Family, it was also a testament to what our community can do when we all share a common purpose. Many of our local surf clubs also got behind and supported Bella which was amazing and through their support we were able to make a significant difference. Things like this make you proud to be a part of Mudjimba.

This year we also strengthened our relationships with some of our major sponsors. North Shore Realty came on board with a three year deal as our major sponsor and this support will be instrumental in helping us to develop our club. The Marcoola Community Bank branch of Bendigo Bank also stepped up their commitment for which we are very grateful. Having local businesses appreciate and support what we do makes a huge difference. We are also grateful to our other sponsors Parklakes, Nambour RSL, Nambour Smash Repairs, CrossFit Logic, Mojo Burns, Sunshine Tropical, Screamprint Screen Printing, and Mudjimba Beach News. Thanks for your support.

Finally I would like to thank my family especially my wife Janine for allowing me the opportunity to be so involved at Mudjimba, without their support I could not do what I do.

The 2015 – 2016 season coming up looks like it's going to be a busy one...

Yours in Lifesaving  
Michael Hughes  
President

## Awards Night 2014-2015

### Club Champions

Club Member of the Year	Michael Hughes
Club Service Award	Glenn Lamont
Lifesaver of the Year - Senior	Andrew Owen
Lifesaver of the Year - Junior	Keely Hughes & Darcy Owen

Outside the flags	1,671
Craft users	4,034
On the beach	33,206
<b>Total attendance</b>	<b>54,223</b>

## Office Bearers Reports

### Club Captain

Wow, what a Magic Lifesaving Season 2014- 2015 has been. It only feels like last week that we erected the flags to start the season. First off I would like to thank each and every member who patrolled our beach this season for your contribution to our vision statement of "Zero Preventable Deaths at Mudjimba Beach". It was fantastic this season with weather and unbelievable surf conditions for our spring and summer.

This season we have had some great equipment added with the help of Grants added across the board with new AEDs, radios, rescue boards, Competition boards, Oxy Viva packs, spinal boards and a Resusi Anne with full resus, op airway, Oxy Viva and training defib capabilities. Plus Irb rescue manikin and helmets for IRB training all on the way, setting us up for a great new season.

This season as with previous seasons has been very active within the training department. Thank you to all our Trainers, Assessors and CTO Guy Tanner for tireless efforts. Our club is in a magic position for the future with more courses time tabled for the winter.

Also thank you to Glenn Lamont for keeping us in business with fully functioning IRBs, ATV, trailers and Mobile tower.

The beautiful Jenny Young for looking after all our first aid, oxys and defibs and all supplies. It has always been a weekly effort for her and Milly.

Graham Milliken making sure our radios are up to scratch.

The youth at our club are exceptional with their dedication to the cause and thanks to Larnie our youth co-ordinator for your efforts.

Val Colley our beautiful administrator whose work is never done and keeps us all on the straight narrow.

Well here comes the important part of Mudjimba SLSC, the patrols. Thank you to the Patrol Captains and Vice Patrol Captains it was a pleasure to work with you. Your dedication, commitment and skill to setup and patrol our beach in the moment shows the passion. The year at times has been challenging with big surf, numerous rip currents, holes and rocks to contend with when casting your eagle eyes over the public. It has been a great season with good results and some brilliant rescues.

This season all you great people supported Peregian Beach with patrolling there to assist in for filling the Patrol Service Contract thus keeping that beach safe. Thank You

The start of 2015 we saw the introduction of the new 9th Patrol, with great success, well done P9.

It is a great honour to work with everyone at our little club that ALWAYS PUNCHES ABOVE ITS WEIGHT and the club is in good condition. I wish everyone a fantastic winter and look forward to seeing you on the BEST BEACH in the country.

Peter Harvey

## Secretary's Report

It is great to see our little club continue to grow in all aspects. This year's Management Committee has done another great job in holding the place together, particularly taking into account that we all actually have a life 'outside' Surf Life Saving.

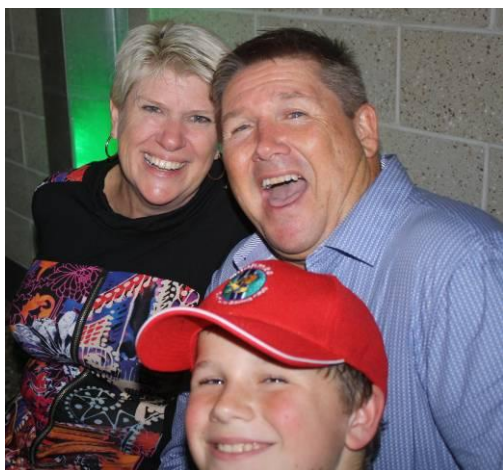

Surf Life Saving, particularly Mudjimba SLSC definitely takes a hold of you to make you want to be a part of this wonderful community.

I take this opportunity to step aside from the Secretary/Management Committee to allow the next Secretary to continue with the progress the committee achieves.

As I have said in past years, the Secretary's job is quite small, thanks to the help and work of Val our finger-on-the-pulse girl/administrator.

See you on the beach.

Yours in Lifesaving  
Fay Tanner

## Treasurer

As this is my first season as Treasurer, I would like to take this opportunity to thank all of the Executive Committee Team in allowing me to 'find my feet' albeit fumbling a few times over what is really wanted in a monthly Treasurers report, as they are not all nerdy bean counters – but they all seem interested – especially when the bank balance increases!

Thank you to Cheryl Prior, who for the last three years has performed this role and has handed over a well organised set of accounts.

Thank you to Val Colley – she is the go to person who is always there with a smile and a wave both in the office and on our shared patrol.

The audited financial results are included in this Annual Report for members review. 2014/15 season was a successful year from a financial viewpoint where we were able to put additional funds into our term deposit as our savings to develop our club.

- We also had an increase in sponsorship, whilst keeping and developing our continuing sponsorships and donations from our supporters
- We sold off surplus equipment and obtained grants for new equipment
- We controlled our operating expenses by utilising our member's talents and abilities

## Grants

This season we received the following equipment from the following grants

- 4 Hayden Paddle Boards
- 6 Digital Radios
- 2 Defibrillators
- Hi Vis training vests

## Sponsorships and Donations

We were fortunate this season with our President speaking with many community members and managing to articulate sponsorships with North Shore Realty and Bendigo Bank coming onboard as our major sponsors, we hope that this is a long and fruitful relationship for both sides. Parklakes BliBli, Mudjimba Art Group and the Pacific Paradise Bowls Club also came to the party with sponsorships, donations and the opportunity of hosting weekly raffles at the bowlsy... Nippers continued their weekly bbq fundraiser and we even jumped into Bunnings Warehouse and did a couple of bbq's at Maroochydore.

Thank you  
Narelle Robertson  
Treasurer

## Chief Training Officer

Thanks to all the Mudjimba trainers and examiners, water safety and course experts. There is no way we could have got through the training that we did without you.

Very pleasing was the amount of Nipper parents who completed their SRC certificates so they could help out in the water. Our club goes from strength to strength and it all begins in our Nippers.

This season had the introduction of the Academy based trainers for Spinal, First Aid and Advanced Resuscitation. This concept improves the level of training as is a huge help to small clubs. Having our own James

Crockatt working for the academy made my life very easy, thanks James.

IRB drivers and crew courses are already planned for the off season along with First Aid and ART. None of this happens without our group of trainers and assessors, thanks to all.

Regards  
Guy Tanner

## Awards Gained

Advanced Resuscitation Techniques [AID]	16	Provide work skill Instruction	1
Apply (Senior) First Aid	17	Provide work skill Instruction	1

## Clubhouse Director

How does one describe the sweet fresh smell of the ocean, how does one describe the effervescent sensation on ones legs when entering the surf.

How does one express the fulfillment when one morphs one's body into a shape of a torpedo and breaks the surface with ones hands beneath a wave like a switch that has been flicked. From walking on land to being immersed in liquid and opening one's eyes and bare witness of another world of aquatic beauty.

The world around you becomes alienated, sight and sounds and gravity become altered states, yet a bond of oneness with the universe transcends through your body like a rebirth and your focus is pure again. And then to ascend to the surface witnessing, iridescent green marbled with light gradually dissipating to the colour of the sky as I glide upward, ever so upward. I look behind to see a great body of wave I have just befriended and with gratitude respect its power and embrace its existence for I am a part of an immense and expanding universe.

I am the club house director, I fix things, mainly the toilet doors, I pick up things, I order things, I open the club house for special events and try to improve its function and make good its services to our members. I am also the nippers educations officer and an age manager and a bronze trainer and a vpc to patrol 5 and I do raffles and sometimes photographer and drawer of plans when required and a hole heap of other cool stuff,(baker of fine foods) however...!

I really really really love to do the fun stuff at our surf club the most, just like everyone else. So I guess without sounding like an ogre, this precious and unique place that we gravitate to most weekends and other days use and own together as a club. We should all take care of and look after. I'm only talking about the little stuff like cleaning up and tidying up. Putting things back in their proper places and treating equipment as if it were your own, because - it is your own, your own beautiful, awesome little great surf club, we all love and care for.

PS, Ben – stop breaking the rescue boards. Only joking buddy.

Look...!!!, in a nutshell – I love our Surf Club, the nippers committee the seniors committee we are all like busy little bees that go about our own business doing our own little jobs and collaborating to make the sweetest thing of all "honey". It's golden, it's pure, its hard work but oh Yeh, it tastes so good. Let's keep do 'in it.

Cheers Groovers  
Scott Cossar

## Clothing Officer

It's been a long hot summer and a busy time in the clothing cupboards.

We secured our first 'clothing' sponsors, Bendigo Bank Marcoola and North Shore Realty adding their logos to the already bright hi vis pink vests at the start of the season.

Laser Plumbing kitted the Masters out with new long sleeve shirts and backpacks along with Eclipse Lawn & Garden Maintenance and their generous supply of trucker caps for the masters' team.

Nippers & The Youth of the club have been seen around in club colours on several occasions - Rainbow Beach SRC Camp, Straddie Youth Camp, Surf Rescue Team (juniors & seniors) Nippers & Youth at both Branch & State Titles.

A new long-sleeve Surf Rescue rashie for patrolling members and a Water Safety long-sleeve rashie have been recently introduced for purchase they have both been received well by members

It's great to see our Mudjimba SLSC Club merchandise being worn around the coast and beyond.

Special thanks to Madeline for her time and effort assisting me this season. Also to the other members that lend a helping hand – thank you.

Yours in Life Saving  
Andrea Fesselet

## IRB Officer

A great year it was with minimum damage to gear and people, a few lost drivers and one rollover that I know of!

BIG thank you to all for helping with rotation of boats and motors as this is the best way to reduce our running costs.

Next year I hope to improve on this year, with all three boats rotated throughout the season.

**See you on the beach**  
**Glenn Lamont**

## Junior Activities (Nippers)

### JAC Chairman

Well that was one of the most special Nippers seasons I've ever been a part of, I look forward to being part of the one that beats it.

We welcomed 16 nervous U14 Nippers to Rainbow Beach SRC Intensive camp in September last year. They were put through their paces, pushed to their limits and educated about the roles and skills of being a lifesaver. After a week of blood, sweat and tears we were proud to release these fine young individuals from the nipper ranks into the real world of Surf Lifesaving.

We had a great numbers with about 135 Nippers registered. We have never had so many parents and carers step up for their SRC and don the orange, there was not too much to complain about with the weather and waves at all.

We had our greatest results in surf sports ever, with much thanks to our dedicated coaches Lindz and Swanny.

These boys, along with the support of the parents, carers and kids, trained with total determination and dedication. At the heart of it all was keeping our clubs philosophy of trying your best whilst having fun.

Starting with U11 – 15 branch at Dickie's in February, we saw the greatest number of competitors our club has seen at a carnival. This was backed up with some amazing individual and team performances with the U11 & 13 boys relay taking out Gold with Girls U11 relay taking out silver. On handicap we came in 7<sup>th</sup> out of 13 against arguably some of Australia's strongest clubs.

A couple of weeks later our little grommies U8-10 had their crack at Redcliffe. The Mudjie spirit lives on strong in our little ones with plenty of enthusiasm in the team and parents. Although results are not supposed to be recorded I can tell you we have some superstars of the future.

Next they were off to State with a team of 24 champions to represent again.

SLSQ wrote "It is proving to be a historic few days for Mudjimba, with the club winning its first ever individual medal at a youth state championships yesterday when Axel Hunter placed third in the 1km beach run. There was further joy for team today when Tyler Gordon claimed bronze in the under-13 male beach flags, and the club won its first ever female medal in its championship history with silver in the under-11 beach relay." Followed by the Sunshine Coast Daily quote "Minnow Mudjimba gets among the medals"

Well that minnow club, out of 41 state clubs placed 21<sup>st</sup>, simply amazing effort.

A massive thank you must be extended to our JAC committee, without your dedication, time, effort and hard work; we would not have a Nippers Program. Without a Nippers program these kids wouldn't have the opportunity to reach these successes along with the friendship, camaraderie and confidence they get from the weekly training. It is with great delight I can advise the most of the committee is continuing on with all other roles being filled at our JAC AGM, plus a couple of extra helpers. I am without a deputy though, so I'll be hunting.

We have an exciting new development for our program next year with the launch of our inaugural U6's and U7's program. We are one of the only clubs on the coast without the program and we believe it will do a lot to boost our member numbers as well as parent participation rate.

The U14 SRC will be part of their mentoring program with the assistance of parents, carers and water safety.

The saddest and yet most rewarding aspect of Nippers this year was learning of the fight that one of our U12 Nippers had to face, Bella Harry. I remember the day I found out. I arrived for a patrol and the Nippers were training for a carnival. They wrote on the backs of their hands "4 Bella". It brought tears to my eyes then and still does now. We all know what an anthem that phrase has become for the plight of this beautiful girl. Everyone I'm sure has a good understanding of what this little champion is up against and the whole club's support is behind Bella and the Harry family.

What was soooooo special was how something so terrible can unite a little club and bind it together even closer. With some extraordinary fundraising efforts from some extraordinary individuals, the Harry's family battle will be a little easier.

Love This Club!!!

Adam Amos

Thank you to all competitors for making the day an outstanding success and special thanks to all members who assisted on the day.

Steve Smith  
Surf Sports Officer

## Surf Sports Officer's Report

Thank you to all competitors for the wonderful season we have had at Mudjimba SLSC. Competitor numbers have increased enormously this season and thanks must go to the Surf Sports Coaches for their expertise and motivation. Well done Lindsay McDonald-Clow, Todd McSwan, Scott Peirce and Guy Peirce.

Special thanks to Peter Harvey and Kye Burke for training members to represent our Club at Surf Rescue Carnivals. Surf Rescue Carnivals are what surf lifesaving is all about. Skills are tested in surf lifesaving knowledge, resuscitation and physical ability and there is a lot of training required to be competitive at these carnivals.

Thanks to Mitch Davison, Darcy Owen, Ashleigh Aubrey, Jamie-Bree Bachman, Keely Hughes, Jarred Curnow, Tamara Cook, Emily Gleeson, Phil Daniels and Sharon Young for representing our Club.

The Masters competitors continue to grow in numbers with great results at various carnivals throughout the season. The number of master's carnivals has reduced over the past few seasons which has made it difficult for the old folk to be "competition ready".

Nippers had a tremendous season competing at carnivals this season. A report of the accomplishments of our Nippers will be found in the Junior Activities report.

We must never forget the assistance of our Club Officials at carnivals. These members put in a lot of hard hours on the beach just so our members can compete at carnivals. Without Officials, we would not be able to attend carnivals. Thank you so much to all Officials who have helped out this season.

I look forward to next season with the Aussies being held at Maroochydore Beach. A great incentive for all members to give it a go!

Steve Smith  
Surf Sports Officer

## Dogs Day

The annual challenge between the Young Pups and the Old Dogs was held after the Club Championships on 18 April 2015.

The weather was fine and the competition was as ferocious as every other year.

The Old Dogs once again prevailed by winning the Touch Footy and the Softball.

Keep trying, Young Pups. There is always next year!

Steve Smith

## Life Members

### Life Members of the Club are:

Michael Coleman  
 Gregory Carson  
 Darrin Edwards  
 Gloria Ellis  
 Kim Hatton  
 John Prenner  
 Steven Smith  
 Guy Tanner

### New Life Member is:

#### Andrea Fesselet

Andrea Fesselet has been a member of the Club since 1998. She got her Bronze Medallion in that year and has continually gained many other awards.

Andrea has encouraged many other community members to join the Club and still continues to do so. Many members still involved with the Club are due to Andrea's encouragement and recruiting ability.

Andrea fulfills her patrol obligations and has performed countless hours of Water Safety for the Nippers and Water Safety for special events. She is a valued member of Patrol 3 and is highly regarded and respected by her peers.

Andrea was the Club Treasurer for three years in the early days of the Club. At that time, the Club borrowed funds to build the Clubhouse and it was due to Andrea's skills as Treasurer that the borrowed money was paid back in a very short time setting the Club up to be debt free.

Andrea and her husband Gilles, have contributed greatly to the Club through their clothing businesses over the years and Andrea is still the "got to" person when any Club clothing is required.

Life Membership is the ultimate award to a Club member and Andrea has proven herself to be worthy of this award.

## Patrol Reports

### Patrol 1

Another season finished, another year done....

Season 2014/2015 was a great season with no Tsunami warnings, no disappearing beach and no other emergencies for us. Oh, but there was that cyclone and Jonti did perform admirably in the IRB with Glen and well, we did have a shark sighting that closed the beach twice during one Sunday Nippers.... Oh well, a bit of excitement makes the day.

I thank all of the Patrol One members for always doing a great job of keeping our piece of paradise safe. We achieved a fantastic number of awards this season and now have three spare Silver Medallion holders to hold the beach – thanks Maddi, Jake and Josh. As well as new Crewies, First Aiders and ATV drivers and our newest members of the SRC crew making us a well-rounded crew.

We really say good bye to Kath this time, enjoy the snow covered beach whilst we will enjoy the sun.

Thanks everyone and I hope to see you all again on the beach come September.

VPC Narelle

## Patrol 2

I really makes a difference when a patrol can spend some time together, over a number of years, and really get to know each other and work as a team. We have had a pretty solid crew now since the 2011-12 season and it really makes a pc's role that much easier.

I am blessed to be surrounded by some very enthusiastic young adults who are very skilled at what they do and require very little direction.

This is reflected by our Buhk Wilkes inspection which we only lost about 6 points for. Most of this can be attributed to the additional training the youth receive from Pete Harvey.

My VPC, who just happens to be the club President, Michael Hughes is an amazing individual who I look up to as a mentor. I am pleased his swimming skills are improving and hasn't nearly drowned this year...that I'm aware of.

Congratulations to Dale McKenna for completing his Silver Medallion Beach Management. Another strong award to bolster the ranks of Patrol 2 and to help ease the load on everyone, ok, mainly me.

We have a good balance of youth and experience. Our youth are undertaking their final years of study. We understand and appreciate the importance this plays in this period of your life. Along with work commitments it is sometimes difficult to make patrol but we completely understand and you have our support all the way.

The club is just lucky to have such a fine bunch of older athletic specimens to hold the fort.

Big welcome back to Dale Bishop, who can now hopefully put that troublesome wrist behind him.

Olivia and Lachie McKenna are both training hard, gaining strength in the ocean and success at carnivals. Dale McKenna is training hard trying hard to keep up, just keep trying Dale, you're looking great mate.

Georgia Mills, you're as reliable as the sun coming up and I thank you for all you bring.

Ned, your turning into a red hot crewie mate. Keep it up.

Special mention to Lindz, he did not patrol as much as he would have liked to. I'll take it easy on him though, his absence was due to an unwavering commitment to the Nippers with their training and carnival experiences. Thanks Mate.

Cheers,  
Adam Amos

### Patrol 3

The weather and conditions this season would have to be the best since patrols commenced on Mudjimba Beach in September 1996. Fortunately for Patrol 3, there was only one day that we had to take protection from the elements and that was only for half of the patrol.

Patrol 3 was strengthened this season with 6 new members, mostly SRC. It was a pleasure to watch them develop over the season and I hope that they will continue with lifesaving for many years to come. I look forward to next season when some of these fine young people will do the Bronze Medallion course.

Thank you to all members of Patrol 3. Most of us have been patrolling together for many years and I never tire of your company. The experience gained from years of patrolling makes it easy to be Patrol Captain, knowing that I can rely on each and every one of you to do whatever is required to ensure the safety of the visitors at Mudjimba Beach.

Steve Smith

## Patrol 4

Once again I was honoured to patrol with a fantastic team of Life Savers. No deaths, multitudes of precautions and actions that prevented serious injury or drowning and for once some fabulous weather!

Nic, thank you. I know we will lose you next Season to the allure of those big jet planes and it will leave an enormous gap in our patrol. Can't remember a patrol with you that hasn't included a belly laugh or ten.

Glen, am glad you will be stepping up to VPC next Season, as realised this Season what an important part you play in making sure the IRB is fully charged and ready to motor and generally in just putting everything "together".

Madeline – forever banned from getting injured again as that second set of eagle eyes was sorely missed when you were out of action. And Keely, you may not be an official Life Saver yet but as far as I'm concerned you're already there.

Big Matt am glad you're back, your experience and knowledge of the ocean is incredible. Ollie...awesome man!

Grant and Hayley thank you, always there, always on ball. Thanks Tim, Sasha, Tom, Sam and Ryan.

Thanks also Chloe and Sal though we only had you for a moment this season, I know Patrol 9 appreciated our sacrifice.

Also, big thanks to our ringins this year... Pete Harvey and Maddie especially!

Proud to be a part of this team always and am looking forward to next Season already.

Kamen

## Patrol 5

This season was a cracker by all accounts, 97.7% according to a recent Buhk Wilkes inspection, 100% for resus, and outstanding 100% according to levels of vigilance and service.

A couple of great rescues from the younger members of the team, both outside the flags, a board paddle across the river mouth and back to assist some tourists, mostly spectacular conditions and lots of fun!

We practiced and upskilled some old faces to be new bronzies (Congratulations boys) played heaps of beach touch, were Super proud of our surf-sporty 5's who represented the club at branch and state, dined on Scotty's awesome cooking and got ourselves rescue ready in all sorts of surf conditions in the IRB, helped out at committees, training, club activities and fund raising and Ops support for 24 hour call out crew.

P5 is an amazing bunch of lifesavers, I am honored to stand beside them on the beach secure and safe in the service they provide.

Can't wait to get our toes back in the sand with all our Super AWESOME P5 crew returning next year, between the Red, Yellow and Big Blue!

Yours in lifesaving  
Kaitlyn

## Patrol 6

Patrol season 20014-2015 has been the best in my time at Mudjimba, with glorious weather and unreal surf conditions often challenging us all.

Patrol 6 has had good attendance levels all throughout the season, as is expected of the patrol with so many great people

We welcomed our new members, Alex, Hannah, Jason, Jonti, and Lilly and who have greatly boosted our ranks and adapted well to our team. It also has been great to see Gloria (Pebbles) back with us this season. Fantastic to see our youth being part of a great team.

Thanks to Maree for always being there to support and bounce thoughts off and to cover in my absence. Graham, Scott and Guy love to hear your vision for support as well.

Great to be part of a Patrol that acts when the situation arrives just on instinct. We work well together as team.

It really is a privilege for me to be a patrol captain with such good members, it really makes life easy when you have people who are so dedicated as well as skilled, and I must say real easy to spend the day with. There are so many examples of excellence but unfortunately I don't have the space to write them down but I'll end with a big thank you from the bottom of my heart and I'm really looking forward to getting back together next season.

Peter Harvey

## Patrol 7

This season saw us patrol without Kerry, Cheryl and Micaela Prior. They have retired after a long period with our club and we missed them. We also bid good bye to Frosty and Troy who had to return to New Zealand for family reasons.

It is a credit to the strength of our club and members that we continued to provide a very strong patrol. We had members gain new awards, new members onto patrol and had a good serious fun.

I thank each and every member of our Patrol seven for their dedication, fun and diligence for the season. We had some big days with lots of swimmer's and kept the rescues to a minimum.

Thanks also to Jenny Young for her help as Vice PC as well as our First Aid Officer. Hope to see you all again next season

Yours in Lifesaving  
Guy Tanner

## Patrol 8

Another season has come and gone, and what a incredible season it was. I really do feel blessed to have such a fantastic bunch of folks to spend time with every fortnight, doing what we all love to do, being proud of our Patrol and Club, spending time on the beautiful Mudjimba Beach and making damn sure that everyone who comes down our beach for a swim goes home.

Another aspect I like is that so many of our patrol do extra actives within the club, like water safety at nippers, competing in surf sports, senior positions/roles just to name a few, it tells me that you all just love our club and what it stands for, mateship, a sense of community and strong family values.

Thank you all for another special season, without your commitment, pride in what you do and let's not forget, exemplary skill levels we wouldn't be the crack team that we are.

I'd like to especially thank Steve Tierney for stepping up and taking on the role of PC in my absence, I was hanging around on the last patrol, just relaxing and observing the troops in action and I was filled with a sense of pride as I watched the patrol go about their duties, no one needed direction, everyone just pitched, supported each other and worked together like a well oiled machine, you should all be very proud of this fact.

I would like to also mention that this year was Mick Coleman's 18th year as a patrolling member of Mudjimba and my 7th year of being on the same patrol with him, well done mate, here's looking forward to spending another 18 years with you on the beach.

Cheers  
Dean Hore

## Patrol 9

On January 1<sup>st</sup>, 2015 Mudjimba SLSC commenced a new extra patrol on the roster in what I think is a positive move by the club as we move forward with a healthy active membership. This helps relieve the pressure especially over the busy periods of long weekends and public holidays. This even creates an extra weekend off now and then! It had been over 8 years since I was a PC and I was prepared to come aboard and help out here and go back to being a PC again. I must thank patrol 4 for letting me move across as I was on this patrol for 8 and half years.

A special thank you to my “left hand man” Don Parry for also being PC & VPC. We were determined to make this new patrol team work and I think we have. Thank you to Don’s wife Jeanne for doing extra patrols on our patrol. A big thank you to all the other members of patrol 9, most also made the move over mid-season from other patrols. I think we become a bit of a social hot spot with the younger members as on most patrols we had many “extras” hanging around and patrolling (and going to the shop).

Our team were very keen and always wanted to participate in different ways including the IRB which I think was used on every patrol even when the conditions were very tough and testing.

If there was an award for catering & hospitality, then I think we would win hands down as I have never experiences so much food & drink on a patrol especially when Chad Robertson had to go back to the mines on the following Monday morning!

I would like to thank club captain Peter Harvey, for believing in us and making this move forward for the club.

Well done all & enjoy the off season.

Cleveland Maltman

## Youth Development Officer

We truly have some amazing YOUNG ADULTS

"Shave For A Cure" Olivia McKenna and Dana Summer both shaved their heads (at different times) raised thousands of dollars for the cause.

So many amazing youth ready to do their bronze Scottie Cossar Ran the ICEBERG BRONZE right through June school holidays

Opened the season with a fun day at Aqua Fun Park!

For the first time ever the Youth Group has had a SUPPORTER OF OUR OWN yes that's it this year we were powered up by CROSSFIT LOGIC second Friday of the month we were all able to go for a free workout run by Steve Stockley, who taught us heaps how to work out safely but maximise the output (get smashed).

### Fund Raising & Keeping the Community Safe:

Water safety for Noosa Tri , Twin Waters Tri and First Aid at the North Shore Christmas Party everybody had fun with Sandy at the Mudjimba Christmas Party thanks to two very hot assistants Darcy and Brodie.

Great job on the Christmas Tree raffles this year organised by Keely and large crew of helpers to sell.

Education support for Branch SLS at Australia Zoo for Bindi's Birthday

## Camps:

Rainbow camp: for our new SRC

Camp Commando held at Alex we sent 8 this year

State Breaker Leader Camp

North Stradbroke: for Bronze Youth Only

Oh boy what a trip this is going to be an annual event and it is fantastic!

Fun, IRB training for crewies, Fun, Amazing Race, Fun, Sleeping under the star, fun, swimming, fun boarding, fun, friends, fun, pool, friends, challenges with life guards, friends, fun, Beautiful spot, friends, great food all in lots of friends and fun.

### Competition Events:

First year we had a group of awesome competitors go to the Branch Champs and Olivia went through to State well done, for supporting each other and Mudjimba you make us so proud

### Monthly Social nights:

Last but not least once a month we got together those who wanted to come played volley ball, footy, ping pong and ate pizza, just generally had fun together, and sometimes we have visitors!

Our very own Blair Day local paid lifeguard and Jacob Thomson Works at SLSQ Branch, they shared what and how you can make surf life saving work for you.

Thanks for a great year!  
Larnie Tierney  
Youth Development Officer

**MUDJIMBA SURF LIFE SAVING CLUB**  
**ABN: 88 104 132 551**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2015**

**Note 1 Summary of Significant Accounting Policies**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland). The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

**(a) Income Tax**

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

**(b) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**(c) Impairment of Assets**

At the end of each reporting period, the committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

**(d) Employee Provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

**(e) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**(f) Cash on Hand**

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

**(g) Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**(h) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

**MUDJIMBA SURF LIFE SAVING CLUB**

ABN: 88 104 132 551

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2015**

**(i) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**(j) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

**(k) Accounts payable and other payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**ANNUAL STATEMENTS GIVE TRUE AND FAIR VIEW OF FINANCIAL POSITION AND**  
**PERFORMANCE OF INCORPORATED ASSOCIATION**

We, being members of the Committee of Mudjimba Surf Life Saving Club, certify that:-

The statements attached to this certificate give a true and fair view of the financial position and performance of Mudjimba Surf Life Saving Club during and at the end of the financial year of the association ending on 30 April 2015.

Signed: M. Hodgson  
Dated: 02-Jun-15

Signed: Z. Kalle  
Dated: 02-Jun-15

**MUDJIMBA SURF LIFE SAVING CLUB**  
**ABN: 88 104 132 551**  
**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**MUDJIMBA SURF LIFE SAVING CLUB**

We have audited the accompanying financial report, being a special purpose financial report, of Mudjimba Surf Life Saving Club (the association), which comprises the assets and liabilities statement as at 30 April 2015, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

*Committee's Responsibility for the Financial Report*

The committee of Mudjimba Surf Life Saving Club is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 (Queensland) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial report presents fairly, in all material respects, the financial position of Mudjimba Surf Life Saving Club as at 30 April 2015 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act 1981 (Queensland).

*Basis of Accounting and Restriction on Distribution*

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Mudjimba Surf Life Saving Club to meet the requirements of the Associations Incorporation Act 1981 (Queensland). As a result, the financial report may not be suitable for another purpose.
