QUEENSLAND
Associations Incorporation Act 1981
Section 17

Form 15

Incorporation Number: IA17497

Certificate of Incorporation

This is to certify that

MUDJIMBA SURF LIFESAVING CLUB INC.

is, on and from the twenty-seventh day of November 1996
incorporated under the Associations Incorporation Act 1981.

Dated this twenty-seventh day of November 1996

A handwritten signature in black ink, appearing to read "D. Hutton".

Delegate of Director-General

CERTIFICATE

VFR02 1/96

Mission

“Zero preventable drownings at Mudjimba Beach”

Statement of Values

- ▶ We are responsive to the needs of our members and the community.
- ▶ We operate with integrity, equity and accountability.
- ▶ We operate as a team with our internal and external stakeholders.
- ▶ We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

Code of Conduct

All Members, Officers and Staff shall comply with the following Codes of Conduct.

Individual Members shall:

- ▶ Respect the rights, dignity and worth of others.
- ▶ Be fair, equitable, considerate and honest in all dealings with others.
- ▶ Be aware of, and maintain an uncompromising adherence to SLSA standards, rules, regulations and policies.
- ▶ Be professional in, and accept responsibility for actions.
- ▶ Make a commitment to providing quality service.
- ▶ Use facilities and equipment for their proper purposes, and care for and maintain such facilities and equipment correctly.
- ▶ Refrain from anything which may abuse, intimidate or harass others.
- ▶ Preserve and protect the standing and reputation of the Association.
- ▶ Understand the consequences of any breach of SLSA’s Member Protection Policy or Code of Conduct.

Presidents Report

The 2015/16 season has been another huge year for our little club. Sometimes I do not know how we get everything done, but somehow it seems to fall into place or at least mostly into place. As President I know we may not get everything right, that we could have done some things better. But what I do know is that you would have a tough time, finding a club with more dedicated or passionate members than we have at Mudjimba.

Our club literally runs on the smell of an oily rag; we only have one paid employee who tells me she only does 9 hours a week. Everything else that we do at Mudjimba is done voluntarily. We do it, because we love what we do. There is no other club like us on the Sunshine Coast.

Congratulations and sincere thanks to our 212 volunteer patrolling members who completed 10404 patrol and water safety hours, performed 92 rescues and 1095 preventable actions and in the process have once again kept our fellow beach users safe.

It was great having the Aussies in our backyard this season, as it gave a lot of people, both Junior and Senior members an opportunity to compete and represent our club in the ultimate Life Saving Surf Sports event. Thanks to our trainers who helped get our competitors ready. Mudjimba can also be proud of the fantastic youth we have coming through our club. These young members will hopefully go on to be the next generation of lifesavers.

To our sponsors and supporters, your generosity ensures we can maintain and improve on the community service that we provide. Special thanks to North Shore Realty (major sponsor), the Marcoola Community Bank, Parklakes, The Island Surf and Espresso, Sunshine Coast Council, Novotel Twin Waters Resort (thank you for a fantastic Awards Night), Scream Print Screenprinting, Mojo Burns, North Shore Community Centre, Crossfit Logic, North Shore Lions, Rosslyn Lodge and all our other sponsors and supporters. Our club will continue to build and maintain relationships with organisations that value our service.

After 3 years as President I am stepping down at the end of this season, I have enjoyed my time helping to manage our club and I have been very fortunate to have had a great management team helping to keep our club on the straight and narrow and I thank everyone who has helped me along the way.

Our Executive team, Dean Hore –Deputy President, I wish Dean all the best as he now steps up to be the President. I feel confident that Dean will be a very capable President.

Pete Harvey – our Club Captain would have to be one of the best club captains going around, you always surprise me with how much you get done whether it is helping out on other patrols, helping run a bronze squad or training the next group for the Surf Rescue Carnival. You have again done a fantastic job this season.

Narelle Robertson – Our Treasurer has made some great improvements to how we do and present our accounts. She has kept our books balanced and our accounts reconciled. It has been a pleasure working with you.

Kate Russo – our Secretary. Kate has done a great job this year, but unfortunately she is also stepping down. Thank you for your hard work and dedication. You have served your club well.

Steve Smith – Surf Sports Director, Door Knock Coordinator and official referee for Club Champs day. Steve always encourages our masters and junior competitors to reach new milestones in the surf sports arena.

Adam Amos – our JAC Coordinator. has done a great job this season continuing to share his passion for developing surf skills in our younger members. It was Adams idea to introduce the Under 6 and Under 7 year olds to our nipper program and I think it has been a huge success.

To the other members who helped make up the management team this season, Guy Tanner our CTO, Scott Cossar / Clubhouse Director, Kaitlyn Akers / Grievance Officer, Larnie Tierney / Youth Development Officer, Glenn Lamont / IRB Officer, Kye Burke / First Aid Officer, Graham Milliken / Radio Officer and Andrea Fesselet / Clothing Officer, Maree Cross / Registrar, James Crockatt / Clubhouse Supervisor and Karyn Cook our Official Liaison Officer. Thank you – our club could not do what we do without your tireless efforts, you have all helped make this a great year for Mudjimba.

Thank you to our club photographers Bruce Johns and Andy Owen. So many great moments captured throughout the year.

To our club administrator Val Colley I do not know if everyone realises just how much work Val does for our club. Val is fastidious in keeping our records up to date and alerting me to issues that needed attention. Our club would probably come to a standstill without her. I would also like to thank my wife Janine and my kids for letting me take on the role of President.

This September the 21st will mark the 20th anniversary of the first Mudjimba patrol on Mudjimba Beach. That patrol was made up of 3 people Mark Windsor / Club Captain, Beau Dapra and Jason Trillo. When they started patrols in 1996 our club had only 19 active members who were spread out across 6 patrols and no clubhouse. Thankfully by the end of the season the club had grown to 36 active members. These 36 members patrolled around 2600 hours that season averaging 72 hours per patrolling member.

Mark Windsor patrolled 182 hours, Dave Johnston 183, Laurie Satori 226 and Michael Lawrence 316 hours that first season. Our first members put in an amazing effort and I think it was because of that effort and commitment they laid the foundation of the culture we have at our club today.

I am very optimistic about the future of our club, our membership increased to 479 members and we are on the brink of securing more land around our clubhouse which should be finalised by August 2016. This land acquisition will play a pivotal role in the future development of our club and will be the catalyst for extensive club and community consultation, as we work out, what we need to do to secure our clubs future while at the same time respecting our clubs past.

Whatever, our future clubhouse development may look like, I hope that we never lose the culture that our club was built on, the passion our club was built with and the generosity, compassion and enthusiasm that our members have always had.

Yours in Lifesaving
Michael Hughes
President

Awards Night 2015-2016

Special thank you to Novotel Twin Waters Resort for your support in hosting the Mudjimba Surf Life Saving Club Awards Night for the 2015-2016 Season.

Office Bearers Reports

Club Captain

Wow, what a fantastic 2015-2016 Lifesaving Season it has been in Mudjimba. First off I would like to thank each and every member who patrolled our beach this season for your contribution to our vision statement of "Zero Preventable Deaths at Mudjimba Beach". It was fantastic this season with weather and unbelievable surf conditions for our lifesaving season.

This season we have seen the IRB racing team train hard and now competing for the first time competing in the IRB racing season. We've had some great equipment added with the introduction of a Resusi Anne with full resus capabilities.

This season, with Aussie titles on the coast has seen us being active on our beach with numerous training groups. Thanks to Todd, Lindz, Guy Pierce and Kye for giving you time for us to increase our skills.

Thank you to all our Trainers, Assessors and CTO Guy Tanner for tireless efforts. Our club is in a magic position for the future with more courses time tabled for the winter. Also thanks to Glenn Lamont for keeping us in business with fully functioning IRBs, ATV, trailers and Mobile tower.

Thanks to Kye Burke for looking after all our first aid, oxs and defibs and all supplies. Plus, adding a few new innovations Graham Milliken making sure our radios are up to scratch.

The youth at our club are exceptional with their dedication to the cause and thanks to Larnie our youth coordinator for your efforts. We were the youth development cub of the year last season, making many Sunshine Coast Clubs envious.

Deano and Scottie, thanks for all work with gear and equipment, making sure we are right for the beach and the clubhouse

Val Colley our beautiful administrator whose work is never done and she keeps us all on the straight narrow. With extra work created this season with equipment break downs, you always manage to EXCEL.

Well here comes the important part for Mudjimba SLSC, the patrols. Thank you to the PC and VPC's it was a pleasure to work with you. Your dedication, commitment and skill to setup and patrol our beach in the moment shows the passion. As usual this season at times has been challenging with big surf, numerous rip currents, holes and rocks to contend with when casting your eagle eyes over the public. It has been a great season with good results and some brilliant rescues. Isn't it great to see our eager new members pumping up for their first ever rescues.

A special mention to our committees for keeping our Club smoothly rolling along. Thanks for the tireless work you all have contributed and wishing leaving committee members all the best. You all will be missed.

It is a great honour to work with everyone at our little club that ALWAYS PUNCHES ABOVE ITS WEIGHT and the club is in good condition. I wish everyone a fantastic winter and look forward to seeing you on the BEST BEACH in the country.

Peter Harvey
Club Captain

Secretary's Report

Mudjimba SLSC is going ahead in leaps and bounds! What an honour to be a part of this club as it expands and firmly establishes itself as a Lifesaving Club to be reckoned with – not only in Surf Sports but also in the high standards we maintain in our core lifesaving skills.

Our family is relatively new to the lifesaving world – this was only our 3rd season – so jumping into the Secretary role for the 2015/16 season has been a steep learning curve for me (particularly as a non-patrolling member). But having a brilliant support crew with our Executive and Management Committees and of course, Val, our extraordinary Admin Support, has made the job quite painless!

Our family has been involved in nearly all aspects of our club life now – nippers (albeit only 1 year!), SRC, Bronze, IRB Crew, CPR & First Aid, Youth Camps – Rainbow & Straddie, Patrolling (go Patrol 5!), Surf Sports – Branch, State & most recently Aussies, Lifesaving Championships (Champion Lifesaver), IRB Racing and of course the Executive Committee.

There are not many sporting/community service clubs around that would offer the opportunities that Mudjimba SLSC does. What a wonderful family/inclusive culture!

The Executive/Management Committees do operate with an “open door” policy so all club members are welcome to attend the monthly meetings to get an insight into how the club is managed behind the scenes.

Unfortunately, with increasing time commitments from our family business I am unable to continue in the Secretary role for the 2016/17 season but look forward to still being actively involved in Club activities where I can.

Keep up the good work Mudjies!

Yours in Lifesaving
Kate Russo

Treasurer

Welcome to yet another close of a season, and what a season. I would like to thank our Administrator Val, the outgoing executive committee, my patrol and the rest of the club for a fabulous season.

The season saw us keep our bank accounts in a positive outcome as is the net profit of the club.

My great success for the season was that we passed the \$100K in the ‘new building term deposit’ account – in anticipation for the new clubhouse. It will get lost in the sea of other expenses when the building is agreed upon and construction starts, but at least it is a few drops into the mix.

As a club;

- ▶ We increased our membership fees due to the inclusion of the under 6 and 7's in the Nippers program.
- ▶ We increased our participants in carnivals, both junior and seniors.
- ▶ We increased our sponsorships and grants in order to keep up with technology as well as the constant erosion of equipment by the salt spray.
- ▶ We increased the youth activities.
- ▶ We have been able to reduce our overall expenses

All of these items contributed to the additional funds brought into the club.

As a surf club, we operate on a very tight financial budget. However, with the hours and hours of volunteer time that is invested into the club, both in and out of the water and with the talents and skills that our members have, develop and offer – Mudjimba Surf Club is worth its weight in gold.

Thanks for letting me be part of it.

Narelle Robertson - Hon Treasurer

Chief Training Officer

Thank you to the members who nominated for courses to up skill yourselves. It is very important that the skill level on our patrols is kept at a high level.

To all our trainers and assessors, Kaitlyn Akers, Dean Hore, Don Parry, Peter Harvey, Scott Cossar, Kye Burke, James Crockatt and Steve Smith. Welcome to Ned Carson and Jake Fallis who have joined our trainer ranks.

To our water safety that quietly assists a very big thank you, without you training does not go ahead.

This season also saw the introduction of the advanced emergency care training being completed by trainers from SLSQ. Thanks to James for his expertise in this area.

New courses will be offered from July 2016, including IRB driver, Bronze and Beach Management training.

Look forward to seeing you all again next season

Regards

Guy Tanner
Chief Training Officer

IRB Officer

All in all a successful season with lots of boating to be had.

A BIG thanks to all the drivers & crewies for their time and effort inside and outside of normal patrols.

With the start of IRB Racing there has been plenty going on - with all three club IRBs in use on many weekends.

Change is always a challenge but members, on a whole have been on board with those implemented this season (no pun intended) such as the new gauge and inflation process for the IRB.

Looking forward to an exciting season ahead with more boats and events on the way.

See you on the Beach.

Glenn Lamont
IRB Officer

Clubhouse Director

JFK once said, ask not what your country can do for you, ask what you can do for your country. Wise words, I feel the same applies for our humble surf club. The surf club are the people, it's not the bricks and mortar. We are the spirit, the glue, the vibe, the reason for being. We are the passion the community, the service we provide and importantly the three F's Fun, Family and Friendship.

Mudjimba surf club is full to the rafters with passionate people ready to "do whatever it takes" to get things done. I like to think of us as modern day saints, good people doing good things for good reasons. And thank goodness we do, if you are one of these good people then good on you.

We Aussies embrace the true spirit of being a saint. Volunteering without prejudice, without exclusion and without payment. This is where you will find true happiness, true friendships, true community spirit and true love for who you are and who you care for.

Please enjoy my little poem:

Community thrives on passion, friendship and sharing.

A sense of belonging, of loving and caring.

A larger family of families, interdependent and resourceful.

Enjoying life to the fullest, together with nature, playful and soulful.

Morning swims, nippers and things, patrolling and providing,

Good times to rememba.

Sand, ocean and sunshine, at surf club Mudjimba.

Cheers Groovers

Scott Cossar
Clubhouse Director

Clothing Officer

It's been another busy season with club apparel – hi vis pink vests, swimwear, rashies, water safety vests, caps, hats, t-shirts, polo's, shorts, long sleeved button up shirts, patrol uniforms, hooded zip jackets, IRB racing.

It's great to see Mudjimba SLSC Club merchandise being worn around the coast and beyond.

Special thanks to Madeline for her time this year, you will be missed. A warm welcome to Jenny.

I would also like to thank anyone else who has given their time and assisted me with the clothing cupboards you know who you are.

Yours in Life Saving

Andrea Fesselet
Clothing Officer

Youth Development Officer

What Amazing Young Leaders we have!!!

Our year started with the annual trip to **Rainbow Beach** for our under 14s to get their SRC, fun was had (and hard work), friendships were formed and amazing leaders were found! 19 new amazing SRC's to strengthen all our patrols and indeed they have.

Four of these amazing new Surf Lifesavers from Rainbow, after a rigorous interview process became Junior Club Captains their role was to support JAC in all areas, thank you so much Madison Douglas, Dali Baldock, Ella Ward and Khyle Jones, you did an amazing job of helping but most importantly encouraging our nippers to do their best and feel comfortable.

The IRB Race Team was formed, by our amazing Youth Mentors James Crockatt and Kye Burke, massively exciting and now involves fifteen of our 15 to 25 year olds who are training to make their mark on the IRB Racing Competition.

Here's what happened throughout the year:

- ▶ Youth Helped out with Sandy! at the Mudjimba North Shore community Christmas party
- ▶ CrossFit was offered once a month for our free session hard work for big results
- ▶ We helped out with water safety at many events Noosa Tri, Kawana and Swimming Australia - Mooloolaba.
- ▶ We ran raffles and the biggest was the 150 x 1 Raffle great success as fundraiser for the Club
- ▶ Great day at Paint Balling! Fun Fun Fun!
- ▶ We went on camps, the Bronze camp to Straddie was amazing again, there were 21 youth, Mentors - Kye & James plus 3 crazy adults. Our highlights were canoeing, a hilarious taste test one person from each team (4 teams).
- ▶ Camp Commando, 9 Participants, 3 leaders, 2 mentors run by Sunshine Coast Branch SLS and included three days of gruelling fun! Amazing speakers and leadership training.
- ▶ Breaker Youth Camp is a state camp and only two people can go to this as future young leaders Emily Gleeson and Jared Curnow represented Mudjimba Surf Club there and had an amazing time.

Thank you all so much for your support over the past three years; it is the team that you create, that makes up the winning formula that is Mudjimba Surf Club!

Larnie Tierney
Youth Development Officer

Surf Sports Officer's Report

It was another great season for the whole Club with some excellent results.

Thank you to all members who represented Mudjimba SLSC at carnivals this season.

The results could not be achieved without the commitment of the Club's coaches. The enthusiasm and encouragement from our coaches has nurtured tremendous athletes all with a passion for achieving high standards and conducted in a sportsman like manner.

The efforts of the Club's competitors resulted in 10 medals at the State Youth Championships and placed 19th - 8th on handicap, 13 medals at the State Masters Championship and placed 11th and 4 medals at Aussies.

Karyn Cook represented the Club in Surf Rescue carnivals this season. Karyn competed at Branch, State and at Aussies. The Surf Rescue Carnival is the basis of lifesaving and events include resuscitation, knowledge and fitness. Thanks to Karyn and the other members of the Club who competed at the Surf Rescue carnivals. Thanks also to Peter Harvey and Kye Burke for the commitment in training our members for this event.

The Club Championships were held on 30 April in challenging ocean conditions. It was an inspiring day to see all of the Club's competitors challenging each other and the ocean. The camaraderie, sportsmanship and skill levels were a sight to see.

Thank you to all who attended and assisted on the day.

Thank you to all Officials who attended carnivals this season. Without you, the Club would not be represented at any carnivals.

Steve Smith
Surf Sports Officer

Club Championships 2015-2016

Mudjimba SLSC Club Championships were held on the 30th of April 2016. The weather and beach conditions were perfect for a great day of competition and the results are as follows:

Dogs Day

The Young Pups were victorious for the first time in the history of the Club at the Dogs Day event. The weather was not the best and rained for most of the afternoon.

First event was the Touch Footy which ended in a 1 all draw. The referee made a few dodgy decisions, but in those conditions without a "bunker" and replays made it very difficult. The Young Pups were the best team on the day.

Second event was the Softball which was convincingly won by the Young Pups 14 - 8.

Both teams tried their best to upset the other team with various tactics, but once again the Young Pups were the better team.

Third event was the boat race and after a controversial third round, a decider round was played. The Young Pups were triumphant and have won the coveted trophy for the first time.

Thanks to all who participated and assisted on the day.

Steve Smith

Junior Activities (Nippers)

JAC Chairman

Thank you to everyone involved with the Mudjimba Junior Activity program this year, for helping to make it the most successful Mudjimba Nipper program EVER!!!

The dedication of the committee in managing this program needs to be recognized for the sacrifices that have been made. We all have families, careers and personal lives. We put them aside for a few hours every week, to come together for a common goal of providing the best Nipper program possible.

A massive thank you to two legends, Swanny and Lindz, for taking our kids to the next level in surf sports. The positive atmosphere which they envelop in their training and competition will ensure the kids have the right attitude, not just in sport, but in life.

Congratulations to Carly Earl and her team for successfully running our inaugural U6 / 7 program. This was a gutsy effort seeing Carly was new to the club and never seen an Age Group operate before. Carly engaged with the committee and embraced the culture we strive for at Mudjimba.

Megsy, Kym and all the other BBQ helpers, thank you for the tireless effort in delivering us a wonderful feed after smashing it out in the ocean for a couple of hours.

Age Managers, you are all champions!!! I hope you enjoyed the rewards that comes from helping these kids. Watching them overcome adversity, teaching them knowledge and invaluable surf skills, seeing them develop into confident mini lifesavers is a reward you are privileged to experience.

Water Safety..... it wouldn't happen without you! Mudjimba definitely punches above our weight when it comes to our volunteer water safety people. Lifesaving is one of those unique junior sports where you are highly encouraged to participate in the activities. I love seeing parents and graduating SRC Nippers get involved with our kids to make sure everyone goes home safely. THANK YOU!!!!

Thank you to our clubs Senior Lifesaving Committee for supporting our junior program in all our endeavors to make it a success.

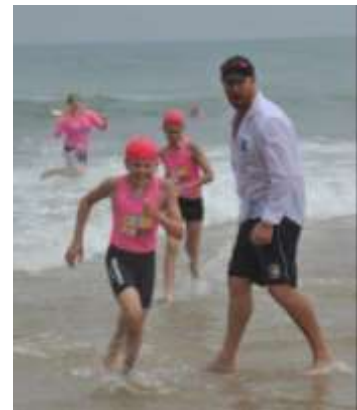

Thank you to all the people who bring their kids to us so we can teach them valuable surf skills but also so we can have a ton of fun. You guys are the next generation of leaders for the Mudjimba Nipper program. A final HUGE thank you for everyone who has put their hand up at our AGM for a role in next season's program and committee. We have great foundations to be built upon and I'm sure Mudjimba is going to go from strength to strength.

Have a rest, watch some footy, and get ready for what I'm sure is going to be a MASSIVE 2016/17 Junior Activities Nipper program at Mudjimba

Cheers

Adam Amos

JAC Chairperson 2015-16

JAC Committee & Team

Life Members

Life Members of the Club are:

Michael Coleman
Gregory Carson
Darrin Edwards
Gloria Ellis
Andrea Fesselet
Kim Hatton
John Prenner
Steven Smith
Guy Tanner

Guy Tanner, Michael Coleman, Andrea Fesselet, Jennifer Young, Kym Hatton, Gloria Ellis, Darrin Edwards and Gregory Carson

New Life Member – Jennifer Young

Nominated by Guy Tanner

Jenny Young joined Mudjimba SLSC in 19th January 2003 where she gained her 1st Aid & Radio Certificate.

Jenny gained her Bronze in 2006/07 season & Silver Medallion Beach Management 2008

Jenny has continuously patrolled our beach for 13 seasons amassing a total of 759 patrol hours.

Jenny has also held the First Aid/Marine Stinger position for eight seasons.

She has also been our Club Secretary for 3 - 4years, won the Club Service Award in 2010/11.

Jennifer has also done consecutive First Aid fundraising support for the Twin Waters Residents Christmas parties for numerous years as well as First Aid Officer at other events raising money for the club.

Jennifer has also been Patrol 7's VPC for many years as well as our First Aid Officer and valued Patrol Member.

Patrol Reports

Patrol 1

What a fantastic season we have had!

This year patrol one enjoyed the services of the great team of SRC's Aiden, Daniel, Euan, Lachlan and Zeb. Their skills, energy and enthusiasm will see the future years of Mudjimba in very safe hands. With Daniel giving the Club Champs a red hot go, Euan and Zeb competing in State titles and Fastest Man on the Sand, they are all extremely valued members of the team.

This year, the patrol was joined by Andy, Darcy and Frosty from within the club and Shippy and Ashleigh from outside of the club, all being fabulous and reliable members. Shippy, Darcy and Frosty competed for Mudjimba at the Aussie titles, Fastest Man on the Sand plus Club Champs.

During the season we have had more sunshine than rain, no shark sightings, no emergencies and no cyclones... A quiet season really, but we kept it busy with swimming, boards and a helicopter pick up demonstration. We saw the emergence of a new and revived Patrol One with the stayers of myself, Val, Bronny, Robbie and Hayley enjoying the new blood in the patrol and we were happy to show them the ropes, Mudjimba style and have everyone pitch in and make a difference.

Well done to all, enjoy the winter break.

Narelle

Patrol 2

It is with great pleasure to report that this will be my last Patrol Captain Annual Report.

For the last 8 or so years I have lead the helm for Patrol 2 and now it's time to pass the baton on.

There are so many awesome and talented young Mudjies that deserve the opportunity to lead, to challenge themselves and show the world they can take on the role of leadership.

I'm not going anywhere, you will still see me patrolling regularly and I will bleed Patrol 2 until I die.

Priorities in life change along our journey, my kids are growing up so fast and I need some more time with them. I look forward to the day I can patrol with them and enjoy the experience of lifesaving together.

I have so many great memories and shared so many hours with a lot of amazing people, and a few clowns. Life lessons have been learnt and people's character put to the test. To see people overcome adversity and fear and focus when it really counts, when someone's life is in jeopardy, is something that is priceless.

It has been an absolute privilege to lead this crew through the good and tough times. I look forward to guiding the next PC and helping them to understand the responsibility that comes from wearing the Patrol Captains uniform.

Thank you all, present and distant, for making this one of the most memorable experiences in my life and I look forward to enjoying many more years serving this amazing club.

Cheers,

Adam Amos

Patrol 3

The weather was kind to us for most of the season which makes patrolling far more enjoyable. The beach is looking great with plenty of sand and only a few nasty rips throughout the season. The combination of good weather, good beach conditions and a good crew to spend 5 - 6 hours with every fortnight is, as they say, "living the dream".

Patrol 3 expanded this season with a number of new members and at times there were up to 16 members on patrol. Always happy to have new members to join Patrol 3.

There were only a few minor incidents this season due to conditions being so good however, there was one incident that was quite extraordinary. A male and female in their 20s decided to go for a swim outside the flags and in a rip. It didn't take long for them to need assistance. Sarah Windsor raced out on a board while two other members of Patrol 3 were dispatched with tubes. Sarah rescued the female and returned her to shore whilst the other two members supported the male with tubes. Sarah again went out on the board and retrieved the male from the rip which was very strong. One of the members with the tube was tiring at this stage, so Sarah again went out on the board and assisted the member back to shore. Sarah is an outstanding lifesaver and it is comforting to have a person with her ability on Patrol 3.

Patrol 3 is a good blend of talented members who excel in keeping the community at large safe on Mudjimba Beach. Thanks to all for a wonderful season and I look forward to spending more time with you next season.

Steve Smith

Patrol 4

This season I had that moment when you look around for something to do and realise everything has already been sorted! I felt incredibly proud to be part of Patrol 4 this season. We have a team in the true essence of the word. I can't count the number of times I turned around to find one of the team pulling a swimmer out of a potentially dangerous situation or First Aid being carried out either on the beach or in the park.

Glenn, you just make it easy. I think our Ying and Yang work so well together. Every patrol I am very, very thankful that you are there to help manage us all.

Madeline, thank you for being the 'eyes of the patrol' once again. I never worry that someone in trouble will get missed when you're on the beach, or in the tower. Also big hoorah for taking up the Surfcom banner. Feel just a bit more secure and safe knowing you are at the end of the radio, especially when I'm on the ski.

Johnsie, Mark and Jason big, big congrats on your bronze and personally think we absolutely scored when you all were put on our team. Johnsie your photographic skills are an amazing contribution to the club. Mark... awesome Award Night and having your calmness and sense of humour on board makes such a difference. Jason, between you and Glenn we are so covered on the board! It is a pleasure to watch how quickly you respond to an incident and can get through even the biggest breaks to assist swimmers in trouble.

Grant and Hayley... always there, always keeping things real, thank you.

Barbara... for a first season WOW! Between your and Madeline our First Aid has improved 100-fold.

Ollie, love your work and the smile you bring to my face every patrol. Your IRB driving is fantastic.

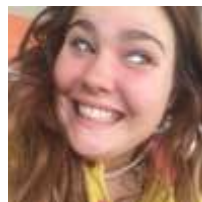

Stephen, Tim, Maddie, Tabitha, Paige, Sasha...thank you! And big congratulation Maddie on your achievements this year, very proud.

Kealey, Izzy and Lilly... thank you for being unofficial Patrol 4 members.

Personally I think Patrol 4's motto should be 'Not on our watch' as I feel this is how dedicated our team is to making sure our beach goers go home to their families safely.

Thank you

Kamen

Patrol 5

Patrol 5 delivered a cracking season in 2015/16 with near perfect inspections, graduated new bronzies into our ranks from SRCs, rescues and each and every member of the team participating in surf club activities outside of patrol.

P5 members went to fundraiser's, trained, learnt new things, paddled to the island more than a few times, won some medals at branch and state carnivals, went to camps and proudly wore the Mudjie pride all over the coast.

At the start of the season we committed that on each patrol we would test our lifesaving skills, with patrol swims, iron men races, CPR and first aid and a huge amount of time on boards, every person improved in skill and fitness from this. The coffee and baking tasted all the better after each session.

Our patrol family grew a little as we all got a little older and wiser, as always proud to stand between the red and yellow with this awesome team who work to each other's strengths, communicate well and have fantastic skills both on the sand and in the water.

Bring on 2016/17!!

Yours in lifesaving

Kaitlyn

Patrol 6

The 2015-2016 Patrol season has been a great time in Mudjimba, with magical weather (breaking the bad weather P6 hoodoo) and unreal surf conditions often challenging us all. Patrol 6 has had consistent attendance levels all throughout the season, as is expected of the patrol with so many great people.

It's fantastic that many of our patrol spread themselves throughout the club, like water safety, competing in surf sports, participating in different training groups, senior positions/roles, it tells me that you all just love our club and what it stands for, mateship, a sense of community and strong family values.

Fantastic to see our youth being part of our team. Thanks to Maree and Graham for always being there to support and bounce thoughts off and to cover in my absence.

Great to be part of a Patrol that acts when the situation arrives just on instinct. We work well together as team. It really is a privilege for me to be Patrol captain with such good members, it really makes life easy when you have people who are so dedicated as well as skilled, and I must say it's real easy to spend our time together as mates. I'd like to end with a big thank you from the bottom of my heart and am really looking forward to seeing you all on the beach over the winter.

Peter Harvey

Patrol 7

Well Patrol Seven you can be very proud of your efforts this season. You conducted yourselves very professionally and wore the uniform with pride.

I really enjoyed the blending of the new/younger members with the slightly older bunch. We performed rescues when required with a high level of expertise; the engagement with the public was excellent, without one complaint. What a great team!

Marlen and June, I hope you enjoyed your short time with us, good luck on your return to Norway. You put in a fantastic effort in your training and hopefully we left a lasting impression on you both.

To Jenny Young, my long suffering Vice-Captain, thanks for all your help. To our other team members, you all played a huge part in keeping our beach safe, thank you and hopefully see you next season, our 20th year.

Yours in Lifesaving

Guy Tanner

Patrol 8

Another season has come and gone, and what an incredible season it was. I really do feel blessed to have such a fantastic bunch of folks to spend time with every fortnight, doing what we all love to do, being proud of our patrol and club, spending time on the beautiful Mudjimba beach and making damn sure that everyone who comes down our beach goes home safe and sound.

I was reflecting with Mike Coleman about the report I had to write and what I could put in it. We really had to think hard and came to the conclusion that we had a very uneventful season. All though everyone likes excitement, being proactive is the name of the game, this is the area that Patrol 8 excels at as the records will show, no rescues and 6 assists, awesome job guy's, something to feel very proud about.

Our numbers have dropped from a cast of thousands this year, some have gone onto greener pastures, others had injuries and we lost a few to other patrols that needed experienced members (no need to thank us, you're welcome) and we welcomed in an old club member, Matt Todd. A special mention must go to Karyn Cook for all her efforts in training and competing in what is our core business, Surf Rescue. Karyn ended her first season coming 6th at the Aussies, watch this space next season, awesome job.

A big thank you to all the members of patrol 8, with all your skills, knowledge and a willingness to be part of a great team, a patrol captain couldn't ask for anything more, it's a privilege to be the leader of such a fine group of people. Thanks again, for another fantastic season.

Cheers

Dean Hore

Patrol 9

We had a pretty good run of weather and conditions this season which makes patrolling this great beach even more enjoyable and with less incidents.

Again, thank you to my VPC - Don Parry for assistance and backing up when I am there or not.

A big thank you to James Crockatt and Kye Burke for keeping us on our toes with scenarios and training. Not only does this help the young and new but also the older and experienced. We all learn something every time and cannot do enough of this.

Talk about a person with enthusiasm, Chad Roberston was in a hospital bed under doctors' orders to rest, yet he still turned up for patrol. Well done Chad.

In a first for this club, a lot of patrol 9 have been training and are completing in IRB racing. This continues through the off season and I wish them all well.

Well done all & enjoy the off season.

Cleveland Maltman

IRB Racing

The Mudjimba IRB Racing Team did the club proud in the 4 rounds of "Ocean Roar" competition and the QLD State Titles, held at beaches on both the Sunshine Coast and Gold Coast.

The team did extremely well for a first time club, making a fair few finals, minimising the amount of DQ's and showing great team spirit. I'm stoked to say that Mudjimba SLSC is the 8th fastest club in the state when it comes to the IRB Tube Rescue event. To make finals at states is a huge accomplishment for our first season and far outstripped the goals James and I set for 2016.

Some other notable memories are Ned starting the boat first go, Brodie falling out of the boat in his first race as a crew, joining forces with Mermaid AEME SLSC in the taplin relay and watching a group of skilled IRB operators become a team that has pushed the other clubs, and even beaten a few. We are by far the youngest team in the competition, which just adds to how impressive our Season has been.

Thanks to those that supported us throughout the season. Especially the parents and other club members who made the effort to come and watch the kids race or to drive them to training and competitions.

A huge thanks from both James and myself to our team and those that contributed when and where it was needed.

Kye Burke and James Crockatt

Waverunner 16

Every Season an exceptional group of Lifesavers sacrifice time with their family and friends to do hours above their patrol hours. These Lifesavers go into surf in extreme conditions to complete rescues in the most challenging of situations. This Season the Waverunner 16 drivers did over and above what is fair to ask of any volunteer, so thank you all.

Chad, you are a legend, thank you so much for your help with the maintenance.

Andy, always jumping in to cover me when I absolutely could not find someone and completing 85.75 hours in the process, thank you!

To all the drivers that answered the "I am desperate call", thank you!

Also a special mention to the trainers Kaitlyn, Jill and Guy and the crew (Chad) who are now making it possible for even more drivers to be on the ski.

Such amazing, committed group of individuals.

Thank you

Kamen

Waverunner 16 Area Coordinator

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2016

Note 1 Summary of Significant Accounting Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland). The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(h) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

MUDJIMBA SURF LIFE SAVING CLUB
ABN: 88 104 132 551

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2016

(i) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

(k) Accounts payable and other payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB

We have audited the accompanying financial report, being a special purpose financial report, of Mudjimba Surf Life Saving Club (the association), which comprises the assets and liabilities statement as at 30 April 2016, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

Committee's Responsibility for the Financial Report

The committee of Mudjimba Surf Life Saving Club is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 (Queensland) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of Mudjimba Surf Life Saving Club as at 30 April 2016 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act 1981 (Queensland).

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Mudjimba Surf Life Saving Club to meet the requirements of the Associations Incorporation Act 1981 (Queensland). As a result, the financial report may not be suitable for another purpose.
