MISSION

“Zero preventable deaths between the flags”

STATEMENT OF VALUES

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team with our internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

CODE OF CONDUCT

Members and all people involved in any way with SLS will:

- a) Respect the rights, dignity and worth of others—treat others as you would like to be treated yourself
- b) Be ethical, considerate, fair, courteous and honest in all dealings with other people and organisations
- c) Be professional in, and accept responsibility for your actions
- d) Be aware of and follow—at all times—SLS’ standards, rules, policies and procedures and promote those standards, rules, policies and procedures to others
- e) Operate within the rules and spirit of the sport, including the national and international guidelines that govern SLS
- f) Understand the possible consequences of breaching the codes and/or this policy
- g) Report any breaches of the codes or this policy to the appropriate PPA
- h) Refrain from any form of abuse, harassment, discrimination and victimisation towards others
- i) Raise concerns regarding decisions of PPA through the appropriate channels and in a timely manner
- j) Provide a safe environment for the conduct of activities in accordance with any relevant SLSA policy
- k) Show concern, empathy and caution towards others that may be sick or injured
- l) Be a positive role model to all
- m) Respect and protect confidential information obtained through SLS activities or services; whether individuals and/or organisational information
- n) Maintain the required standard of accreditation and/or licensing of professional competencies, as applicable to the role(s)
- o) Ensure that any physical contact with others is appropriate to the situation and necessary for the person’s skill development
- p) Refrain from intimate relations with persons over whom you have a position of authority
- q) Agree to abide by the codes
- r) Maintain a duty of care towards others
- s) Be impartial and accept the responsibility for all actions taken

Person in Position of Authority (PPA):

PPA include everyone who holds a position of authority in SLS, whether paid or unpaid, and includes, but is not limited to, all SLS Entity Individual Members. For the avoidance of doubt, PPA also includes Child or Young Person (CYP) who may hold a position of authority in SLS over other CYP

PRESIDENT'S REPORT

A massive thank you to all Mudjimba Surf Life Saving Club patrolling members. The commitment to our core business, is never more evident than when our members turn up every weekend, no matter the weather, to stand on the water's edge and keep our community and beach visitors safe. The dedication of our members in giving up precious family time to help others is a testament to the nature of our members and the culture of our Club. Thank you also to all our partners, friends, parents and associate members who do so many tasks behind the scenes and support us in delivering our service to the community.

What a massive year for change. The strategic planning and outcomes once again confirmed that our Club's heart and soul is with the community and invested in keeping our Club unique among the many Surf Life Saving Clubs on the Sunshine Coast. This season was filled with planning and preparing for our future. We confirmed what we value as a Club, how we want to grow, our commitment to our community, what we need as a Club operationally and functionally, and our dreams and visions for the future of our Club. Thank you to Dr. Jackie Holt who donated her time generously in delivering multiple focus group sessions, collating responses from the focus groups and the online questionnaire and reporting the findings back to the Club. Thank you to all our members for your passion and input into our Club's strategic vision.

The Building Committee was formed this season with Mick Coleman, Ryan Veitch, Ben Hore and Narelle Robertson, following on from all the great work of previous Presidents, Dean Hore and Michael Hughes, and all our members who have assisted in getting the Club to this position. Draft building plans were distributed and feedback on these plans received, we are now ready to begin the process of getting approval and funding for the much-needed extension to our clubhouse.

This season also saw the Youth Development Committee, steered by our Youth and their parents, once again moving forward. Their passion and ideas about activities and fundraising, and their leadership qualities confirm our Club's future is in safe hands.

A volunteer Club is only as good as those that step in and up to make activities happen. Thank you to our Management Committee. The planning, extra hours, time commitment, meetings, paperwork, training etc. that comes with these positions takes a large amount of personal and family time.

Deputy Presidents, Kaitlyn Akers and then Michael Coleman – thank you for your support and council this season. Our Club Captain Karyn Cook and Vice Club Captain Jack Mathews – you were exemplary leaders to our patrolling members. Maree Cross stepped up to the Secretary role and did a fantastic job. Narelle Robertson, our Treasurer, once again you helped us keep Lifesavers on the beach by managing the finances needed to do our jobs. Denis Smith our JAC and Guy Peirce our Surf Sports Officer. Peter Harvey, our Chief Training Officer, and all our trainers – your commitment to making sure our members have the skills necessary to save lives is vital.

Val Colley, as always, the time and support you give our members and all our Committees is immeasurable. Thank you for exceptional administrative skills and many, many extra hours you volunteer to our Club both on and off the beach.

The Management Committee and Officers worked hard this season to update all Club documentation and put systems in place that will protect our members and save administrative time and money going forward. 2019-2020 will be the first season where all members can pay renewal fees, new membership fees and all carnival fees directly online.

Our Nippers once again stole the show in 2018-2019 with their exuberance and courage. Their absolute joy in learning to be lifesavers reminds us all why we signed up. Thank you to our JAC Chairperson, Denis Smith, and Deputy, Rob O'Neil and all the JAC Committee, parents and members that jump in to help set up, pull down, educate and organise our Nippers program. We also saw a big change in the way our Junior Carnivals were managed this season with the introduction of a new online booking system. Meaghan Waller played a key role in getting this up and running so smoothly.

Thank you to all our Club Officers; Ben Hore - Clubhouse Director/Workplace Health & Safety Officer, Ben your help getting the painting organised, signs, building input this season has been above and beyond. Steve (Shippy) Shipman, - Gear and Equipment Officer and Grants Officer – thank you for bringing in the many grants we have that allow us to get the extra gear our members have seen around the Club this season. Jenny Young - First Aid/Marine Stinger Officer, also responsible for assisting with First Aid for fundraising and community events, thank you.

Andrea Fesselet - Clothing Officer, Rita Stefanovic - Registrar, Graham Milliken - Communications/Radio Officer, IRB Officer - Ned Carson, Tim Young - Grievance Officer, Seb Russo - Cadet Officer, and our Eco Surf Coordinator - Dean Hore. Your tireless help to keep the Club running is appreciated by all our members. Also thank you Chad Robertson for all the fixes to our trailers, arena, water pump and the list goes on, that you have assisted with around the Clubhouse this season.

Surf Sports would not happen without the management, help, coordination and support from the Surf Sports Office - Guy Peirce, amazing coaches, team managers, hardworking Officials, mentors, trainers, administration and all the member support behind the scenes. Special mention to our Officials Liaison Officer - Kate Russo, who will be stepping back as of next season, thank you for all the years of service and dedication to our Club Kate.

Throughout the season I have had many members from other Clubs, and the community, tell me how much they enjoy watching our Club compete and the great team spirit and support our members have for each other.

As a Club reliant on donations, sponsorship and fundraising, we could not survive without generous assistance. Thank you to all our sponsors and community that financially, or otherwise, supported Mudjimba SLSC this season.

Our major sponsors North Shore Realty and Bendigo Bank once again helped us keep vital equipment on the beach and invested in the leadership training of our Youth.

Maroochy North Shore Lions Club gave the Club a very generous donation. Thank you also to The Island, Parklakes II, Scream Print Screenprinting and Mojo Burns for your support this season.

The QLD Government, QFES, Beach Safety Equipment Fund, Gambling Community Benefit Fund, Sunshine Coast Council, Ted O'Brian MP and Fairfax, Mooloolaba Surf Life Saving Club, Fiona Simpson MP (and Club Patron), Cr Jason O'Pray, Novotel Twin Waters Resort, Cooee Water, Bunnings Maroochydore and Dulux Paints, all helped Mudjimba SLSC this season with various grants and donations which went towards purchasing patrol equipment, a new IRB, the clubhouse building project, member training, and other much needed clubhouse gear and equipment, including tables, chairs and a new Nippers fridge and BBQ.

This season we also had several very generous donations of service; Noonan Painters painted our clubhouse, Sun Air Electrical installed aircon in the office, Plan 2 Go completed the building plans, and Tectonic Geotechnical provided a report for the building extension.

We have also had very substantial commitments of support for our upcoming building project from Jason O'Pray, Bendigo Bank and North Shore Realty.

I am excited about what the 2019-2020 season will bring Mudjimba SLSC both on and off the beach. As identified in our strategic planning; the dedication of our Club members, our culture of support, encouragement and inclusivity, our small, family atmosphere, the sense of belonging and community that Mudjimba SLSC provides its members, our beautiful beach and island, and the dedicated focus of all of our members on delivering our core business of zero preventable deaths between the flags, are just some of the many strengths of our Club.

See you on the beach in the 2019-2020 Season!

Kamen Burns
President

OFFICE BEARERS REPORTS

CLUB CAPTAIN

The 2018- 2019 Season was a big year at our club. A huge thanks goes out to all of our members and families for a fantastic year on and off the beach. This season was a big learning curve taking on the role as Club Captain for Mudjimba, as I now know there is a lot that goes on behind the scenes before we even hit the beach, and many moving parts that all work together to achieve our Mission Statement of “Zero preventable deaths”. We have a very experienced and diverse workforce of volunteers at Mudjimba that are always willing to give time to our wonderful club and community, and this is one of the values that make our club what it is today - strong and well respected by all.

Mudjimba Achievements this season:

Total Combined Patrol Hours:	9,626
Total Beach Users:	34,193
Water Safety Hours:	77
First Aid including Stingers:	546
Rescues:	27
Awards gained:	140
Total Members:	477
Active Members:	140
Nippers:	178

Within this season we have experienced a combination of only what feels like a couple of patrols that have those perfect days with light winds and glassy conditions that we all love and enjoy, and then there have been several weather events forcing us to close our beaches. We have been presented with numerous rip currents, holes and rocks to contend with when setting up our flags. It has been a great season with good results and some rescues that were carried out effectively. Every patrol has demonstrated resilience and a strong work ethic with regards to providing a high standard of keeping our beach safe this season. We had three Bukh Wilkes patrol inspections for Patrols 1,2 & 3 with very strong results and this really reflects that our training, coaches and skills maintenance are all best practiced within our branch. Be Proud all patrolling members as you have all contributed to this great result.

I would like to thank Jenny Young for making sure our First Aid room is in Tiptop shape all year round and Kye Burke for stepping in whilst Jenny was on leave. All the Age Managers and Junior Age Managers, the Officials, Photographers, Coaches, Trainers, and Assessors, because without all of YOU our members cannot compete, both the Nippers and the Senior Club. All the parents and helpers that helped us set up, carry some equipment and assist with any carnival logistics your help is truly appreciated as it takes many hands to make light work.

To all the Office bearers, committee members and Val your time and support has been appreciated and has made the season fly by. Thank you to Graham Milliken for making sure our radios are fully operational all year round. Shippy Stephen Shipman, our Gear Equipment officer, thanks for taking great care of our boards and skis so we can provide the best equipment for patrols, training, and competitions. Ben Hore, thanks for making sure our building is always safe and all the extra work you have done with regards to the building projects and improvements to our club during this season. Thanks to our IRB captain Ned for implementing a patrol rotation and keeping our boats and motors operational during the whole year. I would also like to thank Branch for their support this year when I needed to confirm any processes or needed questions answered, and for always responding in a timely manner. Thank you to our CTO Pete Harvey for making sure we meet our compliance with regards to proficiency's and for also being available for any questions regarding the club captain role.

A big shout out to Jack Mathews our Vice Club Captain, Jack has been involved in so many things this year and his help and willingness to give everything and anything a go has been such an asset to our club and community, and a massive help to me in the role. Thanks to all the PC's and VPC's your support and feedback is always welcome and appreciated.

I would also like to call out Chad Robertson for all of the work behind the scenes – there are things you have done just because they needed doing, you are always ready to help and assist and use your skills to make sure those odd jobs are done. There are too many things to list with the Arena, trailers, anchors, and ropes just being a few of the things you did as well as OPS role as a trainer and complete your patrol hours. Thank You.

This year we had several of our members attend Branch courses and represent our club and grow with the extra education and training they have received, I truly hope that we continue to attend these events as a club so we can maintain our record for fantastic club values and expand our operational knowledge capabilities.

Mudjimba members that comprise of our Youth and IRB Team have been involved in several Water Safety Events this year that have contributed to our fundraising so we can provide much needed equipment and resources for our club, we have demonstrated to the community within our Branch what we are trained for. Whilst carrying out these events we have been called upon to carry out many rescues and our display our club colours – Noosa Tri resulted in over 100 rescues in rough conditions, this was a true display of our training and ability to work together as a team, one of many highlights this year. At the close of the last patrol, we also assisted in a search and rescue that lasted a few days and once again we demonstrated how we have a diverse and valued volunteer workforce that truly make a difference and have been commended for our efforts during this event.

I truly respect the way that we can all find the time to contribute to our club and community when needed, even if you're just going for a walk on the beach or having a casual swim, it can turn into a chat with fellow patrols and may even result in assisting with a preventive action anytime, and I'm sure there are many instances that our members are involved in assisting on a regular basis that go unnoticed – THANK YOU for your vigilance.

Please enjoy your Off Season and I look forward to seeing you all out in the waves. Lastly, I would like to thank my family for enabling me to commit to the role of Club Captain this year.

Karyn Cook

Club Captain

SECRETARY

2019 Season sometimes felt like an initiation of fire to the role of secretary. I took it on as a challenge with a steep learning curve. Thank you to Kamen for her patience in this regard. Val, a massive thanks to you, your diligence and commitment exceeds your job description and our Club is most appreciative. The Executive and Management Committee Officers' tireless efforts at moving our Club forwards are commendable, often not visible to most be assured you have had a hardworking team slugging away all season. This has been a year of too numerous to mention hours put in behind the scenes with regard to moving our Club forward. The Club's Strategic Plan and Building Redevelopment have been highlights. Exciting times are ahead.

A big thank must go to all of our Club members for your steadfastness and sense of duty to our wonderful Club, Mudjimba, to Lifesaving and to our core business of keeping our beach and all beachgoers safe between the Red and Yellow. Our faithful Patrolling members who continuously show up to keep our beach safe no matter what the weather throws at us, your staunch efforts do not go unnoticed. Challenging and fun filled time has been spent training, upskilling and reskilling as we endeavour to challenge ourselves to be better Lifesavers. Junior members and their families enjoyed the Nipper program learning lots of new skills and making new friends.

It is wonderful to see that members are able to contribute in many, many ways to the overall good and function of the Club. This has so many levels beginning with being a parent or Nipper on the beach, through to specifically trained involvement as an official, Water Safety, Lifesaver and competitor. To our competitive members congratulations on your participation and your successes.

Commitment and connection are what draws us to be members of Mudjimba Surf Life Saving Club, so with the end of another Season, let's celebrate.

Maree Cross

Secretary

TREASURER

Grants Officer Shippy along with President Kamen have been looking into ways to fund out newly proposed community room extension and this year has seen us make serious headway towards expanding the club, a very long and drawn out process that has been ongoing for as many years as I have been treasurer – and probably longer. This has seen many hours of work behind the scenes for our building committee of Mick Coleman, Ryan Veitch, Ben Hore, myself and with our President, Kamen Burns being part of this smaller committee.

Kamen also must be commended as well as her own job as day to day President, she has been upgrading and updating systems, updating our governing rules and regulations plus bringing the club into the digital age with regards to the new building as well as the day to day running of the club and the requirements of SLSQ and SLSA. Kamen, your skills and dedication to the club are immeasurable and will continue on for many years to come. We know she spent so much time on surf club requirements because her husband, Nathan did his bronze medallion and began patrols just to spend time with her! and we can never forget our wonderful Administration Officer Val Colley for being the one that keeps us all in line with her knowledge and skills – thanks Val.

Thank you to;

Rocket Cleaning Services, Stroud Homes, Maroochy North Shore Lions, Twin Waters Residents Association, DJ & DE Patterson, and Woombye State School for donations.

During this year we added to our number of IRB's, outboard motors, soft boards and racing boards plus new board racks, marquees, pdf's, new chairs, tables and a trolley to carry them on for the club plus a new quiet fridge for drinks and a much needed air conditioner for the office. It is the nature of using these items in a close proximity to salt water, many different users and the amount of time that these items are used that we do need to repair, service and replace all of our equipment as well as increasing the volume of equipment with the increase of members and our requirements. We have achieved this target this year.

Whilst we have been spending money on the reports and requirements for our expansion application to even go to council for approval, we have been able to fund this through our day to day bank account without currently going into our savings for these submissions. We are trying to keep this money for the actual building costs and currently we are achieving this objective.

Thank you

Narelle Robertson

Treasurer

CHIEF TRAINING OFFICER

Thanks to all who gave their time to train for awards this season. Without these efforts we just cannot patrol. With 20 Bronze members, 17 SRC's, 34 first aiders and 5 IRB crew members and multiple other awards trained we certainly had a busy season.

To our small band of dedicated trainers and assessors, you guys just give so much, thanks. Others assisted including IRB drivers, water safety and session specialists, again thanks.

GRIEVANCE OFFICER

The Grievance Officer role is to listen and support club members in their roles and promote successful assertive communication skills between members and member groups, in line with our Surf Lifesaving Code of Conduct.

This year was busy behind the scenes assisting with the setting up and updating of systems and documentation that will support our members going forward – including updating the Club’s ‘Putting Things Right’ document, which assists us as Club members to uphold our core values and create a safe, fair and inclusive environment for everyone associated with our organisation.

Thank you for the support from all members in working towards proactive and positive communication.

Tim Young
Grievance Officer

IRB OFFICER

The 2018/19 season has ended with the largest amount of IRB assets held by our club in its history. As of writing we have 6 IRB Hulls, 9 IRB Motors and numerous pieces of auxiliary equipment that goes into providing our club with a functional and effective IRB rescue capability.

Our new boat “KT” joined the ranks and is the first time we have serviced a Zodiac IRB in many years - a throwback to our past - though with no views on us bringing back the Achilles boats of old. I would like to thank Kye and Phil Burke for their assistance this year amongst others.

The IRB racing team has also been a great help in managing gear and putting it through its paces. During this season already they have proven why the sport is relevant and important in developing effective IRB operators for patrols and SAR operations. I wish them and myself luck at the remainder of competitions. Lastly there have been some changes to how we manage equipment this season. It hasn’t all been smooth sailing but the discourse that we engage means we will continue to have some of the most looked after and operational equipment on the coast, if not QLD. Thanks,

Ned Carson

IRB Officer

OFFICIALS LIAISON OFFICER

It has been a pleasure to be the Officials Liaison Officer for our Club this past year.

It was a quieter year for our officials compared with the previous year with lower competitor numbers and a number of carnivals being cancelled due to weather conditions. We supplied officials to 7 Branch carnivals, 12 SLSQ run carnivals (including Qld Beach Series & Ocean Roar IRB Racing) and 2 other miscellaneous carnivals (Hervey Bay Masters and Mudjimba Club Champs).

At the moment we have 17 officials registered with the Sunshine Coast Branch. This season saw us lose one official through expiration of Award and no renewal, but we also gained one new official via the new online module process.

It has been wonderful to receive acknowledgement at Surf Sports Carnivals and interclub surf sports meetings that our surf sports officials are great ambassadors for our Club.

I was also humbled to be nominated and receive the Sunshine Coast Branch Rookie of the Year Award and also the State Rookie of the Year. Thank you to our Club for the acknowledgment and nomination.

We have a good core group of Officials but in the natural cycle of things, a few of our officials have stepped back from being so actively involved or have changed the focus of their involvement to different age groups or surf sports. The Club therefore looks forward to some new Officials joining our ranks next season, so we are able to continue providing support for our competitive members.

Kate Russo
Officials Liaison Officer

JUNIOR ACTIVITIES (NIPPERS)

JAC CHAIRMAN

Great year of Nippers this year we many thanks to everyone on our Junior Activities Committee. It was a battle with the weather this year which resulted in us having to cancel 7 Nippers mornings due to rough surf and bad weather and I would like to thank Kamen our president for her support during those weeks. Also like to thank everyone in the senior club for their efforts with water safety and just being part of Nippers.

We had some great results at carnivals this year of course Mudjimba supported louder and harder than any of the big clubs, we are a proud bunch. This year we started using try booking for our carnival registration and we put out a newsletter every week. This year marked 50 years of Nippers in Queensland and I can't wait to see what Nippers will look like in the next 50 years.

Rob and I have already started to talk about Nippers next year and are looking forward to lots of fun on the beach.

Cheers

Denis Smith

SURF SPORTS

Our competitive members, as always shone, throughout the season in carnivals, state, and Aussies from our Club Captain receiving silver in Aussies for Champion Lifesaver to, our masters winning gold, silver, bronze and placing across all levels in flags, relays, tube rescue, surf race and ironman.

Our youth also stood out in Champion Lifesaver, branch, states and even a bronze in flags at Aussies! Well done to our U14 crew, the first females for Mudjimba SLSC to win a medal at states, they have been qualifying for every beach relay since U11's. And our U13 young men also did exceptionally well. Well done to all our young athletes and their individual achievements of gold, silver, bronze and just getting in there and having a go, you charmed the spectators and us alike.

On the world stage a bronze in sprints, and a bronze for our relay team.

Our IRB Racing team won the David Jones Memorial Award for best and fairest.

We are all very proud of your achievements and thank you for representing Mudjimba SLSC.

CLUB CHAMPIONSHIPS 2018-2019

Mudjimba SLSC Club Championships were held on the 26th of January 2019.

CLUB CHAMPIONS

	MALE	FEMALE
Under 15 / Cadet	Oliver Earl	Yve Warren

DOGS DAY

PATROL REPORTS

PATROL 1

This season saw our regular crew back on the beach, joined by new member Marian and headed by our dauntless leader Karyn. After always training hard, Karyn realized her own awesome achievements throughout the year (amongst others) we are honoured to have an Australian Champion lifesaver silver medal holder lead our patrol and as Club Captain.

Patrol one is consistently amazing throughout the patrolling season with many members doing additional jobs within the club as well as patrolling. And although there were a few rescues when some nasty weather hit, generally the season was smooth sailing with some perfect weather days and only Lee missed out with a shoulder reconstruction.

Well done Patrol One and see you all... soon,

Narelle Robertson - VPC

PATROL 2

Finally, being able to Patrol this season with both my kids, Isaac and Abbi, truly made the years of sacrifice at Nippers totally worth it. To have them volunteer their time and actively engage in rescues, to see the thanks bestowed on them from the public are very proud parent moments I will never forget. Many of you already know this and hopefully many more will get to experience it

My right-hand man, Michael Hughes, thank you again for another successful season but a heavy heart says goodbye to Keely. Thanks for the memories Keely, for such little feet you have really big shoes to fill. Good Luck with your future, it'll be golden.

Dale Bishop, you're solid as a rock mate, always there when we need you and helping out others when you can.

Darryl Corlett, an amazing asset to have an experienced waterman on boards, Amber has been great to keep Simonne company whilst they together solve the world's problems. Thanks, Ladies, for putting up with me and having a good sense of humour.

Stoked with our newest recruits of Dan "Didge" McKeown and Andrew Craig, two good blokes to have a yarn with and both go over and above for the Club outside of patrols.

Loved having Madi & Shiann there to show them little adventures and to keep Abbi from nagging the hell out of me.

Last but not least, the biggest kid of them all, Lindz. Somehow, he knows how to speak 'kid language' and they listen and love him, that's a mystery to me and I don't want it solved. Thanks mate.

Oh! and Jaz, can't forget Jaz, though sometimes it may have been easier to, she made it in the end and some good times were had...frothy buggy!! Thanks Jaz- Love ya!

There have been a few volunteers, blow ins and early retirees, all who helped make it such a successful season. Congrats again on an AMAZING Buhk Wilkes result, you're all a credit to yourselves and the Club as a whole.

Many Thanks,

Adam Amos – PC

PATROL 3

Patrol 3 enjoyed the past season. The weather was mostly kind, only a few cold and wet afternoons.

We welcomed Ky to Patrol 3 this season and we hope that he will be a long-term member.

Patrol 3 consists of mainly of long-term members and it is comforting to know that we can rely on each other to perform the required tasks. Fortunately, we didn't have many rescues nor incidents to deal with this season and this allowed us to have more social time together whilst on patrol although always vigilant.

Patrol 3 was awarded Patrol of the year this season. We are very proud of this award and it is very pleasing to receive recognition for the things we do and the enjoyment we get out of patrol.

Looking forward to next season!

Steve Smith – PC

PATROL 4

What can I say but frankly I love our patrol team! So many personalities and always so supportive of each other. Some older wise heads and some fantastic new stars.

Glenn, still the guru you are. Smart, calm and very knowledgeable. I feel every season you teach me something new. Our patrol wouldn't be what it is without your leadership and frankly having you next to me lifesaving makes me feel very privileged.

Madeline, I say it every season you are the "eyes" of our patrol and love your wicked sense of humour. Big Jonnsie, the glue in our team. Stephen, all your help on the ground is so appreciated. Grant can't do without your sense of humour. Jase, thank you for your skills, what a board rider. Hayley am going to say the same as last season, laughter, music that's you, thanks also for stepping up to help out with the Youth this season. Keely, love your stuff, smart, sassy, and old school wise, can't wait to see the women you become. Izzy O was great to see you owning your world this season. Little Jonnsie, your focus on a soccer ball leaves me amazed, love our impromptu catch games. Tim, along with Madeline our beach visitors have no idea how lucky they are to have your keen eyes. Ollie C missed your cheeky sense of humour this year but was so great when you could join us in between army life. Ollie E, leadership looks good on you, proud of your achievements this season. Will, every team needs your spark, also your quite leadership. Izzy D, you are a fantastic leader, steadfast and smart, looking forward to seeing where you head next season. Ruby, love your dry sense of humour, never change. Jake O, sorry for all the cold-water wakeups this season, how good were you in flags! Braitho your sense of adventure and just plain contagious laugh is worth coming to patrol to hear. Zane, smart and courageous, happy to have you lifesaving next to me any day.

Nathan (hubby) best thing ever to finally patrol with you, partners in life and surf.

Our team gets stronger every year and am so proud of the goals our younger members are kicking especially in organising Youth activities. Very much a team with heart.

Living the beach life!

Kamen Burns - PC

PATROL 5

Patrol 5 Rockstars

2018/19 and P5 Rocked into the season with style, we had a couple of excellent rescues some ugly storms on patrol and some glamour days.

Lots of new awards for Al, Robbie, Mark, Ryan and we scored another Peacock on the team, with Aimee joining us!

Jake and Dom continued to provide great PC skills, and I love that despite their busy lives and living away ex-5ers, Pia, Lauren and Rachel still make the effort to come to patrol and say hi when they are home.

Special mention to Riki, Jono and Seb (and Nikki our Noosa member) for your constant support and to the Hurleys; Tom, Jack, Evie, Rueben and Dom we will miss you and thank you for making every patrol fun, easy and entertaining, keep fit and hope to see you again soon.

The season has rescues, started with many wet days, team nominated for rescues of the month, with the reward of a people who visited our beach for a fun day, all went home together safely, because we train and build our skills every year. LOVE your work crew. The team were commended with a 2017-18 State Lifesaving Excellence award for the mass rescue at the end of last season in August. We are excited to welcome the rest of the families and some excellent lifesavers as this years U14s get their SRCs and join patrol next year after camp.

Christmas patrols, Dogs Day, Surf Sports, IRB racing, leadership camps, new skills, training, ops support, friendships, committee work, rainy days and nippers, fundraising, subs from other patrols and water safety and surf rescue championships were the icing on the cake for a season well spent, see you all in 2019/2020 #mysurflife #patrol5rockstars #betweentheflags #vigilanceandservice

Kaitlyn Akers – PC

PATROL 6

This season we welcomed the last Young, and the third Baldock to our Patrol. Welcome Theo and Layne. Loretta you are the only one to go!

Thanks, one and all for your dedication and commitment, 2019 has indeed been epic. We turn up no matter what the weather throws at us from glorious days to blinding storms. Our team has contributed to the overall lifesaving and management function of the club, as well as vigilance and safety on the beach. Patrol 6, a fantastic group of people, putting in a huge effort, encompassing training, coaching, mentoring, competing from local to World's events and vigilance.

Congrats to us all.

Maree Cross – VPC

PATROL 7

Congratulations to all our Patrol 7 members. We have not had one of the best Patrol Seasons weather wise. Having said that, I am so proud of the resolve our members showed.

Lots of cake and coffee helped us through.

We completed the season with no major incidents or rescues which is due to the diligence of our patrol members.

Good also to see our families grow on patrol, with a really nice group of young people. Thanks to Jenny as my Vice Patrol Captain and all our members for making my life very easy.

The last Patrol of the season saw us involved in a major search with a sad outcome. Having such strong numbers on patrol meant we could keep our beach open for the swimmers and provide resources for the search.

Have a great off season and I look forward to seeing you all next season.

Regards

Guy Tanner - PC

PATROL 8

Another season has come and gone, and what an incredible season it was. I really do feel blessed to have such a fantastic bunch of folks to spend time with every fortnight, doing what we all love to do. Being proud of our Patrol and Club, spending time on the beautiful Mudjimba Beach, and making sure that everyone who comes down our beach stays safe and goes home.

Another aspect I like is that so many of our Patrol do extra activities within the Club. Water safety at nippers, competing in surf sports, management positions and mentoring roles. This tells me that you all love our club and what it stands for, mateship, a sense of community and strong family values.

I have extreme faith in all of our patrol members that if needed, would perform well in any circumstance. Observing the troops in action fills me with a sense of pride as I watch the patrol go about their duties. No one needs direction, everyone just pitches in, support and work together like a well-oiled machine, you should all be very proud of this fact.

Thank you all for another special season, without your commitment and pride in what you do, and let's not forget, exemplary proactive skill levels we wouldn't be the crack team that we are. A special thanks to Mick, Vickie and Larnie for your leadership and keeping the standard up within the group. I must also mention that this season we were graced with Auphelie, a young French foreign exchange student over here to learn English. I kept reflecting on patrol how lucky she was to be having this experience of a lifetime. What a trooper, not only did she have to learn surf skills, but also to speak English. If the tables were turned, I don't know if I could've done what she has.

Many thanks

Dean Hore – PC

PATROL 9

It was a season that the weather patterns were not on our side and we only had a couple of patrols that were the conditions that we liked, but in saying that we all turned up and served our community. Even with testing conditions, we handled it all with no major rescues or incidents. As I have mentioned before, a lot comes down to good surveillance and prevented actions by the team. Utilising the 'best house' in Mudjimba – the radio room, helps as it has the best outlook to cover the surveillance and hence prevent incidents taking place or going further.

I would like to thank my senior members that step up and help not only me out but the whole team, Don, Jeanne, Sammy, Phil, Chad. Thanks to Phil & Ned for looking after the IRBs. Sammy & Jeanne for looking after first aid gear. Phil for completing the most hours, and being there not only almost every patrol, but all the extra hours outside patrol that are not recorded. Chad for also extra after hours work and to turn up when you are a FIFO worker is a great effort. Don and Jeanne who travel the 150km, 2 hours round trip to be on patrol each time. Our young team members that back up us 'senior' ones especially in the water with their fitness and skills. The rest of the team of all ages and experiences, thank you.

A special thank you goes to Catyn, who is on another patrol, but has also completed over 77 hours on our patrol. Catyn is a great team player and dedicated to the surf club with over 163 hours this season between multiple patrols including Christmas day and water safety at nippers. This season he has achieved his Bronze, IRB Crew and First Aid, represented the club at SLSQ camp and is now part of the IRB racing team. People like him have Mudjimba SLSC in good hands for the future.

Well done all & enjoy the off season.

Cleveland Maltman – PC

YOUTH DEVELOPMENT

So many young, smart, keen leaders stepping up this season. With the assistance of parents and Club members the Youth Development Committee was reformed with our Youth directing where it will go.

Thank you to Rob O'Neil, Seb Russo, Jack Mathews and Hayley Keating for all your help in directing the Youth for the 2018-2019 season.

Before Christmas a group of Youth members sat down and planned what activities and fundraising, they wanted to achieve. They then proceeded to organise and book many of the activities and create a Youth webpage, posters.

The Youth and Membership Development Committee was reformed after Christmas with our Youth steering the committee and having a key voice in planning events and fundraising. Thank you to all the parents that have stepped up to support the committee and our Youth.

So far events have included a paddle to Mudjimba Island, a picnic at Chambers Island, Pizza and Movie night, camping at Borumba Deer Park and still to come a visit to the Treetop Challenge at the Big Pineapple.

Along with helping with the Noosa Tri, fundraising has also included the Noosa Swim in May this season.

The Youth's ongoing help with Water Safety for both Nippers and IRB Racing team fundraising over the season was a great help to all.

Our Youth also provided First Aid at the North Shore Community Fun Day and ANZAC Day march and service.

Thank you to all the Youth that also made up the bulk of SOS week.

A commitment was also made to subsidise all Youth Leadership training and camps this season.

Youth representatives attended: 2019 Camp Commando, Life Saving Development Program and the 2019 Breaka Youth Excellence Program participation

Our Youth demonstrated exemplary leadership qualities across the Club this season.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2019

Note 1 Summary of Significant Accounting Policies

Financial Reporting Framework

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland). The committee has determined that the association is not a reporting entity.

Statement of Compliance

The financial report has been prepared in accordance with the Associations Incorporation Act 1981 (Queensland), the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: *Presentation of Financial Statements*, AASB 108: *Accounting Policies*, *Changes in Accounting Estimates and Errors* and AASB 1054: *Australian Additional Disclosures*.

Basis of Preparation

The financial statements have been prepared on an accrual basis and are based on historical costs. They do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Gear and equipment	25.0%
Motor vehicles	30.0%

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

MUDJIMBA SURF LIFE SAVING CLUB

ABN: 88 104 132 551

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2019

(h) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

(i) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

(k) Accounts payable and other payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

MUDJIMBA SURF LIFE SAVING CLUB
ABN: 88 104 132 551
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
MUDJIMBA SURF LIFE SAVING CLUB

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Mudjimba Surf Life Saving Club (the association), which comprises the assets and liabilities statement as at 30 April 2019, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the association as at 30 April 2019 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act 1981 (Queensland).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the Associations Incorporation Act 1981 (Queensland). As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland) and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.

MUDJIMBA SURF LIFE SAVING CLUB

- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the association to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
