Associations Incorporation Act 1981
Section 17

Form 15

Incorporation Number: IA17497

Certificate of Incorporation

This is to certify that

MUDJIMBA SURF LIFESAVING CLUB INC.

is, on and from the twenty-seventh day of November 1996
incorporated under the Associations Incorporation Act 1981.

Dated this twenty-seventh day of November 1996

Delegate of Director-General

CERTIFICATE

VFR02 3/96

MISSION

“Zero preventable deaths between the flags”

STATEMENT OF VALUES

- We are responsive to the needs of our members and the community.
- We operate with integrity, equity and accountability.
- We operate as a team with our internal and external stakeholders.
- We accept our responsibility to provide a safe aquatic environment at Mudjimba Beach when the club is the operating lifesaving services.

CODE OF CONDUCT

Members and all people involved in any way with SLS will:

- a) Respect the rights, dignity and worth of others—treat others as you would like to be treated yourself
- b) Be ethical, considerate, fair, courteous and honest in all dealings with other people and organisations
- c) Be professional in, and accept responsibility for your actions
- d) Be aware of and follow—at all times—SLS’ standards, rules, policies and procedures and promote those standards, rules, policies and procedures to others
- e) Operate within the rules and spirit of the sport, including the national and international guidelines that govern SLS
- f) Understand the possible consequences of breaching the codes and/or this policy
- g) Report any breaches of the codes or this policy to the appropriate PPA
- h) Refrain from any form of abuse, harassment, discrimination and victimisation towards others
- i) Raise concerns regarding decisions of PPA through the appropriate channels and in a timely manner
- j) Provide a safe environment for the conduct of activities in accordance with any relevant SLSA policy
- k) Show concern, empathy and caution towards others that may be sick or injured
- l) Be a positive role model to all
- m) Respect and protect confidential information obtained through SLS activities or services; whether individuals and/or organisational information
- n) Maintain the required standard of accreditation and/or licensing of professional competencies, as applicable to the role(s)
- o) Ensure that any physical contact with others is appropriate to the situation and necessary for the person’s skill development
- p) Refrain from intimate relations with persons over whom you have a position of authority
- q) Agree to abide by the codes
- r) Maintain a duty of care towards others
- s) Be impartial and accept the responsibility for all actions taken

Person in Position of Authority (PPA):

PPA include everyone who holds a position of authority in SLS, whether paid or unpaid, and includes, but is not limited to, all SLS Entity Individual Members. For the avoidance of doubt, PPA also includes Child or Young Person (CYP) who may hold a position of authority in SLS over other CYP.

PRESIDENT'S REPORT

I would like to thank all Mudjimba SLSC Club members for their support this season.

There were many challenges throughout the season, with the COVID-19 pandemic being by far the most serious and disruptive to patrol procedures. It is hoped that there will be some normality before September when patrols commence again.

After eleven and half years of dedicated service to Mudjimba SLSC sadly the Club Administrator, Val Colley, resigned. Val has done so much for the Club since she joined and the volunteer time that she put into the Club is immeasurable. On behalf of all Club members I would like to thank Val for her efforts.

The northern extension to the Clubhouse commenced in April and completed in May. Latitude Builders were awarded the tender. The extra storage space will be welcomed by all Club members.

The extension would not have been possible without the dedication of a number of Club members over many years including Michael Hughes, Dean Hore, Kamen Burns, and the building committee: Mick Coleman, Kamen Burns, Narelle Robertson, Ben Hore and Ryan Veitch.

Stage 2 - southern extension will commence when funds become available.

Mudjimba SLSC is fortunate to have a number of supporters and sponsors in the local community.

OFFICE BEARERS REPORTS

CLUB CAPTAIN

IRB and Youth collaborations water safety.

SLSQ development camps.

We introduced our new admin officer, Tanya to the Mudjimba family

What a season this has been, the 2019-2020 season has been a massive season for many. From welcoming new faces to our Mudjimba family to the beginning of the extension of our Club, to the impact of the Coronavirus – it has been surely interesting for us all.

Total Patrol Hours	8895.34
New Awards	419
ART	5
Bronze Medallion	16
IRB Crewperson	6
Silver Medallion	10
Surf Rescue Certificate	19

Patrol 1, 3 and 8 successfully completing Buhk Wilkes inspections.

In October and November, a small group of our amazing female patrollies 13 to 65 years of age took part in a trial for a new design of patrol board shorts. Made from recycled plastics and fishing nets they are a great step in the movement of creating an eco-friendly patrol uniform. The tests proved a success and the shorts will eventually be added to the uniform options.

Unfortunately, this year was brought to an early close for most of us due to the Coronavirus. The early close saw the most consistent, perfect conditions – bringing many out to our amazing beach. With the number of visitors, it was bound to result in many rescues, with patrol members going above and beyond to assist our beach visitors.

Jack Mathews

Club Captain

SECRETARY

Season 2019-2020 has seen another successful season of patrolling at Mudjimba Beach. Mixed conditions ended with us heading down uncharted territory with COVID – 19, and its associated restrictions. In spite of this, Stage One of the Clubhouse renovations works was allocated, and is now complete.

The resignation of our Administrator Valerie Colley after over 11 years in the job was significant. Val, thank you for your commitment to Mudjimba SLSLC Inc over your tenure as our Administrator. You have maintained the position with excellence. Your dedication to Mudjimba has not gone unnoticed and we are forever indebted to your skills as we move forward in 2020. A big shout out to Madeline Lamont, Kamen Burns and Narelle Robertson who so willingly stepped up and assisted me in keeping our Club going during the period of employing a new Administrator.

Welcome Tanya Matthews. Tanya has stepped into the Administrator role and hit a steep learning curve. Rising to this task Tanya is ambitiously looking forward to the challenges ahead. We look forward to continued excellence and assistance in keeping our Club paperwork on track.

To my fellow committee members, thanks for your diligence in all matters. Your expertise, skill and commitment are indeed appreciated. Even tested with running our Executive meetings by Zoom —we succeeded. The 2019-2020 Committee has worked tirelessly to move our little Club forward and should be commended.

Maree Cross

Secretary

TREASURER

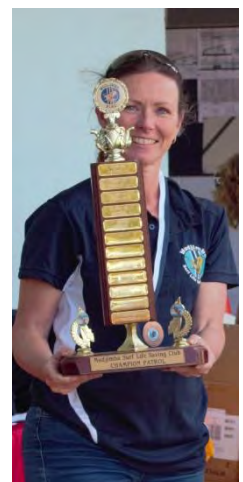

We have now completed another year even though the season finished in a strange fashion.

Yet, some items still have to be performed and the Treasurers role continued as money really does make the world go round.

This year saw the fruits of our long endured labour of saving money come to fruition and the long standing containers that have lived here for the past ten years or so have now gone and replaced with the area that is housing the Nippers trailer, IRB's and boards.

Thank you to all those Club members and community members who contributed either financially, volunteering of time, skill and goods or supported those who did. Every little drop contributes to the puddles, and those puddles can eventually become an ocean (or maybe Mudjimba is more of a stream).

This Club is a team from the youngest of Nippers, right through to our Life Members, and I would like to thank all of the team members; my fellow patrol members, the Executive Committee members, and all of the supporters for making Mudjimba such a family orientated and community spirited team. Every one of us is a volunteer in some capacity and we each play a part to keep the Club running and the beach safe and enjoyable.

In a financial capacity, we continue to run this Club with the assistance of sponsorships, donations, grants, and membership funds. We finalised old grants, applied for new ones, found businesses to sponsor us in our endeavours that are now coming to fruition, and with fingers crossed on the Coronavirus situation – season 2021 looks to be a good one.

Thank you

Narelle Robertson

Treasurer

CHIEF TRAINING OFFICER

Thanks to all our trainers and water safety who helped deliver our Skills Maintenance and multiple courses for the 2019/2020 season. The biggest part of any CTO's job is to get all the members through their Skills Maintenance program for the season. Thanks to our small dedicated group of trainers, Peter Harvey, Karen Cook, Dean Hore, Kaitlyn Akers, Samantha Walker, Kye Burke and Kamen Burns, we got all through by the 31/12/2019.

The season started with 20 SRC's completing their award at Rainbow Beach along with 12 new Bronze Members. Thanks to Peter and Rob for delivering yet another excellent camp. Along with these two were a lot of water safety and camp parents who helped out.

Three Bronze groups, two IRB crew courses, two First aid course, one ART course, along with five members completing their SMBM award was the tally for the season until the COVID 19 pandemic stopped us. We unfortunately had to suspend one Bronze and one IRB crew course mid-session. We hope to complete these once we give the all clear.

The 2020/2021 season brings on a change to the Bronze /Cert 2 and SRC's courses with the role out of SLSA new resources for these awards. Not sure what this all looks like.

Regards

Guy Tanner

Chief Training Officer

GRIEVANCE OFFICER

There have been a number of grievances this year.

The Club Code of Conduct is based on compassion and kindness toward self, and others, underpinned by the legal and moral need for insurance within the framework of SLSCA.

There is a lot of diversity in Club members.

Assertive communication, acceptance of differing viewpoints, release of emotional charges around people (ourselves and others) and issues, knowing we can only control ourselves and focusing on outcomes give us the best chance to avoid and resolve grievances.

Tim Young

Grievance Officer

IRB OFFICER

The 2019/20 season was another successful year for IRB operations at Mudjimba SLSC. Our equipment numbers increased, as did our number of qualified personnel. I would like to take the time to congratulate those members who sat their IRB Crewperson and IRB Driver qualifications. I look forward to seeing your skills improve and the positive outcomes you will bring to future rescue operations.

As it stands Mudjimba has 10 IRB Motors and 6 Hulls, we have taken steps through grants, and through the winning of motors by our IRB competition team, to ensure we remain with serviceable equipment into our future. Some of our existing assets are now reaching the extreme age of their serviceability within a rescue organisation and as such care needs to be taken by all members to look after our equipment correctly. The Competition team and key award trainers have been invaluable in helping maintain and manage our equipment this year.

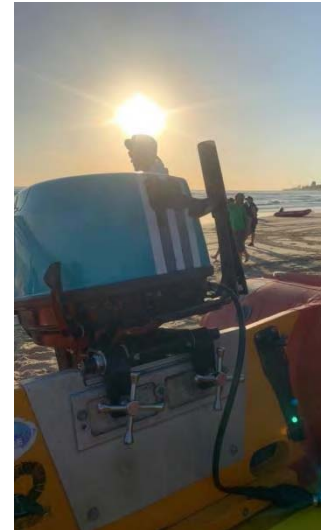

I extend my personal appreciation to IRB Coach Phil Burke and Team Manager Vicki Starr for furthering and fostering our IRB competition members development as effective rescue boat operators. The team may have decreased in numbers however has more than made up for that with skill and results. The focus on skill improvement and fine tuning of techniques in and out of the water across all team members directly contributes to the mentoring of our non-competitive patrol operators and increases our ability to service professional and experienced IRB teams on patrol.

I would like to say a massive thank you to Kye Burke, James Crockatt and Jack Mathews. Thank you for the support and help I have received over the last 3 seasons as IRB Officer.

I hope all enjoy the off season and are ready and rearing for more in the 2020/21 season.

Ned Carson

IRB Officer

PATROL REPORTS

PATROL 1

Patrol 1 had a great year on the beach, even though it was shortened by our #COVID19 restrictions.

We were the last patrol in the club to have the flags up before we operated in a standby capacity.

Our Season started early in the year when we had several new SRC recruits join our team Holly, Isabell & Alexandra, and our newest BM John. They are all a product of the hard work put in by trainers and coaches and our Nippers program and were lucky to be a part of the Rainbow Beach Camp as well.

We also farewelled some of our older teammates and we wish them all the best and thank them for all the hours they have contributed to our patrol and Club.

Highlights this season were the days where the conditions were lovely and we had many of us out on boards, bodysurfing and having a catch up over some hot chips.

Patrol 1 participated in a Buhk Wilkes Score Inspection and showed best practise by scoring highly.

A big warm thanks to all of our patrol members for balancing your patrol hours and commitments within the Club in the many roles we do. We even managed to compete in many carnivals for Youth and Masters.

The 2020 patrol season would not have been possible without all of your dedication to lifesaving, and ability to make all patrols enjoyable and fun, this is what we all do best together. Looking forward to enjoying all that our beach and patrol group has to offer in the new season.

Karyn Cook

Patrol Captain

PATROL 2

Let's start at the end and work backwards

That was the most boring end to a season EVER! The upside was spending some quality time with the kids cooped in a tower watching attempts at social distancing. Very unique to say the least.

Isaac, Jas and Teah obtained their IRB crewies so another lifesaving box ticked taking your son for a squirt in the duck whilst being highly amused with the white knuckle action as the motor leaves the water putting the fear of death in all 3.

Sadly we saw the deterioration of our VPC's knees so the company and conversation of Michael Hughes was very much missed. Keely was there to help out as best she could with her busy life.

Our stalwarts of the Patrol 2, Dale, Lindz and Didge were there to support the crew. Our young chargers, Abbi, Madi, Shianne, Copper and Joe made for good entertainment with the exuberance of youth.

Darryl, Amber and Andy gave their best when they could, with all these legends combining good vigilance with preventative actions made for a relatively incident free season.

I look forward to catching up on the sand next season and enjoying our beautiful beach with you all again.

Cheers

Adam

Patrol Captain

PATROL 3

A great start to the season, not such a good end to the season. Mostly the weather and ocean were kind which made for stress free patrols and enjoying the company of patrol members.

Patrol 3 welcomed three new members this season, Zarlie, Julia and Heath.

Three SRC's who are very skilled and are a great asset to patrol 3. I am sure that they will continue to train and attain many awards. Zahlie and Julia could be seen almost every Sunday with the orange water safety gear on at Nippers.

I would like to thank all Patrol 3 members for the dedication, support and efforts over the season.

It is hoped that all will return next season

Steve Smith

Patrol Captain

PATROL 4

An interesting and interrupted season, however the passion and strength of our Patrol 4 members shone through, and once again our Youth lead the way. Thank you to all Patrol 4 members, you really do show what commitment, strength and skills can achieve.

Glenn, as with every season, thank you for your strength and support, our team would not be half the team without you. Your knowledge of the surf and conditions is without par and our beach visitors are safer for you being there.

Madeline, the “eyes” of our patrol and as always, even though it was a tough season, you were there to lift spirits and keep us all ticking along, thank you!

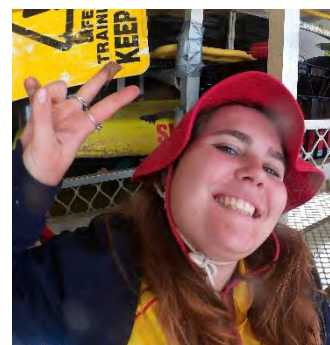

Stephen, your skills are an asset in any team. Tim, always committed and vigilant, no matter what is happening around you, our beach visitors have your eyes fixed firmly on their safety. Hayley, your sense of humour gets finer every season, and your music taste better! Scotty – finally got you back! Your humour and exuberance were just the ingredients we were missing. Grant, congratulations, and good luck with your future. Big Jonnsie, next season... we need you back.

Little Jonnsie, you are a lifesaver that I am proud to stand next to, keep up the good work. Keely, strong, smart and a fantastic lifesaver, loving the adult you are becoming. Izzy D, the glue that binds our Youth together, your ideas especially around team building, keep us moving forward, a quiet, strong leader. Ruby we love your wicked sense of humour, you keep us all on our toes, never change! Ollie E, stepping up big time this season, a future PC in the making, well done! Will, loved watching your leadership skills develop this season, you are an amazing, smart young man and am personally looking forward to seeing where you head in Lifesaving. Braitho, once again your contagious laugh kept our spirits up. Zane, great seeing you take on extra roles, clever and dedicated you are definitely appreciated on patrol. Josh, finally – so good to have you officially on the team. Lokki, so glad you picked us! You are a talented young man. Ollie C, always have a space for you on Patrol 4. Brett, welcome to the team! Tim and Theo – thanks for coming along to help us out throughout the season.

Our Patrol gets stronger every season and our Youth just keep shining and excelling, lots of laughter and heart in our team. Thank you all.

Kamen Burns

Patrol Captain

PATROL 5

Rockstars.

In a season never to be forgotten, Patrol 5 Rockstars once again rose valiantly to the challenge of keeping Mudjimba's Beachgoers safe. It was a season of rescues, water safety events, IRB races, chips, coffee, penguins, unicorns, mermaids, coffee, laughs and loads of team building.

2019/20 saw the Patrol bolstered by some very welcome and outstanding new Mudjimba recruits in Faith, Shane and Frank who brought a wealth of experience and enthusiasm with them. Two brand new impeccably trained and ridiculously good looking Bronzies – Cam and Sally – also joined the crew for their rookie season.

The Rockstars scored some amazing new SRC's, Holly, Kendal and Jett who had the privilege of being mentored by the leadership group for training and skills, not the least of which was mastering two girls surfing on the same rescue board technique. The Patrol 5 Junior Junior program continued this year with Miss Elsie undertaking further training in Cuteness and Beach Sleeping.

Further testament to the depth of experience in P5 this season saw the emergence of the P5 elite leadership team of KT, Riki, Jake, Jono and Seb. This group of dedicated and knowledgeable lifesavers enabled the patrol to function effectively and consistently, whilst affording all members the flexibility required to fulfil their obligations in life and surf lifesaving.

And then the world stopped.

The Rockstars forged ahead in a new world of Surf Lifesaving, lockdown and isolation, turning up to ensure that anyone who did go to the beach made it home that night, whilst managing an entirely new set of guidelines in thankfully some very mild conditions to finish the season.

Rock on Rockstars, Rock on!

Kaitlyn Akers

Patrol Captain

PATROL 6

With another season under our belts and all beach visitors safe, our mission is complete. Congratulations on a job well done Patrol 6. Solid, stable, consistent all words that come to mind for our group-in skill, commitment, resilience.

Our little patrol stepped up this season and pulled together when our PC needed us. Well done Graham, Matt, Dali and Victoria rising to the challenge. As a team we were joined by Shae, Angus and Charlie, all able and competent - with Charlie patrolling over 100 hours and both Shae and Harry close on his heels.

Thanks for the camaraderie and friendship everyone. Hope to see you again next season.

Maree Cross

Vice Patrol Captain

PATROL 7

Thanks to all our Patrol 7 members for their hard work and dedication for season 2019/2020. With a good mix of eager youth and older types we managed to keep our patrol, free from any major incidents.

Our masters and youth competitors did our club and patrol proud with some great results. It was fantastic to see our youth in the water honing their skills on most patrol days, always maintaining their vigilance and readiness if required.

Unfortunately, the latter part of the season was interrupted by the COVID-19 pandemic. The Club did a great job to keep the beaches under observation for the rest of the season with only a couple of minor rescues.

Hopefully, we can resume our patrols sometime in September 2020. We will have extensions at the club finished by then, along with a new council observation deck at our # 123 entrance.

Regards

Guy Tanner

Patrol Captain

PATROL 8

My how the times have changed. I have been reflecting on the season and our extraordinary patrol members. Trying to find the words that best described how blessed we all are to be part of patrol No 8. From the first day I joined patrol 8, after completing my bronze, I knew this is where it was at. Patrol 8 had a ring or charm to its name for me. I guess it was because it rhymes with great. And over the years it has proven itself many times over and this year was no exception. No matter what was thrown at us, we banded together in the true Mudjimba spirit and got on with the job.

This year we had 4 new SRC's join our ranks, Coen, Christopher, Makaila and Nathaniel. 3 of which had parents as patrolling members. This brought back memories of when my own daughters joined the patrol. It also reminded me of how special it is and how lucky we are to have the opportunity to spend quality time with our children in this environment. We also welcomed a brand new bronzie to the patrol, a local from Mudjimba, Justin. It certainly didn't take him long to become part of the furniture. He's been a great asset to the patrol and will be for the club into the future.

A big shout out to our VPC Vickie. Little did she know, or the rest of the planet for that matter that life on the beach was about to change. I had to leave the coast so I could be with my wife in Alice Springs, so Vickie stepped up yet again, what a champion. Mick did the splits and could not patrol for some time, Joshua and Sue headed for the country and we were left with a skeleton crew!

Last non-surveillance patrol before COVID, rips lighting, rescues were in the double figures, change over from P7, shortened flags area and large numbers of customers. And what happens? Buhk Wilks inspection! Big shout out to Catyn Carey for stepping up! Only dropped 7 points – call for help and say again will never be forgotten!

The summer was ace until COVID entered our space

There was no room for the arena and man you should have seen her

Cranky was the peeps to keep the COVID distance

Soldier on we did with a crew of plenty

Albeit four they bought all the goods

Missing Suey, Josh, Deano – tech on and all together again at the beach.

J-Man Oppy

Vickie Starr

Vice Patrol Captain

PATROL 9

What a season it was this year. Who would have thought at the beginning of this patrol season we would witness the effects of a virus epidemic (COVID-19) taking hold at the present. The commitment and comradery of Patrol 9 is still as strong as ever with other members stepping up and taking care of our older and vulnerable members. This demonstrates the continued friendship and care we have on our patrol.

Patrol 9 did have a good run with weather conditions this season for a change which was nice and we were able to be out there enjoying the beach and water, using equipment, training and enhancing our skills most of the time while still maintaining a safe environment for beach visitors, swimmers and ourselves. Every person returned home safely to their families and loved ones. As usual there were rescues/assurances performed at Mudjimba Island as well, an extra area that we keep an eye on and look after and happy to do so.

As I turned 50 at the end of 2018, I had decided I would reward those members who had patrolled 50hrs or more that season with a surprise helicopter flight over the wonderful beach and island that we patrol and an aerial view of the Sunshine Coast. This took place just before the start of this season.

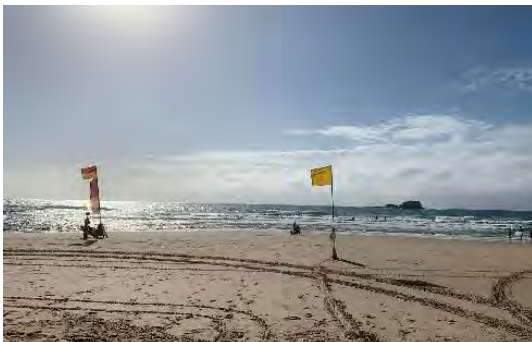

It is great to see Mudjimba SLSC growing with more members and moving ahead with the current clubhouse extensions to house the additional equipment we need and use. Patrol 9 had a new bronze member (Will) join our patrol and an older experienced member return along with his son who is a new SRC member (Mick & Kaleb). We have members that drive a long way to be here, reliable members that are here almost every patrol, members that love playing and working (maintaining) our equipment, members who juggle working away but still turn up, members that step up and clean out the club house while on patrol and most importantly, we have members that bring food to patrol! Again, young Catyn has stood up and completed extra hours on our patrol as well as his usual patrol team. He also now has a part time job to juggle along with school and everything else. He is a great team player and dedicated to the Mudjimba Surf Life Saving Club and surf lifesaving movement.

Patrol 9 has always encouraged members to obtain extra awards which in turn improves the Club's growth. As part of the succession planning for Patrol 9, I have offered the role of Patrol Captain to Sammy Walker next season. I will still be on Patrol 9 to assist and mentor all our members. I went back to be a Patrol Captain to help restart patrol 9 on January 1st, 2015 and it has grown from strength to strength. Maybe I will do it all again one day.

Thank you all and well done. See you on the beach.

Cleveland Maltman

Patrol Captain

JUNIOR ACTIVITIES (NIPPERS)

It was definitely the most unusual ending to a season we have ever HAD, and I feel so disappointed for the kids who trained all year and COULD NOT compete and the carnivals. DO NOT be deterred from giving it a RED-HOT crack next season, we will be back!

FORTUNATELY, it was one of the best weather seasons we have had in many years with very few days called off due to bad weather and angry oceans.

With this bonus we all saw a massive improvement in the KID’S surf skills, there is no substitution for time spent in the water. Nippers who were very fearful of the water at the start of the season grew in confidence and really experienced the fun of the waves with their buddies next to them.

This would not have been possible of course without the tireless support of our water safety volunteers, the “orange people.” Our greatest thanks goes to you legends who make each Sunday morning a fun, happy and safe place for our Nippers to enjoy.

Behind the scenes thanks need to go to the Junior Activities Committee who volunteer their spare time after hours to ensure the program is delivered as best it can with all the compliance that encompasses that. Dan “Didge” McKeown, our faithful Deputy who was flawless in his commitment to the role, Alice Perry an amazing Secretary who deciphered all our gibberish and made it sound intellectual, Narelle Robertson our Treasurer keeping the books in balance and valuable input into meetings, Melanie Holmes the Registrar making sure everyone is where they need to be, well most anyway, and chelating all the data from each week and points day to formulate our awards, Chris Ribot-de-Bresac our amazing clothing coordinator dressing us in our Mudjie apparel and togs

Thank you again for your support. This program does not run WITHOUT the support of volunteers which is why we need your help. Age Managers- SHEPHERDING the kids throughout the day and educating them about surf safety.

I know there were other parents helping out TO, but I can only print the names of those who actually signed up, thanks.

Special thanks to Sam Morgan, Jasmyn Ryan, Jodie McKeown, Casey “the BBQ Boss” and all the other helpers for firing up the BBQ each week and making sure we were all fed with great food. Food has to be bought and prepared and we thank you for the time you commit to this. All the profits go straight back to the club and directed into our program as we need it.

For a 2020/21 Nipper season to continue we need your support as a volunteer. Please have a think about the role you could assist as there are many pathways to take. Many hands make light work without the burden being carried by just a few. Please consider how YOU CAN help.

One final big THANK YOU to our Mudjimba Surf Lifesaving Club as a whole. Nippers is a massive part of what we do and the support we get from our members is sensational. All the best and we look forward to seeing you on the beach again.

Adam Amos
JAC Chair

JAC COMMITTEE & TEAM

Chairperson	Adam Amos
Deputy Chairperson	Dan “Didge” McKeown
Secretary	Alice Perry
Registrar	Melanie Holmes
Chief W/S Officer	Adam Amos

SURF SPORTS

Despite the season being cut disappointingly short, our mighty Mudjimba surf sports athletes produced some amazing achievements and results this year. With a changing of the guard in the clubs coaching roster during the off season, it looked as though it was going to be a challenging year from the outset, however in true Mudjie spirit, members new and old volunteered their time and knowledge to once again have the club firing on the beach and in the water.

Thank you to our coaches Scotty Pierce, Shippy and Matty B (Boards); Guy “Giddy Up” Pierce (Swim); World Champ - Ryan Veitch (Beach); Karyn Cook and Pete Harvey (Champion Lifesaver) and Phil Bourke (IRB Racing Team). It was great to see so many members attending training sessions to learn new skills, improve their fitness and compete proudly for their club.

Also, a huge thank you to our Carnival Officials this year. Without officials, carnivals simply cannot happen. Sharon Daniels did an amazing job with her small but generous team to have Mudjimba officials on the beach at all the carnivals to allow our members to compete.

The season kicked off with another strong showing from Mudjimba at the Hervey Bay Masters Carnival. Over the years, our club has developed an enviable reputation for being the most passionate and competitive club at this carnival, consistently punching above our weight in results and crowd support. This year was no exception with some outstanding individual and team performances.

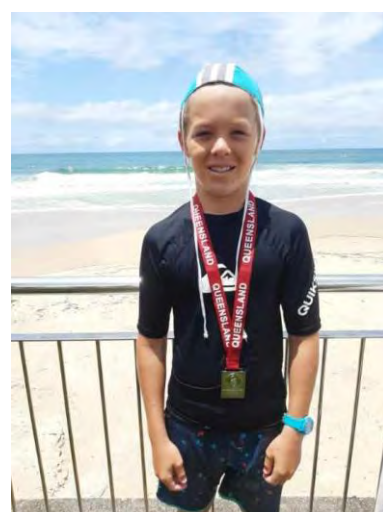

At the Sunshine Coast Surf Rescue Championships, Mudjimba placed 5th overall with Kayrn Cook again taking gold in her age group. Rita Stefanovic, Doug Beal, and Ollie Earl also took home medals in a carnival that showcases the all-round lifesaving abilities of our members. Well done to all who competed.

The Sunshine Coast Youth Championships greeted competitors with sizeable surf and feet-melting sand at Mooloolaba beach. Mudjimba’s 30 plus competitors raced with courage and resilience and it was great to see our young Mudjies lining up in almost every race both on the beach and in the water. Highlights of the weekend included Jonah Veitch taking a golden double in the U/12 boys sprints AND flags, Josie Holmes 2nd U/13 Girls Flags, Sam Smith 3rd U/13 Boys Flags, U/13 Girls Relay 3rd (Josie, Alisha Hall, Charli Corlett, Maya Ward). A special mention must go to Yve Warren winning a rare individual medal in the water, taking silver in the U/15 girls Surf Race against quality opposition. Yve was unlucky not to come home with a bag full after finishing a close 4th in the U/15 Board Race and Ironwoman as well.

At the Sunshine Coast Senior Branch Championships, Mudjimba produced possibly the biggest bolover of the season by finishing 4th in the overall point score. It was a shame that a handicap score was not revealed as I’m sure we were unbackable favourites. There were too many individual and team medals to list, however Mudjimba caps were everywhere, and our amazing team spirit showed some of the bigger clubs how it’s done.

The Mudjimba IRB Racing team continues to go from strength to strength under the guidance of team coach Phil Bourke. The sweet smell of two stroke on the beach most weekends is testament to the team’s dedication to training and racing at the highest level. The growing number of eager competitors both young and old will ensure the team will build on its success in the coming seasons.

Unfortunately, the State and Aussie Titles were cancelled.

CLUB CHAMPIONSHIPS

For the first time in recent memory, conditions favoured a first-up start for arguably the most important event of the surf sports calendar – the Mudjimba Club Championships. Being early in the season, competitors dusted off the speedo’s and raced in some of the closest competition ever seen at the club. It was an inspirational effort by everyone involved and the level of skill, effort and sportsmanship made for a memorable day. The sprint to the line and diving finish in the ironman between club stalwarts Guy Pierce and Darryl Corlett was a race for the ages.

CLUB CHAMPIONS

	Male	Female
Under 15 / Cadet	Braithyn Smith	Layne Baldock
Under 17	Oliver Earl	Isabelle Dunn
Under 19 / Junior	Sam Mathews	Not Contested
Open	Mark Peacock	Sarah Windsor
Masters	Darryl Corlett	Karyn Cook
Veteran	Steven Shipman	Alison Windsor

DOGS DAY

In accordance with the current social climate, Dogs Day was decided by a game of soft sand touch football. Proving there’s still life in the old dog’s legs, victory went to the old dogs in a highly entertaining spectacle in front of a vocal crowd of spectators. Thanks to club legend Steve Smith for refereeing the match. Better luck next year Pups.

Again, a huge thank you to all of our coaches, officials, water safety, craft handlers, first aiders, towel minders and sunscreen applicators. See you on the line next year.

Mark Peacock

Surf Sports Officer

YOUTH DEVELOPMENT

Our 2019/2020 Season was my first in the role of Youth Development Officer and I was pretty nervous to say the least, but having such a great bunch of Youth and Parents made for what I can only describe as a fantastic experience.

We started the season with the annual SRC Camp which was held at the newly renovated Rainbow Beach Surf Club. We took 18 “fresh out of Nippers” Youth and 18 novice SRC's to help with water safety and we all had an absolute ball! By week's end we had some very tired members, but all candidates did themselves and the trainers proud and passed. A very big thank you to Peter Harvey and Guy Tanner for facilitating the intensive training. We would not have managed without the army of volunteer helpers who attended the camp. I'm sure you'll agree that we've all loved having the new SRCs join our patrols. Appointing Junior Club Captains and Vice Club Captains are another Mudjimba tradition.

Nominations are sought and captains are announced after SRC Camp.

Congratulations this season go to Angus, Kendal, Charlie, and Mikaela.

2019 saw Mudjimba SLSC attend the annual North Shore Community Christmas Celebration and provide First Aid, with help of Jenny Young.

Camp Commando at QCCC Mapleton saw another record for Mudjimba with 18 SRC's participating, the second largest contingent from all the clubs. All members participating have to be endorsed by the Committee and I am very proud to say that the feedback I was given from the organisers and camp volunteers was nothing short of amazing! The participants are all to be congratulated and commended. Thank you again from Michael Glades and Stephan Way for volunteering your time to assist.

The Noosa Tri and Mooloolaba swims are events that Mudjimba Youth and IRB Racing teams are invited to each year with set numbers required for Water Safety on boards, IRB's and on the beach with tubes. These events are vital fundraisers and go towards equipment and social activities.

It was turning out to be a great 2020 with some exciting social and SLSQ activities planned but unfortunately due to COVID-19 restrictions, everything was cancelled.

Thank you to the Committee, Bendigo Bank Marcoola and Whites IGA Coolool for getting behind our Youth and a very big thank you to all the parents who should be very proud, and I can't thank you enough. We are so lucky to have such an enthusiastic and energetic bunch and I'm really looking forward to our 2020/2021 season.

Rob O'Neal
Youth Development Officer

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2020

Note 1 Summary of Significant Accounting Policies

Financial Reporting Framework

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 1981* (Queensland). The committee has determined that the association is not a reporting entity.

Statement of Compliance

The financial report has been prepared in accordance with the *Associations Incorporation Act 1981* (Queensland), the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: *Presentation of Financial Statements*, AASB 108: *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054: *Australian Additional Disclosures*.

Basis of Preparation

The financial statements have been prepared on an accrual basis and are based on historical costs. They do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

(a) Income Tax

The Club is exempt from income tax in accordance with Section 50-45 of the *Income Tax Assessment Act 1997*.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Gear and equipment	25.0%
Motor vehicles	30.0%

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

MUDJIMBA SURF LIFE SAVING CLUB
ABN: 88 104 132 551

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2020

(h) Leases

The Association as lessee

At inception of a contract, the Association assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Association where the Association is a lessee. However, all contracts that are classified as short-term leases (ie a lease with a remaining lease term of 12 months or less) and leases of low-value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Concessionary Leases

For leases that have significantly below-market terms and conditions principally to enable the Association to further its objectives (commonly known as peppercorn/concessionary leases), the Association has adopted the temporary relief under AASB 2018-820 and measures the right-of-use assets at cost on initial recognition.

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

(j) Revenue

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Revenue recognition

The Association has applied AASB 15: Revenue from Contracts with Customers (AASB 15) and AASB 1058: Income of Not-for-Profit Entities (AASB 1058) using the cumulative effective method of initially applying AASB 15 and AASB 1058 as an adjustment to the opening balance of equity at 1 January 2019. Therefore, the comparative information has not been restated and continues to be presented under AASB 118: Revenue and AASB 1004: Contributions. The details of accounting policies under AASB 118 and AASB 1004 are disclosed separately since they are different from those under AASB 15 and AASB 1058, and the impact of changes is disclosed in Note 1.

In the current year

Operating grants and donations

When the Association receives operating grant revenue or donations, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, the Association:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

When both these conditions are satisfied, the Association:

- recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards (for example, AASB 9, AASB 16, AASB 116 and AASB 138);
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Association recognises income in profit or loss when or as it satisfies its obligations under the contract.

Interest income

Interest income is recognised using the effective interest method.

Income from sale of good

Revenue is recognised when control of the products has transferred to the customer. For such transactions, this is when the products are delivered to the customers. Revenue is then only recognised to the extent that there is a high probability that a significant reversal of revenue will not occur.

A receivable will be recognised when the goods are delivered. The Association's right to consideration is deemed unconditional at this time as only the passage of time is required before payment of that consideration is due.

All revenue is stated net of the amount of goods and services tax.

MUDJIMBA SURF LIFE SAVING CLUB
ABN: 88 104 132 551

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2020

In the comparative period

Donations were recognised as revenue when received.

Interest revenue was recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service was recognised upon the delivery of the service to the customer.
